CONFERENCE FAILS TO SETTLE STRIKE

San Francisco Union Leaders "Stand Pat"—Nonunion Men to Be Used Today.

SAN FRANCISCO, June 3—(Special)—San Francisco stores will be open today as a result of the failure of the strike committee of the labor unions to come to any understanding with the strike committee of the merchants. The nonunion men of the union stores are to be used in filling the breach created by the strike of the union men.

ALIEN SAILORS ARE BANNED

Government Will Not Allow Them to Work on Ships

HASTINGS, June 3—(Special)—The United States government will not allow alien seamen to work on ships under the authority of the American state and registry. This is the result of the decision of the American labor commission that the alien seamen are not entitled to the privileges of the American seamen. The government will not permit the alien seamen to work on ships under the authority of the American state and registry. This is the result of the decision of the American labor commission that the alien seamen are not entitled to the privileges of the American seamen.
