MARSHFIELD WINS PYTHIANS FOR 1917

Coos City Selected Despite Opposition of Eastern Oregon Delegates.

SESSIONS WILL END TODAY

Proposal to Eliminate Per Diem Allowance for Grand Lodge Representative Is Voted Down After Spirited Debate.

Marshfield won its fight for the 1917 convention of the Oregon Pythian grand lodge session late yesterday afternoon.

In fact Marshfield had no active opposition, but some of the delegates objected to going to the Coos Bay city on account of the expense involved.

After Marshfield had been placed in nomination and it began to appear that the selection would be made unanimous, Eastern Oregon members proposed that the 1917 meeting be held in Portland. This met with vigorous opposition from the Coos Bay crowd, supported by many Willamette Valley representatives.

The ballot, however, showed an overwhelming strength for Marshfield, and the choice then was made unanimous.

Royal Entertainment Promised.

After Marshfield had been selected, a proposal was made to eliminate the per diem allowances made for Grand Lodge members. This proposal was defeated after a spirited debate.

It was pointed out that on account of the distance to Marshfield the usual mileage allowance would entail an additional expense of \$2500 on the Grand Lodge. This could be partially compensated, it was pointed out, by cutting out the per diem of \$2 for each accredited delegate. This plan, however, was voted down by a decisive majority.

The Coos Bay delegation promised royal entertainment for the Knights next year. It is the custom for the Pythian Sisters to meet in the same city with the Knights, so their convention probably will be held at Marshfield at the same time.

The resignation of J. W. Jett, of Baker, as a member of the Grand Lodge board of trustees, was accepted yesterday afternoon. J. H. Gwin, of Pendleton, was elected in his place. Mr. Jett retired on account of ill health.

Officers to Be Installed Today.

The newly elected officers will be installed at a special meeting of the grand lodge this morning. It would have been possible to take final adjournment yesterday, but the convention was held over for another day so that some of the supreme lodge representatives could visit the grand lodge and talk to the members.

The final meeting will be held in Pythian Castle, Eleventh and Alder streets, at 10 o'clock this morning and will be open to all members of the Knights of Pythias whether they are members of the grand lodge or not. The ceremony of installation probably will be performed by one of the past supreme chancellors.

The grand lodge disposed of much routine business yesterday. The officers' reports showed material progress. Most of the delegates propose to remain in Portland after the convention adjourns this morning to assist in entertaining the visiting representatives to the supreme lodge.

THREE PLANS BROACHED

City Attorney Roche Suggests Proposals for Highway Parks.

Available means of shifting the ownership and operation of the parks along Columbia River Highway from the city to the county are outlined in a letter written for the City Council yesterday by City Attorney LaRoche.

He says the transfer may be brought about in any one of three ways. One is the procurement of consent of the donors of the property for the transfer; the second the passage by the Legislature of an act authorizing Multnomah County to operate parks, and the third an amendment to the city charter turning over the property to the county. Mr. LaRoche reports that S. Benson, one of the donors, favors the city retaining ownership of the parks and turning over the operation to the county.

WASHINGTON PYTHIANS COMPLETE IN ATHLETIC EVENTS.

Uniform Rank, in Annual Encampment at Vancouver, to Take Part in Drill in Portland Today.

VANCOUVER, Wash., Aug. 2.—(Special.)—Field sports, including an equipment race in which each man had to pick up his shirt, coat, hat, belt and saber at various intervals and properly dress himself while running; an Indian wrestling match, with one representative from each company; a 75-yard dash, with three men from each company; a standing broad jump, running jump, three-legged race, sack race, relay race, handprints and other events, marked the third day of the annual encampment of the uniform rank, Knights of Pythias, in this city today.

At 7 o'clock tonight the regiment assembled on the parade grounds in Vancouver Barracks for parade and review.

Regular camp routine, the election of a lieutenant-colonel for the Washington regiment and majors for the first and third battalions, and a number of exhibition drills by the crack companies will be held tomorrow morning on the grounds adjoining the camp in the City Park.

At 12:15 the regiment again will go to Portland, where four of the companies at least will participate in the drill competition for the \$500 prize. The companies entered so far in the

DUNLAP NOW IS PUZZLED

Translation of Article in Japanese Paper Sought by Inspector.

A Japanese electrician escaped arrest a few days ago on a charge of doing wiring without a permit by agreeing to have published in the Japanese newspaper a notice to the effect that no person may engage in the electric business without first obtaining a permit from the city. The agreement was made by the Japanese to Electrical Inspector Dunlap.

Yesterday Mr. Dunlap got a copy of a Japanese newspaper with a part of it marked in red and the words written after it: "Here is the promised article." body to translate it to see if the man really kept his promise.

Singer Entertains Aged.

Tom Dobson gave the residents of the Patton Home for the Aged a treat yesterday afternoon when he sang several of his own compositions and other solos, accompanying himself at the piano.

Children's songs, darkey songs and old-fashioned ballads, together with some of the new airs and snatches from grand opera, were given in rapid succession. Mr. Dobson was generous and his audience was appreciative.

Mrs. C. J. Allen had planned the programme. There are 84 inmates of the home, all of whom heard Mr. Dobson sing. Several of the board members of the association attended.

PARK CONCERTS URGED

APPEALS MADE TO CITY TO CONTINUE WEEKLY PROGRAMMES.

Appropriation of Funds to Provide Entertainments for Remainder of Summer Is Sought.

The decision as to whether or not Portland is to have any more music in the parks this Summer will be up eventually to the City Commissioners, and already innumerable letters are being sent by citizens urging them to make funds available for the continuation of the concerts of Conductor Campbell's band.

Commissioner George L. Baker did not return to Portland yesterday, but is expected in today, and will be waited upon immediately by representatives from some of the districts which are anxious for the continuance of the concerts.

In the meantime steps are being taken in Mount Tabor and other districts to call mass meetings to prepare formal resolutions urging the appropriation of sufficient funds to carry on the concerts until the logical close of the season in September.

In the final cutting that was made in the budget last Fall on the last day before it was adopted, both the park bands and the playgrounds suffered severely, and both are confronted now with the danger of having to close while the season is still young. Parent-teacher organizations and local development clubs are to be urged to participate in the campaign to secure proper action from the Commissioners.

TOURNAMENT TODAY BIG PYTHIAN EVENT

Uniformed Teams Will Compete in Drills at Multnomah Field—Free to Public.

RECEPTION ALSO PLANNED

Mrs. Brig S. Young to Be Honored by Oregon Women—Elections to Come Up—Supreme Lodge to Be Photographed.

Social activities will combine with military tournaments and business sessions to demand the attention of the visiting Pythians today.

The principal entertainment of the day, so far as the public is concerned, will be the competitive drill by the uniformed Pythian companies on Multnomah Field this afternoon. The contest will start at 2 o'clock.

The uniformed teams are trained in accordance with the United States Army tactics and some of them have attained a high degree of efficiency. While they have been encamped at Vancouver this week, some of the companies have been in daily practice. Competition will be keen. United States Army officers from Vancouver Barracks will be the judges and the public will be admitted free. The drills will take place in front of the grandstand.

At 4 o'clock this afternoon a formal reception will be tendered by the wives of prominent Oregon Pythians to Mrs. Brig S. Young, of Ada, O., wife of the supreme chancellor. Mrs. Willard L. Marka, of Albany, wife of the retiring grand chancellor of the Oregon domain, will be chairman of the entertainment and reception committee. The reception will take place in the roof garden of the Nortonia Hotel at Eleventh and Stark streets. A large company of prominent Pythian women, including many delegates to the convention of Pythian Sisters, will attend the function.

Grand Ball Big Event.

The principal social event of the week will be the grand ball at Cottle-Hon Hall. This will be a formal affair and will be attended by all the supreme lodge officers and delegates, the supreme temple officers and delegates and those members of their respective families who are accompanying them. A special orchestra has been engaged to furnish the music.

Both the supreme lodge and the supreme temple will conduct business meetings today. The election of officers has been made a special order of business for the knights' session this morning. It is probable that the balloting will consume a greater portion of the morning session, and may run well into the afternoon. It is proposed, however, to take a recess long enough to permit the delegates to attend the military drills on Multnomah Field and begin the afternoon meeting immediately after.

The Pythian Sisters likewise will hold morning and afternoon meetings. The sisters' convention hopes also to take up the election today.

The Oregon grand lodge will conclude its business today. Most of the delegates propose to remain in the city through the remainder of the week and assist in entertaining the supreme lodge visitors.

Sisters to Join Excursions.

The Pythian Sisters expect to finish their business at the Friday afternoon session. On Saturday they will join the special train parties to Astoria and Seaside, where visitors to both conventions will be entertained by the Clatsop County lodges.

Immediately after the supreme lodge session this morning, the members will assemble in front of the Masonic Temple on Yamhill street for the official photograph. This is a custom that is carried out at every supreme lodge meeting, and will be performed by a Portland photographer today.

Supreme Secretary Wheaton advises, however, that private photographers can "horn in" and take all the pictures for themselves, if they want.

None but supreme lodge members will be admitted into this particular group, and Mr. Wheaton is eager to have every eligible man on hand.

BUFFET BECOMES CHAMBER

Aberdeen Organization Takes Up Quarters in Hotel.

ABERDEEN, Wash., Aug. 2.—(Special.)—What was formerly a buffet of one of Aberdeen's leading hotels is to serve as the headquarters of the Aberdeen Chamber of Commerce and the back bar of rich mahogany is to be made into a beautiful display case to show the harbor country's vast resources. The commercial organization closes a deal today for space on the main floor of the Hotel Washington.

The leather-upholstered seats, which in the days of wet roads served for so many social and business tete-a-tetes, will be retained by the Chamber of Commerce and a door is to be cut in the partition leading to the billiard room, so as to give the quarters a clublike air.
