PRESIDENT OF PORTLAND WOMAN'S CLUB TO GIVE READINGS AT TODAY'S MEETINGS.

Mrs. G. E. Frankel

The May meeting of the Willamette Chapter, Daughters of the American Revolution was held on Wednesday at the residence of Mrs. Ada C. Hertsche, 501 East Twenty-sixth street, North.

Two very interesting and important papers were read: "The Organization of Daughters of the American Revolution" by the state regent, Mrs. Isaac Lee, Patterson, and "In Search of Ancestors," by Mrs. John J. Reed.

Mrs. J. P. Gibson, of Vancouver Wash., formerly member of a New Jersey chapter, gave an entertaining talk on Continental Hall.

A short talk on the new organization of the children's club for the members of the American Revolution was given by the president, Mrs. John J. Reed. It is hoped that the Wednesday chapter will be formed by June, and a plea was made for all D. A. R. mothers who desire the children to become members to contact with the president.

Through the kindness of Mrs. Esther Allen Jones, the new chapter, when formed, will be presented with an American flag.

It was decided that the chapter would present the Albina Homestead School with a flag on the Wednesday day.

The beautiful home of the hostess, Mrs. Hertsche, was most artistically decorated with cut flowers. Miss Nita Picken favored with several piano selections, after which an elaborate tea was served.

Hoffman Association will meet today at 3 P. M. There will be an exhibition of work by the cooking class and a programme for the children. Election of officers will follow.

JITNEYMEN IN TROUBLE

COMMISSIONER DAILY COMPLAINS OF SHORT HOURS OF OPERATION.

Detections Will Be Brought to Notice of Council for Instructions as to Course to Pursue.

The jitney men are in trouble again. This time it is because they have failed to comply with the recently passed ordinance requiring them to give no less than eight hours' service each day.

Commissioner Daily has compiled a report showing a long list of the drivers who have failed to comply with the ordinance. He will ask the City Council this morning what action he shall take. Revocation of the licenses is one of the possible outcomes.

It is said only a few of the drivers are making any effort to comply with the city ordinance. In the past before the eight-hour amendment was added to the jitney ordinance, many of them have been operating just as they please. They have signed up with the city for certain routes and for certain hours of operation and then have operated just as they pleased, or as it was found profitable.

Close tabs has been kept on the machines since the eight-hour order went into effect. It has been found that, in addition to their having failed to keep up a regular or dependable service, they have violated the ordinance by

CITY TAKES LAND IT SELLS

Tax-Delinquent Property Bought In, but Sale Will Be Repeated Today.

The usual buyers of property sold by the city for delinquency in payment of street and sewer assessments

having refused to purchase property offered for delinquency on the improvement of the Upper Drive, the city yesterday bought in a tract owned by E. S. Munkley to bring to an issue the right of the city to foreclose payment of assessments for that improvement. The validity of the assessments has been disputed.

The city did not have much luck in disposing of property offered for sale at auction yesterday. Out of a total of \$45,000 in delinquency offered for sale, buyers bid only on \$2365. Another sale will be held today.
