TROOP A IS INSPECTED

MEN MAKE BETTER SHOW MOUNTED THAN UNMOUNTED.

Camp Balboa, Though Never Intended as Permanent Camp, Makes Favorable Impression on Major.

BY WILL G. MAC RAE. CAMP BALBOA, San Diego, Aug. 17.—(Special.)—Major Frank W. Caldwell, U. S. A., detailed from the Inspector-General's department of the Western division, visited Troop A today. He plunged at once into an examination of troop accounts. This feature of his inspection drew his whole attention until noon time, and when the noon mess call sounded he closely examined the food as it was served.

Major Caldwell's visit to Camp Balboa caused hardly a ripple in the daily rounds. While Camp Balboa is not nearly as well suited for a military camp as Imperial Beach, in that it never was intended as a permanent camp, and the soldiers have not given as much time to perfecting their living quarters, yet the inspector has been favorably impressed.

Major Caldwell also held an inspection of the troop's rifles and pistols, with the men dismounted, and also saw them drill and do mounted outpost scouting drill. The mounted drill was executed better than the dismounted drill.

From Camp Balboa Major Caldwell will return to Imperial Beach, where he will resume his inspection of the Third Oregon Friday.

Musicians Orland S. Peabody, in private life an insurance man of Portland, was today appointed a Corporal.

Health Restored by Lydia E. Pinkham's Vegetable Compound.

Jamaica, N. Y.—"I suffered greatly with my head and with backache, was weak, dizzy, nervous, with hot flashes and felt very miserable, as I was irregular for two years. One day when I was feeling unusually bad my sister-in-law came in and said, 'I wish you would try Lydia E. Pinkham's Compound.' So I began taking it and I am now in good health and am cured. I took the Compound three times a day after meals, and on retiring at night. I always keep a bottle in the house." —Mrs. L. N. BURNHAM, 35 Globe Ave., Jamaica, N. Y.
