**H. W. Cottrell Is Re-elected by Seventh-Day Adventists.**

**TREASURY REPORTS HEARD**

**Western Oregon Conference Adopts Resolutions Protesting Proposal to Give Postmaster-General Power of Censorship.**

**WESTERN OREGON CONFERENCE ELECTS.**  
 President, H. W. Cottrell.  
 Vice-president, G. Thurston.  
 Secretary, E. N. Catlin.  
 Treasurer, C. E. Olcott.  
 Conference committee, H. W. Cottrell, H. G. Thurston, E. N. Catlin, P. C. Hayward, W. C. Emmerson, J. H. Hansen and William Reith.

Report of Treasurer C. E. Olcott, showing that \$52,319 was raised last year from a membership of 2299 and election of officers for the coming year occupied the time of the Western Oregon conference of Seventh-Day Adventists at Anabel Station. The report included a financial statement for the Western Oregon conference, Western Oregon Conference Association and the Western Oregon Missionary Society. The totals shown are: General, \$18,142.85; local, \$16,630.15; tithes, \$18,228.65. Total, \$52,319.45.

President H. W. Cottrell commented on the titling of the Seventh-Day Adventists and pointed out that no other denomination had adopted titling, although many were trying to adopt the practice. He said that the Seventh-Day Adventists are not a wealthy people, but that they come near conforming to the titling system, which he declared is the plan required by scripture. Of the money raised the sum of \$1912 was sent to the general conference to help support worn-out ministers and orphans.

**Nominating Committee Reports.**  
 The nominating committee reported the following: President, H. W. Cottrell; vice-president, G. Thurston; secretary, E. N. Catlin; treasurer, C. E. Olcott; conference committee, H. W. Cottrell, H. G. Thurston, E. N. Catlin, P. C. Hayward, W. C. Emmerson, J. H. Hansen and William Reith. The nominations were confirmed by vote of the conference and the president of the conference is the third year for President Cottrell as president of the Western Oregon conference.

The Western Oregon conference went on record as opposed to the "press" bill pending in Congress which gives the Postmaster-General authority to exclude from the mails publications containing attacks on religious denominations of any kind, special reference being made to the Monasee. It was set forth in the resolution that too much power is conferred on the Postmaster-General in this making him a censor, which might be wrongly used, and that the liberty of the press should never be limited. Petitions are being circulated on the grounds protesting against the bill.

**National Prohibition Urged.**  
 Nation-wide prohibition of the liquor business was urged in strong resolutions adopted by the conference. After hearing addresses by Frederick Griggs and President Cottrell the conference adopted resolutions urging that parochial distilleries be closed by churches wherever possible. The matter of providing a library of 1500 volumes was presented with the result that books and cash aggregating \$200 were pledged at the meeting.

Attendance at the public meetings is large. It is estimated that 2000 people heard the cantata Monday night by 190 singers under the direction of G. E. Johnson. The Rev. J. H. Dowell, of Walla College, addressed a large audience Monday forenoon and held an educational rally meeting will be held in the interest of religious liberty and in opposition to the proposed one-day vote in seven of the West-Idaho League. President Cottrell will deliver the main address. A plan of campaign against that measure will probably be outlined at this meeting.

**Police to Stop Traffic When Fire Semaphore Bells Sound.**

Disregard on the part of autoists of the fire alarm semaphores on streets will be the cause of the appearance of some drivers in the Municipal Court if the practice is not discontinued. On complaint of Fire Chief Dowell, Police Chief Clark has instructed policemen to arrest offenders.

When the street semaphores start changing the city ordinance requires that all streetcars and other vehicles in the vicinity shall stop. Chief Dowell says many tractors violate the ordinance, increasing the danger of accident or delay on the part of the fire machines.

**\$200 ADDED TO FUND**

**Total for Armenian Relief Exceeds \$2000.**

**RESULTS ARE GRATIFYING**

Those in Charge of Campaign Say Interest is General Despite Festivities of Week and \$15,000 Asked is Expected Soon.

Nearly \$200 was added yesterday to the fund being collected in Portland for the relief of the suffering Armenians who have been exiled since the massacres in Turkey and who are perishing from starvation and abuse, in view of the fact that the bustle of

the Rose Festival is upon us, the interest in the relief campaign and the steadily growing contributions to it are considered encouraging. The committee believes that the generous people of Portland will not cease giving until the \$15,000, which it is estimated must come as Oregon's share of the relief fund, has been subscribed.

Contributions should be sent to Ben Selling, treasurer of the Armenian Relief Fund committee.

Contributions received yesterday were as follows:
