Portland's ball club still is clattering downward like a sack of old cans dumped off the Ford-street bridge.

Yesterday San Francisco handed the McCredle clan another licking, yet it was a trifle better than the kaisomining of the day before—yea. Brunhlide, the Beavers got one run.

The score, to be exact, was 4-1.

Two of the four were home runs by Ping Bodle and by "Ducky" Jones, and the other two were the veriest kind of donations by young Charlie Hollocher, who plays short for Portland when Ward is on the bench.

Hollocher dropped an easy thrown ball from Roche, after tasging a runner at second base for the third out. As is generally true, this proved to be the break. Brooks, Brown and Fitzgerald singled through the infield immediately afterward and rang up two runs for the visitors. Glaring Error Costs Game.

Porland registered its run in the first inning on Wille's single to left, Vaugin's bunt and Roche's hit over Coffey's cranium, so that Hollocher's glaring misplay in the second inning handed the ball game over to Wol-

verton.

Alien Sothoron and Southpaw Brown were the opposing pitchers. Sothoron allowed six hits and Brown seven, but Brown's record was the best, owing to the aforementioned Bodie and Jones home runs. Bodie's homer was made into the left field bleachers in the fifth. Jones plugged his over the right field fence in the ninth.

Although the day was sunny the crowd was small.

This about furnishes most of the features of the fray, except for a parature of the fray except fo

tures of the fray, except for a paragraph in praise of Denny Wille's pas-

timing.

Willie robbed Jones of a clean two-bagger in the fourth inning, chasing 190 feet over into right and pulling a somersault circus catch that was a hair-raiser. In addition Denny found Brown for two lusty swats and drew a walk on another trip at hat.

Sothoron and Autrey also did some nifty fielding at first base.

Bodie Robs Gulsto of Hit.

Louis Guisto falled to hit after quite an extended run of consecutive swatting. However, it was not altogether the big Italian boy's fault. With a couple of runners on the bases in the sixth, Louie hit a line drive into left center, and it required a nice running eatch by Bodie to bar him from the

Portland threatened once again in the seventh, and Manager McCredio sent Higginbotham out to bat for Hollocher. Hisg hit a puny tap to pitcher.
Ward finished the game at short.
Jerry Downs was out of the Seal
lineup, and Sheehan, the rangy Santa
Clara College boy, played second.
Today will be ladies' day. Score:

BENSON TECH BEATS FRANKLIN

McKiel and Irving Graham, of the local high school, will feave for Eugene to-morrow morning, where they will participate in the annual state interscholastic Contest.

Benson Tech trimmed the Franklin High School baseball team 8 to 7 yesterday on Multinomah Field in a sensational game. The mechanics made only six scratch hits, but they made them when runs were needed. The feature of the contest was a home-run drive in the sixth by "Shrimp" Post who put the hall over the centerfielder's head to the club lawn.

"Pudge" Brown did the pitching for the Franklin team and had a bad stat, all eight scores of the winners being registered in the first four frames.

Angling—Caddis Files Out in Large Numbers New.

Washington State College, Fullman, May 11.—(Special.)—The State College of Washington will hold its ninth annual interscholastic track meet tomorrow. More than 200 athletes representing the 40 largest high schools in the last few days with the exception of yesterday were against big catches, hence the return to Portland of a few disappointed anglers.

The exceptionally cold weather in the early morning and late evening, just the times when the fish are usually hungry, kept them from rising to the fily. To verify this statement the stomachs of the fish caught within the last several days were filled with green moss, which grows on the sides of the rocks in the bed of the river. Those who used weights were the successful angiers.

### Salmon Fishing Is on Again!

The recent high water has gathered hundreds of salmon below the falls at Oregon City.

Frisbie, the popular boatman, predicts that spoon fishing will be at its best during the next two weeks. In fact, he will furnish boats, rent free, to anyone who fails to get salmon from now on. Sounds good!

And we are right on the job with everything you'll need in the line of good tackle.
