

DRINK CAUSES DEATH IN POLICE PATROL

Further Investigation Into Sale of Alcohol to Victim Is Promised.

MANY SALES MADE IN DAY

Habitual Offenders Appear Regularly in Police Court and 14 Are Banded Into Wagon and Sent Out to Rockpile.

"Death from acute alcoholism," was the finding of an autopsy conducted by the coroner's office yesterday upon the body of Adelberg J. Craig, who died in the patrol wagon on the way to the City Jail last Friday night.

In Craig's room, at 31 North Second street, Deputy Coroner Smith found a pint alcohol bottle, nearly empty. The effects of the dead man were meager, and he appears to have had no relatives or close friends.

That he would look into the matter of Craig's death, with a view to finding whether or not the responsibility can be fixed and prosecution instituted, was the statement made by Deputy District Attorney Richard Delch yesterday afternoon.

Seven Buy Alcohol in Day.

The affidavit book of the Brooke Drug Company shows that Craig purchased one pint of alcohol at their store on Friday, May 5. Seven applicants in all were granted ethyl alcohol on affidavit that day. The average number of sales for several days was eight, and the average amount sold to each applicant was one pint.

That the Oregon statutes provide recourse to relatives in cases where death has been caused by liquor, is pointed out by Mr. Delch.

The law provides that any person who sells or gives liquor to any intoxicated person or habitual drunkard shall be liable for all damages resulting therefrom, at the suit of the immediate relatives. The act of an employee in making the sale is deemed, under the law, to be the act of the employer.

Offenders Four Into Court.

The victims of ethyl alcohol continue to come to Municipal Court for judgment, and each day's docket contains many names of such. Nine arrests were made for drunkenness on Tuesday night. Seven prisoners were already held awaiting trial on the same charge.

Ed Gannon, a laborer employed at the Peninsula tunnel, assaulted Patrolman Cameron when the patrolman arrested him for drunkenness. He sallied from his cell in the County Jail and crumpled with Jailer Epps, and the combined combat of three men was necessary to quell the rioter. Gannon resignedly waved the scarred stump of his left wrist, from which the hand is missing, as Judge Langsuth sentenced him to 30 days in jail.

In the Emergency Hospital lies A. N. Patterson. His times cannot get his breath, and the fear of death is with him. He has the weakened heart of the alcoholic. Awaiting his fitness to appear in court, he is in the hands of the nurses. He is a barber, of 251 1/2 First street.

Man With Scalp Wound Jailed.

A rash bandage hid the severe scalp wound that D. Long had gotten for a carousal in the California rooming house. Sergeant Olesner and Patrolman Fields found many empty alcohol bottles in the room. Others strewn the alley in that vicinity. The report declares that many of these bottles bear the label of one drugstore.

Soldier Is Landed in Jail.

From Vancouver, B. C., came a party of soldiers to spend an evening in the city. With his uniform dusty and smeared, George Bapp landed in a cell at the City Jail. A friend procured alcohol for him when the supply of whisky was exhausted.

Bapp called on Hazel Morse. He addressed her in terms that offended A. E. Madgwick and soldier and civilian fought. Madgwick's nose was broken in the combat. Bapp was taken to the City Jail, where he was held on a charge of assault.

Peter Lee was interperate to such a degree that his arrest became necessary and his sentence in Municipal Court was 25 days.

While the evidence of perjury on the part of many applicants for ethyl alcohol is so plain as to require no further proof, it is the belief of Deputy District Attorney Delch that it would be futile to prosecute the offenders, most of whom eventually appear in Municipal Court on the charge of drunkenness.

Indictment Is Not Expected.

"The penalty for perjury is so severe that I do not think the grand jury would indict in such cases. If an indictment was secured I doubt that a petit jury would convict." This was the prosecutor's answer to the suggestion that a conviction or two for perjury would abate the making of false affidavits for alcohol.

"I do believe," he said, "that the court would be justified under the city ordinance in sending to the rockpile for 30 days anyone who obtains his alcohol by false affidavit."

The maximum penalty for public drunkenness, under the city ordinance, is a \$100 fine or 30 days' imprisonment. The penalty for perjury, of the false affidavit sort, is not less than two years' nor more than five years' imprisonment.

Startling Developments Promised.

Two months ago an attempt was made to prosecute the signer of a false affidavit, P. L. Biglow, on a perjury charge. At a hearing in Municipal Court the prisoner was bound over to the grand jury. That body considered the evidence against Biglow and declined to return an indictment.

The prediction is freely made, however, by Mr. Delch and Deputy City Attorney Stadler, that startling developments may be expected from the alcohol imbroglio at any time. City Detectives Cahill, Hammerly and Hill, have been specially assigned by the Detective Bureau to the service of the Municipal Court in obtaining evidence that will fasten the blame upon those responsible for a condition that is daily producing violent and dangerous drunkenness.

Fourteen city prisoners, shackled in pairs, were herded into the patrol wagon and taken to Kelly Butte rockpile yesterday afternoon. With one exception they went to serve sentences for drunkenness.

CHAUTAUQUA IS PLANNED

Maltinohah County Association Is Formed at Gresham.

GRESHAM, Ore., May 10.—(Special.)—At an enthusiastic meeting at the La-

brary Monday night, at which about 40 men and women from Gresham, Boring, Troutdale and surrounding country were present, the Chautauqua Association was organized, with George F. Honey, president; Principal Ryan, of Troutdale school; E. C. Altman, Pleasant Home; W. O. Proctor, Cottrell; Mrs. John Schultz, Boring; Mrs. Paul Bliss, Sycamore; A. C. Ruby, Rockwood; Mrs. J. W. Townsend, Fairview; vice-presidents; K. A. Miller, treasurer.

A general committee, which will act as executive committee, appoint sub-committees and have full charge of the arrangements, was appointed, and consists of, besides the president and secretary, D. M. Miller, Charles Cleveland, Mrs. N. N. Hatfield, H. L. St. Clair, A. Brugger, Mrs. J. N. Clamahan, George W. Stapleton, Mrs. J. W. Townsend and R. R. Carlson.

The following committees were appointed by the general committee: Transportation, Mrs. Clamahan, Mr. Cleveland, Mr. Stapleton, A. W. Meisger; seats and grounds, Mr. Carlson, Theodore Brugger, Roy Kern, H. E. Davis, D. E. Towle; electricians, Ray Todd, W. E. Bates, Mr. Carlson; decorations, J. Cannon, John Metzger, L. I. Kidder, Mrs. Cleveland; concessions, Mr. Cleveland, Mr. Kidder, Mr. Towle; tickets, George F. Honey; advertising, Benjamin Cameron, E. P. Goodwin, H. L. St. Clair. The dates for the Chautauqua are June 11 to 16, on the Multnomah County fairgrounds. Season tickets are selling now at \$2.50, but the price will be raised to \$3 after the season begins.

Workers Invade South Portland and Will Sweep North on West Side.

Pupils Thorough in Work.

The clean-up campaign extended into South Portland yesterday and will sweep north on the west side of the river, ending in four more days. The fire marshals, who are preceding the clean-up by three days in their inspection, will conclude their work tomorrow and on Friday the City Street-Cleaning Department will cross the river and follow the trail of the citizens' campaign on the West Side.

Falling School was the center of activity among the school children and under the direction of Principal Fannie G. Porter the community was covered with enthusiastic thoroughness. Probably no other district on the West Side has been organized with such thoroughness as this one and the work was carried through with a vast amount of zeal by the school children and residents of the community.

Marquam Gulch is to be made a park instead of a proverbial dumping ground, according to the promise of Commissioner Baker, and this fact gave the people an additional interest in making the clean-up work thorough.

The winding up of the work on the East Side is bringing in some interesting reports. The total junk sales in Sellwood alone Tuesday were \$108, and there are still two schools in that section to be heard from.

Letters were sent out yesterday by Secretary Kessler, of the Bureau, to 200 of the largest property holders in the city, calling their attention to the clean-up campaign and urging them to co-operate in every way possible, by hiring men to clean up lots and houses that they may have which are vacant at this time, or to encourage tenants to join in the campaign and help the clean-up work along.
