

JUDGE GANTENBEIN WORKS FOR CAMP

Volunteers and Other Civilians Urged to Enroll for Training Course.

80 PORTLANDERS ENLIST

Five More Business Men Sign Up to Go to American Lake—Jurist's Action and Appeal Stimulate Recruiting.

Five more Portland business men signed up as camp headquarters, 247 Washington street, yesterday, to attend the American Lake military training camp, to be held from August 14 to September 3, inclusive, with regular Army officers in charge.

The five recruits were Oscar Beck, Elton Watkins, H. W. Hopkins, DeLaf Eames and Victor A. Johnson.

They bring the list of recruits signed to attend from Portland to 80. Of these, nearly 40 are members of the Multnomah Amateur Athletic Club, who are taking a deep interest in the camp.

The action of Colonel C. U. Gantenbein and Lieutenant-Colonel W. E. Finzer, of Judge Gantenbein's proposed volunteer regiment, formed for possible service in Mexico, in enlisting for the training camp as private soldiers, has considerably stimulated recruiting.

Commanders Called Upon. In a letter received yesterday from Colonel Gantenbein by company and separate platoon commanders of his volunteer regiment, he said in part: "Enclosed you will find literature relative to the military training camp to be conducted at American Lake, near Tacoma, Wash., August 14 to September 3, inclusive. General Finzer, who will be as Lieutenant-Colonel of the tentative volunteer regiment, and myself, have both enlisted for this training as high privates in the rear rank."

"We have done this for three reasons: First, for the benefit of physical training; second, in order to learn the Army routine from the standpoint of the enlisted men, which, of course, will be very beneficial if we ever have occasion to again command troops; and third, in order to induce you and other prospective officers and non-commissioned officers of the tentative volunteer regiment to take advantage of this opportunity afforded by the Government."

"I trust that you will make every effort to take the same course, for the reasons indicated above, and will induce as many as possible of your prospective officers and non-commissioned officers and friends who are interested in military matters to take the same course."

Recruiting Closes in Week. Only a week remains in which to enlist for the American Lake camp, as no more recruits will be received after the night of August 9.

Following is a list of those who already have signed up: Lyle Ketchum, of Centralia; Eugene H. Lester, Spencer Biddle, Arthur M. Churchill, Vernon Chubb, E. L. Witte, H. Mortimer Dukes, C. R. Simpson, Mark Simpson, of Roseburg; J. R. Westervelt, Jr., Walter P. Stewart, E. Roscoe Pershing, Charles Stout, E. L. Shaffer, George J. Harry, Jr., W. H. Gordon, of Corvallis; William F. SEWER IS TO BE FILLED

Abandoned Trunk Line Under Alder Street Not Needed.

Filling of the abandoned trunk sewer in East Alder street, from East Second street to the river, is to be undertaken as soon as the river gets a few feet lower. City Engineer Dater not special consent from the Council yesterday to authorize the starting of the work as soon as the river reaches the proper stage.

It is planned to pave the street before the filling of the new sewer is entirely settled. It is deemed best to do this and make some repairs later than to let the street go unpaved for another year or so.

KIDDIES WILL DANCE

Children's Kirmess to Be Held in October.

SPECTACLES IN PROSPECT

Woman's Co-operative Committee Lays Plans for Movement Intended to Encourage Esthetics as Well as Better Films.

A mass meeting of Portland children was held at Library Hall yesterday afternoon to lay plans for a children's kirmess, which will be given here about October 1. The work will be done under the auspices of the woman's co-operative committee, headed by Mrs. G. J. Frankel, and besides engaging Portland children in an artistic and esthetic movement with which they will be able to help by contributing their services, will also further the movement for better children's films. The coming spectacle is to be performed in public and also recorded by cinematograph. Films will be shown in various cities in the United States.

The performance contemplated for the opening of the movement will be called Le Spectre de la Papillon, in which about 200 children will participate. The theme is based upon fairy stories, and its development is intended to show the influence of hope, represented by the butterfly, as it enters into various phases of life. The training of the children will be carried on by Hortense L. Williams, who is the originator of the spectacle.

All of the parts are to be played by children. The coaching will take place in the home of one of the co-operative committee, which has been donated for this purpose. The work planned for the year includes 10 such performances for which the children will receive the same training.

OFFICIAL NOTICE COMES

RALPH E. WILLIAMS LAYS PLANS FOR RECEPTION.

Mr. and Mrs. Hughes to Be Guests of Portland With Representative Rodney Forrester.

Official notification that Charles Evans Hughes, Republican nominee for President, will be in Portland August 16 was received yesterday by Ralph E. Williams, Republican National Committeeman from Oregon, in a telegram from William R. Wilson, chairman of the Republican National Committee.

"Governor and Mrs. Hughes," said the message, "with party of 25, including newspapermen, will arrive in Portland Wednesday, August 16, by Great Northern Railway, leaving Portland Thursday, August 17, for Eastern Pacific, at 1:30 A. M. Letter with details following. Representative Rodney will see you within next few days to make arrangements."

Mr. Williams telegraphed last night to ask the time scheduled for the arrival of the Hughes' train on August 8, so that arrangements may be made here for a fitting reception to Mr. and Mrs. Hughes. Mr. Hughes is to make a speech here the night of the same day.

Roy D. Smith, State Committeeman from Hood River County, a visitor at Republican headquarters in the Selling building, declared that Republicans of his county already are active, and that the people generally are disgusted with Democratic inefficiency. Another visitor, W. C. Miller, of Enterprise, Ore., who is attending the Knights of Pythias convention.

He said that Republicans of his county are planning a big political meeting at the time of the Wallowa County Fair the week of September 25. Miss Ruby Ann Lovance, dramatic soprano, of Monmouth, and Miss Helen Jane Ferguson, pianist, of Amity, assisted in the recital.

Miss White gave a varied programme which met the different tastes and showed her versatility to good advantage. Her dramatic powers were strongest in the "Littlilow Rebel," Edward Peale, and "Within the Law," by Bayard Veiller.

Miss White is the daughter of Mr. and Mrs. T. A. White, of this city.

BATTERY A NOTES

CALEXICO, Cal., July 30.—(Special.)

This morning the mounted men, accompanied by several officers, started out for a ride of a few miles immediately after the work at stable call. The horses are only lightly exercised until they become acclimated. Being Sunday, there is no drill, but the men are unable to leave camp because of the attention required by the animals during the day.

Friday night the soldiers who were permitted to go downtown were entertained at a social at the only church in Calexico. Although there were only

about 20 girls present, some 100 boys all enjoyed themselves as they had not done for some time.

The call of the diamond has been heard, and now in the cool of the evening several of the more ardent fans may be seen using a vacant field to the left of quarters.

The horses are rapidly becoming accustomed to their new surroundings. Many of them already have been made the pets of their riders.

The great number of big yellow jackets about camp has caused an unusual amount of annoyance.

The pianist at last has discovered that there is such a place as a military camp at Calexico, but his visits are few and far between.

Some of the mules that were turned over to the Washington users broke loose the other night and returned to their old places along the battery picket line.

As yet there have been no church services here, but the lads content themselves with the music of the Washington band.

The sleepless nights are here. During the latter part of July and the first of August it becomes so hot that the blankets cling to the sleepers.

Water battles help relieve the early part of the night, and not a few of the bunk and prankplayers are soaked before the last call to retire is sounded.

A one-ring Mexican circus found its way into town last week, and, although "broke," the soldiers were allowed to see the performance through the courtesy of the entertainers.

A member of the battery reports a new freak of fortune. He bought a Mexican dollar currency bill at a store along the border for 5 cents. Sending it home, he says that a little nephew cashed it at a Portland bank for 48 cents. Now he is thinking of going into the business.

'GRABATARIA' IS LATEST

EAST SIDE GROCERY IS RUN ON CAFETERIA SYSTEM.

Customer Selects Own Purchases and Pays on Way Out—No Clerks, No Deliveries and No Credit.

"Grabataria" is a new name in the business world, at least in Portland, and a genuine grabataria was launched on the East Side yesterday. The name is an adoption of portions of cafeteria where, without a waiter one selects his own dishes and pays for what he takes.

The great saving attributed to the grabataria may have its attractions. Some seem to think that it will revolutionize the grocery business. The experiment will be watched with great interest.
