Salt Lake Gets Game in Extra Inning When Shinn Scores on Sacfice Fly of Murphy to Nixon. Speas Gains Glory.

-Portland 3, Salt Lake 4 (10 Francisco-Onkland 1-3, Los Angeles 5-1. At Los Angeles-Vernon 4-5, San Fran-cisco 1-6.

What proved to be one of the mos exciting games played on the Vaughnstreet grounds this season saw the Portland Beavers lose to Salt Lake yesterday afternoon in 10 innings by a score of 4 to 3. It was one of those hair-raising affairs with the hatel opposition winning in the final frame after Billy Speas had covered himself with glory in the eighth by sending Fisher home with the tying run with a beautiful two-ply swat which cut the third hassock square in two. The result enabled Salt Lake to even up the series, each nine winning three con-

Although there were two games scheduled to be on the bill of fare, only the first one was played. It was staged in a continual downpour and every pastimer who participated in the struggle went to the shower bath drenched to the skin. Umpire Doyle used good judgment in calling the second affair off because of the sloppy condition of the park.

Saints Use Three.

Southpaw Paul Fittery, Billy Piercey and Long Tom Hughes for the visitors opposed Herb Kelly for the Mackmen.

A home-run by Bunny Brief into the left center field bleachers drew first blood for the Bees in the fourth canto. McCredle's crew came right back in its haif of this inning and took the lead, scoring a brace of tallies. Nixon's double, which sizzled on its way and bounced against the right field fence; Stumpf's sacrifice and Jack Roche's single across the keystone chased the first bell-ringer across. Rodgers' scratch hit to Murphy, Ward's out at first and Speas' first pinch hit of the day gave Fortland the lead.

Bobby Vaughn's being caught flatfooted on Murphy's chop down the third base line, and a peculiarly hit ball by Frank Guigni paved the way for the visitors to cause the official scorer some more work in the seventh. The Bees scored twice in this round, taking the lead again and setting the stage for the aforementioned pinch hit of Willyum Speas in the sighth.

With the former Philly on first, Orr hit a grounder to Ward, who tossed to Rodgers too late for a force-out at second, and both runners were safe.

This was the situation when Pitcher Kelly walked over to Vaughn and advised him that if the next hitter bunted that he (Kelly) would field it and for Vaughn to cover third, perfecting a double piay.

On the first pitched ball, Guigni, who doesn't know the finer arts of laying the pellet down, hit one which was not high enough to be adjudged an infield fig. It was in Vaughn's territory, but as he had covered third when he saw Guigni setting himself for the bunt the ball dropped to the turf, Kelly making he attempt to get it.

Both baserunners had started and could not be caught, but as the ground was soft. Vaughn picked the sphere up and tossed out Guigni at first. Guigni gets credit for a sacrifice hit on the play. Vann walked, filling the bases.

"Truck" Hannah was sent in as a pinch hitter for Piercey, who relieved first or hit or for Piercey, who relieved first or hit or for Piercey, who relieved for the play of t stop shot one into the left orchard, scoring Murphy and Orr. Manager Walter Henry McCredie, of the Portland baseball club, was a happy individual last night when the Salt Lake team departed for Los Angeles. The Bees brought a bunch of misfortune on their visit here, and taking everything into consideration, the Mackmen were lucky to get an even break in the series just closed.

Three cylinders in the Portland machine misfired last week. On Wednesday Denny Wille, star center fielder and a lad hitting at a .325 clip, turned his ankle going into second base. The same day "Rip" Hagerman, lengthy filinger, developed a sore arm, and to cap the climax, on Saturday Bunny Brief nearly tore the heel off of Lou Guisto. ST. same day "Rip" Hagerman, lengthy flinger, developed a sore arm, and to cap the climax, on Saturday Bunny Brief nearly tore the heel off of Lou Guisto.

Every dark cloud has a silver lining, it is said, and Boss Waiter of the locals is not discouraged.

"What the Portland club needs more than all," said Waiter McCredie last night, "is another reliable pitcher. I don't care if he is right or left handed. With one more good flinger, I'll start a drive that will soon put us on top of the percentage column.

"Wille will be back in centerfield Tuesday and Doc Clough says that Louis Guisto will be ready Wednesday. The forced rest should do them both good. Hagerman's arm should round in shape by the end of the week.

"We have heard nothing definite from Cleveland relative to the coming of Willie Mitchell, the veteran southpaw. He would surely round out our staff. I don't think I am going too far when I say that we will win the pennant with one more pitcher. The team will be one of the best Portland ever had as soon as those now on the sick list recover. The two accidents of the week and Hagerman's arm going wrong, with Ward afready on the bunk knocked the tar out of us. At that we would have won the series had Vaughn not pulled a couple of misplays yesterday," concluded the Beaver chieftain.

defeating Elmer Griffin, of San Francisco, in straight sets, 5-4, \$-6, 6-1.

Griffin's clever playing and wonderful court covering rendered the first two sets interesting, but Roberts' cannonball service and powerful drives enabled him always to dominate the situation, and in the closing set Griffin, worn with his early efforts, completely crumpled up.

In addition to winning the championship Roberts earned the privilege of spoing to New York to compete in the junior championships, August 25, at Forest Hills, Roberts is 19 years old, a student at the Lowell High School in San Francisco, and a member of an athletic family, his father having been prominent in Wales as a rugby football player.

Cubs Lose, 20-3, to Wilsonville and Big Team Beats Lents, 12-6.

OSWEGO, Or., June 25.—(Special.)—

The Oswego baseball teams broke even in today's play. The Cubs received a 20-to-3 lacing at the hands of the Wilsonville, while the big team of Oswego, handed the Lents Grays, of Portland, a 12-to-6 defeat.

Rain prevented fast play, but the gature of the game was a home-run drive with two on in the fifth by Short-stop Couglin, of the Oswego aggregation. Manager Cook, of the Cubs, took his team to Wilsonville, and through some misunderstanding the Columbia Park Juniors, of Portland, had planned playing the Cubs here.

At the solicitation of Cecil Bauer, president of the Tualatin Country Club, Chandler Egan visited the new club 12 miles south of the city on Tuesday last. The fairways and greens at Tualatin are in wonderful condition for a two years' growth. The club has purchased another 50 or 65 acres to the west of the present nine boles, and Mr. Egan was out giving the Tualatin officials a few tips on how to lay out the other nine so that it will start and finish near the clubhouse. Ten or 15 acres of the new parcel is already finish near the clubhouse. Ten or 15 acres of the new parcel is already

There has been some agitation on the part of the better players for one hole across the Tualatin river, which winds through the property. It would require a shot of 160 to 180 yards, however, and as this is a rather stiff hazard for the women and the mediocre player, it is not likely the plan will be adopted.
