

## PATRIOTIC COUNCIL TO BE ORGANIZED

State-Wide Movement for Relief of Dependents of Soldiers Is Launched.

### RESPONSIBLE HEAD IS AIM

D. A. R., Chamber of Commerce and Other Bodies Co-operate in Relief Work—Committee on Organization Named.

While definite plans were being effected yesterday for the organization of a Patriotic Council to head the state-wide movement for the relief of dependents of soldiers who have been called to the front, the daughters of the American Revolution, who already have launched their work, made a substantial beginning at their headquarters at 616 Journal building.

Pledges and cash amounting to \$150 already have come in and there are indications of larger contributions soon. One man wrote pledging to donate \$100 a month to the fund, provided another citizen of Portland will do the same.

Meanwhile a meeting of the joint committee composed of representatives from the D. A. R., Chamber of Commerce and other organizations of the city was held at the Chamber of Commerce and arrangements made for the organization of the Patriotic Council of Oregon, which will act as the head of the movement for the entire state.

**Abuses Already Are Noted.**  
It was pointed out that there is immediate need of organization and coordination of the various elements at work, and to forestall abuses that may arise. It was reported that unauthorized solicitors have been at work already, and have been soliciting funds extensively for the relief of soldiers' families.

The purpose is to get a central body which will be sufficiently responsible and whose endorsement will serve as a protection for the public against the activity of unauthorized solicitors.

C. F. Berg, E. L. Thompson and Mrs. C. F. Jackson were appointed on a committee to draw up plans for permanent organization of the Patriotic Council. They will meet probably today and draw up their plans and will call a meeting of the general joint committee at once to ratify them, so that the organization may be perfected and made operative without delay.

Members of the joint committee present at the meeting yesterday were: Nelson G. Pike, Colonel H. C. Cabell, W. C. Alvord, Lee M. Clark, George E. Hall, F. F. Peck, Mrs. J. B. Montgomery, Mrs. C. S. Jackson and Mrs. Isaac Lee Patterson.

**Battery A Ball Indorsed.**  
The committee indorsed the plan of the veterans of Battery A to hold a benefit ball on July 10, and will assist in the sale of the tickets and the advertisement of the ball. The funds from the ball will be turned into the relief fund.

The MacDowell Club, through Mrs. Thomas Burke, has offered to give a benefit concert for the relief fund, provided the sale of the tickets will be taken up by the daughters of the American Revolution.

The making of kits and comfort bags for the soldiers has gone on rapidly in the past two days. At the sewing party at the home of Mrs. J. V. Beach Monday 10 women participated, and 1000 comfort kits were made. Various other sewing parties are to be held, and all who are interested are urged to call Mrs. Beach at Main 1111 for full information. The meetings are open to all women who are interested, whether they are members of the D. A. R. or not.

**List of Donors Given.**  
The report from headquarters yesterday showed contributions and pledges sent in by the following:

Misses Allen, Mrs. D. K. Butler, Miss Phoebe C. Breyman, Miss Floy Breyman, Miss Edna Breyman, E. L. Bryans, Mrs. Carrie R. Beaumont, Mrs. M. Butler, H. Bennett, Sanford Brunt, Walter Baker, J. A. Clemons, R. C. Conley, C. Chapman, Henrietta Coleman, J. W. Day, Harry Donough, Phil Easterday, M. C. George, G. A. Gilbert, John B. Gentry, Mrs. E. C. Gentry, George Gentry, Mrs. S. H. Gruber, P. E. Green, C. W. Huntington, Frances Harrah, Mrs. C. S. Jackson, Mrs. Clarence Jacobson, E. D. Kingsley, J. A. Klein, J. H. Klein, Helen C. Ladd, Mrs. D. A. McIntyre, Mrs. C. Lewis Mead, Mrs. J. B. Montgomery, Mrs. William McKendry, D. G. McPherson, Mrs. W. E. Newsome, Mr. and Mrs. H. S. Newsome, Mrs. Isaac Lee Patterson, Griff Ring, Albany, Mrs. C. P. Read, Mrs. Walter V. Smith, E. A. Schaefer, D. H. Smith, Robert B. Sinnet, H. Sinheimer, R. S. Searle, Henry Sprague, R. D. Sprague, L. N. Tennant, Winthrop Terry, Lewis Ulrich of Jacksonville, Oswald West, H. G. Walling and Mrs. May B. Wilkins.

**BRIDGE LOSS IS NEAR \$1500**  
Concrete Walls of Oregon Approach Are Damaged.

Further undermining of a section of the fill and concrete work of the approach to the interstate bridge on the Columbia River slough yesterday threatened the complete destruction of the sand embankments, covered with four-inch concrete, on the north and south sides of the slough. The damage may reach \$1500.

The approach is not threatened by the washing away of this section of the fill, for the concrete abutments and two heavy piers of the slough crossing are not the least injured. About 1000 yards of sand and earth have been washed away at this point. The bottom of the cement covers of the fill here had not yet been protected by rocks as planned, and the flood waters found it an easy matter to undermine them.

The damaged work slopes up against the abutments on which the span across the slough is to be placed. It is probably 120 feet wide at the base of the fill. Both walls will have to be replaced.

Engineer Cortelyou reported yesterday that the damage would be repaired as soon as the high water recedes. At present it would be impossible to repair the work, which was the product of the Tacoma Dredging Company.

The high water is not hindering the work on the interstate bridge, it is asserted, the construction work goes ahead steadily. The piers have been in place since April 30 and this is the only part of the work that would have been seriously interfered with by the flood waters. It is hoped that the re-

maining spans can be placed in position by the middle of August.

**NEW REGIMENT LIKELY**  
CALL ON OREGON BY WAR DEPARTMENT INDICATED.

Mustering-in Officer Ordered to Inspect for Recognition Any Additional Units Offered.

CAMP WITHYCOMBE, Clackamas, Or., June 27.—(Special.)—With the departure of the Third Infantry for the border, Oregon probably will be called on for more troops. This was indicated in a telegram received tonight by Captain Kenneth P. Williams, Federal mustering officer from the War Department. The telegram reads as follows:

"You will without further orders inspect for recognition any additional units which are presented by the states as part of their quota, assigned in the plan for local divisions, circular 15, War Department, Division of Military Affairs, 1914."

"Results of inspection should be communicated to War Department for recognition before mustering in."

Oregon's full quota of troops is understood to include another regiment of infantry.

Apparently it is the intention of the War Department to accept at once additional troop units within the quota provided by law.

**PEACE MEETING MOVED**  
DAVID STARR JORDAN LEAVES FOR ALBUQUERQUE.

Intervention as Revenge Opposed, but Approved if on Grounds De Facto Government Has Failed.

EL PASO, Tex., June 27.—David Starr Jordan, delegate by the American Union Against Militarism to attempt to maintain peace between the United States and Mexico, left tonight for Albuquerque, N. M., to which place he announced the peace conference had been transferred. Before leaving he reiterated his statement that his organization was not against the principle of intervention, but expressed the hope that should intervention come it will not be through motives of revenge for the murder of American citizens.

"I believe intervention by the United States in Mexico is coming," he said. "I don't see how it may be averted, but I hope that it will be on the humanitarian ground that the acts of the de facto government have demonstrated that it is not a responsible government."

**S. H. Pierce Acquiring Sobriquet of "Pa."**  
Deputy District Attorney Official Guardian of 19 Doughty Young Warriors.

"PA PIERCE" threatens to become the sobriquet of Deputy District Attorney Samuel H. Pierce about the District Attorney's office, because of the numerous young men who look up to him as their guardian. He has become the official guardian of 19 young men enlisted in the Army or Navy of the United States.

Fatherless boys under the age of 21 must have the consent of a guardian to enlist, and here is where Deputy Pierce comes in. He is officially appointed by the County Court.

That Multnomah County is for preparedness is shown by the cheerful willingness of the County Commissioners to advance the filing fees of \$8.50 for boys desiring to join the colors.

Letters from numbers who have enlisted, telling of their early military experiences, are received often by Mr. Pierce, who refers to the boys affectionately as "my family." Of course, he is a father and the head of a real family, but that is neither here nor there.

The boys for whom Mr. Pierce has been named guardian are Harold L. Dixon, Howard Manning, Bruce Osier, Carl Stanley, James E. Richards, Joseph Parent, Grant D. McFarland, William F. Rasmussen, John Paul, William John Kay, William I. Humphrey, Arthur A. Courtney, George E. Harding, Harry Pierce, William Moore, Ralph Krivak, Louis R. Lester, Victor Jackson and Albert G. Ferguson. They are nearly all American-born.

**Trinkets Stolen From Tenthouse.**  
Burglars last night entered a tenthouse occupied by William D. Evans, Jr., at 135 Verda Vista Terrace, and stolen a bracelet, a locket and chain and letters. The house was entered by breaking the lock on the door.

An American soon to sail for London will while asleep a specially made rubber suit with a cork lining. He takes no chances. There are several pounds of lead in the feet of the suit to keep the wearer's body in an upright position.

## 7 WAR BRIDES N DAY

Triple Wedding Performed at Battery A Camp.

### ENTIRE COMMAND ATTENDS

Chaplain Gilbert Officiates, 12 Wedding Cakes Are Cut and Troops Give Reception—Bridegrooms Go to War Today.

CAMP WITHYCOMBE, Or., June 27.—(Special.)—This day at camp will long be remembered by 14 young folks, for whom romance is not dead.

Battery A, field artillery, leaves camp early tomorrow for the Mexican border. Just after the bugles had sounded retreat three soldiers of the battery and their sweethearts were married in a triple wedding ceremony performed by Chaplain W. S. Gilbert.

The young men and their brides were Private Herbert E. Scott and Miss Vivian G. Loveland; Private Garfield E. Dutton and Miss Ella Belle Smith; and Corporal William F. Feustel and Miss Emma Streib, all of Portland.

**Entire Battery Attends.**  
The ceremony took place in the big mess tent at the head of Battery A street. It was attended by the entire battery, headed by Captain Charles W. Helme and by many soldiers of other commands. Following the ceremony the artillerymen held an impromptu reception in honor of the new war bridegrooms and war brides.

But this wasn't all the romance this day had for the troops in camp. Maximus George Huguennin, corporal in Company D, of Portland, and Miss Juanita Brille were married late in the afternoon at Portland.

**12 Wedding Cakes Cut.**  
The young couple had planned to be married at the head of the company street by Bishop St. Martin, of the Church of Christ, Portland, who is a private in the company. However, circumstances made this impossible.

Mr. and Mrs. Huguennin returned with 12 wedding cakes, which Bishop St. Martin cut with a saber he captured in the battle at Elcaney, in the Spanish War.

Another of the war brides was Miss Cecelia J. Schauble, of Oregon City, who was married to Joseph Nemeo, Jr., Company G.

Ross H. Linville, a member of a Portland company, married Miss Alma Faine Hall.

Another "war bride" was added to Portland's list yesterday when George C. Olson, a member of the Hospital Corps of the Third Oregon, and Adelaide Mabel Philo, 3549 Sixth street, Southeast, were married. The license was issued yesterday morning and the ceremony took place in the afternoon.

**COMPANY D MEMBER WEDDED**  
Maxim Huguennin Marries Juanita Brille, Following Romance.

At 7 o'clock last night in Judge W. N. Gaten's court, Juanita Brille and Maxim Huguennin were married. Today Mr. Huguennin, who is a member of Company D, Oregon National Guard, will leave for the Mexican border and the wedding last night sealed a romance which has been of long duration, according to friends of the couple.

The couple came into the Courthouse after hours and by special arrangement obtained their marriage license. Mr. Huguennin explained he was a member of the militia about to leave for the border.

Mr. and Mrs. Charles H. Moll were the witnesses and Bailiff Fisher, of Judge Gaten's court was one of "those present."

**DAILY METEOROLOGICAL REPORT.**  
PORTLAND, June 27.—Maximum temperature, 81 degrees; minimum temperature, 51 degrees. River reading, 8 A. M., 21.8 feet. 21 hours, 10.21 feet. Total rainfall (3 P. M. to 3 P. M.), 20 inches. Total rainfall since September 1, 14.82 inches. Normal rainfall since September 1, 45.82 inches. Excess of rainfall since September 1, 10.15 inches. Total sunshine, 15 minutes. Barometer (reduced to sea level) 30.00. 5 P. M., 29.96 inches. Relative humidity at noon, 77 per cent. River, 5 P. M., 21.8 feet.

# Save 25% on Gasolene, with Silvertown Cord Tires

**M**OST flexible of all Tires!  
Least Traction-Wave resistance!  
Most Resilience!

Because—  
—There are only TWO LAYERS of Cords in ANY SIZE of Silvertown Tire.

This, as against 5 to 7 layers in all Fabric Tires, and all Thread (so-called "Cord") Tires.

It is Friction and Heat, (between layers) that WEARS OUT Tires internally.

Therefore, when you reduce that Friction and Heat to but ONE Friction-Centre (between 2 layers only) instead of FOUR to SIX Friction-Centres (between 5 to 7 layers) you reduce these Tire-destroying influences to about ONE-FOURTH, or ONE-SIXTH.

**T**HIS TWO-LAYER feature is feasible, however, in NO OTHER Tires than those of the strongly-patented SILVERTOWN Cord construction,—in which each single Cord is STOUT enough, and STRONG enough, to lift a Man's weight.

Because—  
No other Tire construction would "stand up" under the tremendous strains of Load and Speed,—with LESS than the usual 5 to 7 layers of Fabric, or Thread.

The extreme RESILIENCE, and FLEXIBILITY, which results from the use of TWO LAYERS of giant CORDS only, gives you,—in Silvertown Tires,—

—30% further "Coasting" capacity!  
—25% more Mileage, per Gallon of Gasolene!  
—17% more Speed, from same Car.  
—50% more Comfort, in riding.

as actual Test will prove.  
Silvertowns are easily, and inexpensively, repaired.

Made in Straight-side, as well as "Clincher." And, no other Tires,—of any kind, average "LARGER."

**ARTILLERY MUSTERED IN**  
Eighth Company From Fort Stevens Has 59 Members and Band.

The Eighth Company of the Coast Artillery Corps, Oregon National Guard, took the oath which mustered them into the Federal service at the Armory last night. The company numbers 59 artillerymen and a band of 25 members. Several were absent.

The company has been stationed at Fort Stevens, at the mouth of the Columbia River, under the temporary command of Second Lieutenant V. N. Walton, who administered the oaths to the men last night, Captain F. W. Wright and First Lieutenant Lundgren are absent on leave.

The Federalization ceremony was preceded by company muster and inspection.

**HIGHWAY WILL BE VIEWED**  
Electrical Contractors of State to Meet in Convention.

Electrical contractors of the state of Oregon will hold their annual convention tonight at Mrs. Henderson's chateau on the Columbia Highway. About 70 delegates will participate, between 25 and 30 of them from cities outside of Portland. They will assemble at Sixth and Pine at 12:15 P. M. and take automobiles for a trip over the highway. Dinner will be in the evening at the chateau and the business session of the convention will be held after dinner.

**DEMOCRATS PICK ORATORS**  
M. A. Miller to Be Principal Speaker at Woodrow Wilson League.

Milton A. Miller will be the principal speaker at the meeting of the Woodrow Wilson League that will be held in the Central Library hall tonight at 8 o'clock. Mr. Miller will discuss the Democratic National platform.

Other speakers probably will be Shirley D. Parker and Judge T. H.

Officers of the organization are second vice-president: J. H. Sroust, W. O. Fouch, president: F. C. Green, third vice-president: J. W. Oberst, first vice-president: J. R. Tomlinson, der, secretary-treasurer.

Miss Anna Allen and Miss Bernard Harry will give musical numbers. Dr. C. J. Smith will preside.

**FOURTH OF JULY**  
Round-trip Tickets via the O-W-R.R. & N.

Union Pacific System will be sold July 1, 2, 3 and 4 with return limit of July 5 at excursion fares to points within 200 miles.
