BY GERTRUDE P. CORBETT

SUNSHINE and motorcars induce society matrons and maids to get out into the great outdoors some to indulge in a game of golf during the cool mornings followed by luncheon at the country clubs. Many of the women take sewing or knitting along and pass the afternoons on the delightfully restful and cozy verandahs, returning to town in time for dinner. Soon the dinner dances will be inaugurated for this season at the Waverley Country Club on Saturday nights, and this favorite method of entertaining will be a boon to the tired housekeeper.

One of the notable events of yesterday was the charming informal luncheon presided over by Miss Antoinette Mears at the University Club. The table was most artistic, with an array of garden flowers, and covers were placed for Mrs. Hazel B. Lott, Miss Ruth Teal, Miss Patsey Stewart, Miss Genevieve Brooks, Miss Rhoda Rumlind, Miss Helen Ladd and the hostess.

Mrs. John K. Kollock will be hostess for tea for this afternoon.

A basket social and card party will be given by the Women's Relief Corps of the Grand Army of the Republic, Ladies' Auxiliary of W. S. Z. No. 3, tomorrow, at room 525 Courthouse. All primary candidates are specially invited.

Mrs. Frank Owen, a popular young matron of Medford, is passing a few weeks in Portland at Hotel Benson, while Mr. Owen is on a business trip in New York. During her sojourn in Portland, Mrs. Owen will be entertained extensively by prominent folk.

Much interest of society centers in the annual tea and reception to be given tomorrow afternoon by the fruit and flower mission of the Day Nursery. The tea is planned with a view to stimulating interest in this necessary and noteworthy institution, and all the guests at the tea, who so desire, will be taken on a tour of inspection of the house. There is no obligation attached to attending the reception; it is purely and distinctly a social event, and all the people of Portland who are interested in the work now being done by the Day Nursery are cordially invited to attend.

They will be received by a number of prominent women of various parts of the city, and the attractively decked tea table will be in charge of well-known women. A number of young girls will assist about the rooms and aid in making the affair a social success.

Archie A. Pepin and Mrs. Grace Gregory were married May 4, at the home of the bride's sister, Mrs. Harry W. Stephenson, 785 Curtis street, Pasadena, Cal. Mr. Pepin is a young business man, formerly of Seattle, but now in Pasadena. Mrs. Gregory is the daughter of Mr. and Mrs. Alf P. Dunlap, residents of Portland for many years, and until her trip south last winter had resided in Portland all her life.

Mrs. Richard Nunn and little son, Richard, Jr., left Saturday for New York, whence they will go immediately to England. They will join Dr. Nunn for a short time at Warwick, where he has a commission in the Royal Army Medical Corps. Then Mrs. Nunn and Richard will go to Dublin to visit Dr. Nunn's sister, their stay abroad being indefinite.

Friends and members of the M. A. A. C. are eagerly anticipating their formal ball, which will take place tomorrow evening at the club. The "formals" are always among the most notable of the season's social functions, and practically every member in the city, with their friends, join in the big frolic.

Among the special attractions offered for tomorrow night is the augmented orchestra and the supper, which will be served on the veranda enclosed for the occasion, and lighted with Chinese lanterns, in addition to a riotous array of brilliant-hued garden flowers, which will adorn the ballroom and reception-rooms.

The regular committee is composed of A. H. ("Bert") Allen, chairman; Harry Fischer and Edward C. Sammons. They will be assisted by Charles E. McDonald, Joseph E. Reisch, Milton Reed Klepper and George A. Anderson.

Mrs. Richard W. Montague left yesterday for the East to be present at the graduation of her daughter, Miss Margaret Montague, from Vassar. They will visit friends in Boston, New York and Chicago and return to Portland July 15.

Mr. and Mrs. William Hurd Lines and Mr. and Mrs. J. E. Davidson will leave this morning for Chicago. Later Mr. and Mrs. Lines will go to New York to visit friends and relatives, and Mrs. Davidson is planning to visit in Michigan, also with relatives. Mr. Davidson will attend to business matters in New York, joining Mrs. Davidson for the trip back to Portland.

Roseburg, Or., May 15.—(Special.)—Delbert E. Singleton, a wealthy Oak Creek rancher, was married at the home of the bride's parents here Sunday to Miss Lottie Conroy, daughter of E. E. Conroy, who was performed by Rev. R. E. Jope in the presence of about 40 relatives and friends. Mr. and Mrs. Singleton will make their home on Oak Creek.

### AUCTION RULINGS GIVEN

#### BUYERS OF PROPERTY SOLD FOR TAXES IN POSSESSION AT ONCE.

Purchaser Even May Invoke Ejectment Proceedings if Voluntary Surrender Is Not Immediate.

Purchase of property at auction for delinquency in payment of street or sewer assessments gives the purchaser immediate possession of the property, according to an opinion sent yesterday by City Attorney LaRoche to City Treasurer Adams. It has been generally supposed that the purchaser did not get possession until the end of three years after the sale, but Mr. LaRoche rules that possession is possible immediately and ejectment proceedings may be started if necessary.

Mr. LaRoche rules that sale of property at the City Hall is legal until a ordinance adopted by the City Council recently goes into effect fixing the Courthouse as the place for the auctions. He says there is no ground for the statement made at a recent sale at the City Hall that the sale was not regular because it was at the City Hall.

In regard to the sales Mr. LaRoche says in his opinion:

"You are advised that a certificate of sale gives the purchaser the right to have immediate possession of the property and continue in the possession thereof until redemption be made. In case the property is in the physical possession of anyone and such possession is not surrendered to the purchaser, the purchaser may, if he so desires, begin ejectment proceedings against the one in possession.

"In case the property is not in the possession of anyone the purchaser may take possession or not, as he desires. In case of the redemption being made by the owner, the purchaser would have to account to the owner for such rents as he collects during his possession, and in case the purchaser occupies the property himself, then he would be required to account for the reasonable value of such use and occupation."
