—Apparel Shop, Fourth Floor.

THIRD OF FUND IS IN

Armenian Relief Committee Is Urging Early Completion.

DELAY MEANS MORE DEAD

Of Oregon's Share, Amounting to \$15,000. Nearly \$5000 Contributed—Work to Be Continued Until All is Raised.

Nearly one-third of Oregon's share of the fund for the relief of the Armenian and Syrian sufferers in Turkey had been raised yesterday, with new contributions aggregating \$428, bringing the total to \$4960.25. The committee is calling on the people of the state to make haste and complete the fund, for every day of delay means the death of scores of people. The Armenian and Syrian Relief Committee of the United States, which has headquarters in New York and with which the Portland committee is affiliated, raised up to March 30 one-tenth of the fund needed to rehabilitate the Armenian race, of \$500,000. It is estimated that Oregon's share of the whole sum needed is \$15,000, and of that, one-third has been raised since the campaign began late in May by the local committee. The story of the Armenian massacres has been told so often that nearly everybody is familiar with it, and so has the story of the terrible conditions that have followed the massacre and the destitute and exiled women and children dying by thousands. But so far from the scene of the tragedy it is hard to make people realize what it means for half a race to be exterminated, and the remaining

half to be steadily diminishing under the scourge of famine and sickness. It is to save this remnant that the Armenian relief fund is being raised. Contributions should be sent to Ben Selling, treasurer, and the committee will continue its work until Oregon people have done their share of the duty of America to Armenia.

Contributions received up to date are reported from Mr. Selling as follows:

General McIntyre Renominated.
WASHINGTON, July 14.—President Wilson nominated today Brigadier-General Frank McIntyre to succeed himself as chief of the War Department's Bureau of Insular Affairs.

LEG IS BADLY CRUSHED

AMPUTATION THOUGHT NECESSARY TO SAVE GIRL'S LIFE.

Louise LaPointe, One of Victims in Coaster Accident, Reported to Be in Serious Condition.
That the amputation of her right leg may be necessary to save the life of Louise LaPointe, 8-year-old daughter of Mr. and Mrs. E. R. LaPointe, who was injured in a coaster and truck collision in Laurelhurst on Thursday, was the belief at Good Samaritan Hospital yesterday. The limb was terribly crushed above the knee.
Norman LaTourneau, the 7-year-old companion of Louise and George LaPointe, when the latter was almost instantly killed, has been removed from the hospital to his home at 1186 Has-salo street. Two deep cuts on his forehead and a laceration of the upper lip were his injuries. It was necessary to take four stitches to close the latter wound.
In response to a telegram appraising him of the tragedy, Mr. LaPointe arrived from Mount Hood on Thursday night. He is employed as a civil engineer. Both Mr. and Mrs. LaPointe are at the bedside of their little daughter.
The body of George LaPointe has been removed from the morgue to Finley's undertaking chapel, from which the funeral will be held when an aunt arrives from Focstello, Idaho.
That the view of Hazelton avenue from the coasting hill used by the children is entirely obscured by a high bank, is the finding of Coroner Dammasch, who made an investigation yesterday. Coroner Dammasch strongly emphasizes the danger of coasting on the city streets, as shown in the tragic accident of Thursday, and holds that the driver of the truck was in no way responsible. No inquest will be held.

PUPILS TO HEAR TALKS

Industrial Clubs of Four Districts to Meet at Milwaukie.

The school children of Oak Grove, Harmony, Ardenwald and Milwaukie will gather at the Milwaukie Schoolhouse Tuesday at 2 o'clock, at which time the industrial clubs of these schools will hold a joint meeting.
A number of addresses will be made. Mrs. Helen Cowgill, of the Oregon Agricultural College, will talk to the girls on domestic science and art. Professor Allen and Judge Grant E. Dimick will speak on "Hog Culture."
County School Superintendent Calavan, H. C. Seymour and N. C. Maris, the latter in charge of the industrial club movement in the state, will attend.

3 ON MOTOR TRUCK HURT

Machine Runs Against Woodpile When Steering Gear Breaks.

When the steering gear of their truck broke, three employees of the Oregon Box & Manufacturing Company were thrown to the street yesterday noon in a collision with a wood pile. The accident occurred at 642 Hood street. J. S. Cheek, of the Leeds Apartments, suffered slight injuries; C. Sewerdtman, of Hillside, received a deep gash in one elbow, and John Jرابon, of 78 Tacoma avenue, was severely bruised and rendered unconscious.
The men were taken to Good Samaritan Hospital, where their injuries were pronounced not serious.

Forest Grove to Sue.

FOREST GROVE, Or., July 14.—(Special.)—Some of the paving put in here a few years ago by the Linden-Kibby Construction Company has proved de-

Farmers to Hear Dairy Talks.

SANDY, Or., July 14.—(Special.)—It was announced here today that the Mount Hood Creamery Company will

hold a picnic in Meints' grove July 29, for the improvement of the dairy business in the Sandy Valley. The officers of the company will make their semi-annual reports and several experts will talk on the dairying question. All farmers and others interested will be invited to bring basket dinners and spend the day.
There is a real clubhouse in a treeless part of Montreal, 40 miles from the nearest railroad.
