

T. R. AND HUGHES FORGES JUBILANT RIVAL CAMPS COMBINE, SCORING VICTORY OVER FAVORITE SONS IN DELEGATE CONTESTS.

BULL MOOSE CAUSE WORRY MANY PROGRESSIVE STATE DELEGATIONS FAVOR PROMPT NOMINATION OF COLONEL AND ADJOURNMENT, WHATEVER G. O. P. MAY DO.

CHICAGO, June 1.—Political supporters of Roosevelt and Hughes were jubilant tonight over the defeat of the attempt made by certain members of the Republican National Committee to have the contests over delegates heard by sub-committees instead of by the full committee, which always has decided these disputes.

When Chairman Hillis suggested that sub-committees be named to go over the documents in the contests so the full committee need not waste time considering trivial disputes, the Roosevelt and Hughes supporters seemed a possible plot to have the contests considered in secret sessions, and vigorously protested.

T. R. and Hughes Forces Unite. Senator Reed Smoot, National Committeeman from Utah, and a Hughes supporter, led the fight against the plan and succeeded in having the motion voted down.

Moore Threatens to Name Colonel. Harold L. Tucker, Committeeman from Illinois in the Progressive party, declared that he favored nominating Roosevelt, regardless of any action taken by the Republicans.

Mr. Perkins Favors Waiting. Personally, I am in favor of waiting until we see what the members of the Republican convention before making a nomination.

There were more active workers for Roosevelt than all the other candidates combined in evidence around convention headquarters today.

The effect of the campaign being made by the Roosevelt business men's organizations in the different states, in sending telegrams and writing letters to delegates urging them to vote for Roosevelt either on the first or second ballots was a topic of general discussion.

Mr. Antonette Funk, representing the American Woman Suffrage Association, asked Frank H. Hitchcock to telegraph Justice Hughes and obtain his views on National woman suffrage.

PRE-CONVENTION DAYS' SIDELIGHTS

CHICAGO, June 1.—(Special).—Progressive party men as they invade the city, are speaking soft and sweetened language and carrying any razor-edged cutlery deeply concealed in the recesses of their garments.

Edward C. Toner, one of the delegates-at-large from Indiana, is in Chicago, joined with the Fairbanks forces at the Congress Hotel.

Arthur H. Geissler, chairman of the State Republican Committee of Oklahoma, is "on the job," at the Congress Hotel.

Arkansas 10; Wyoming 2; California 6; Oklahoma 4. Sixty-four second choice votes are claimed as follows:

North Dakota, 9; Wisconsin, 16; Oregon, 10; Washington, 14, and Michigan, 16.

Mr. Elias said: "The business men of New York are for Mr. Root. They believe he is the man to handle the big questions which are coming up during the convention."

Complaint was made to those in charge of Chicago's preparedness parade to be held Saturday that friends of Roosevelt were planning to use the demonstration to advance the interests of their candidate.

The recently appointed Roosevelt Republican committee of Illinois business men, headed by J. Ogden Armour, of Chicago, held its first meeting here today and adopted resolutions urging Roosevelt for President by the Republican National convention.

DELEGATES 60 TO HUGHES

(Continued From First Page.) Understanding with the Republicans is evidenced further by the studied effort that has been made to avoid saying anything of a formal character that we can endorse.

The argument was advanced by these Progressives that it would be possible for them to bring about the nomination of Hughes that the purpose of the Progressives had been at least partly accomplished.

For anyone to suppose, however, that Colonel Roosevelt's friends have any thought of giving up the fight in his behalf would be foolish.

The sole purpose of the Roosevelt managers now is to prevent the nomination of Justice Hughes on an early ballot in the Republican convention.

They are bending every effort to stave off the selection of Mr. Hughes until after the third ballot and they contend that if this can be accomplished—and they believe it can be—the strength of the Justice will disintegrate and Colonel Roosevelt will run away with the situation.

In this connection many of the Republican leaders who arrived here today were inclined to find fault with the campaign being conducted by the favorite sons or so-called allies.

John W. McGrath, Colonel Roosevelt's secretary, arrived in Chicago today, and he already has developed into a figure of considerable importance.
