PITTSBURG, Aug. 23.—Pittsburg took four of the five games of the series from Philadelphia by winning a 16-inning contest here today by a score of 2 to 1. The visitors made their run in the fifth inning on hits by Killifer and Dugey and Rixey's sacrifice. Pittsburg tied the count in the ninth on a single by Carey, his steal of second and a wild pitch, and won out in the 16th inning on Hinchman's single, Johnston's sacrifice and McCarthy's single. TRIPS FOR BABY BEAVERS OFF

Team Not to Go to Klamath Falls or Enterprise for Series.

The trip scheduled for the Baby Beavers, champions of the Inter-City League, to Klamath Falls, Or., on Labor Day, apparently has fallen through. Secretary Wayne F. Lewis, of the Inter-City circuit, has not heard from the Klamath Falls people for some time. The journey to Enterprise, Or., also has fallen through. This jaunt was scheduled for the middle of next month.

Manager Clyde J. Rupert, of the Beavers, will take his team to Prineville, Or., for a series of three games during the twelfth annual Crook County Fair, September 28, 29 and 30. This series will decide the championship of Oregon. R. L. Schee, of the Prineville Commercial Club, closed to have the Portland boys visit Prineville.

CHANGES MADE IN BOUT CARD

Sailor McMinn, Instead of Sullivan, Will Meet Knowlton.

Because Frankie Sullivan refused to box Walter Knowlton at the Rose City Athletic Club next Tuesday night, Manager Fred T. Merrill has been caused to switch some of the other bouts to make the card well balanced. Instead of Sullivan, Sailor McMinn will oppose Walter Knowlton.

Jack Allen, who was to box McMinn, probably will meet Harry Groat, the old welterweight favorite who has just returned from a series of motorboat races in the East. Groat is one of the best pilots of motorboats in the entire country, and is a good boxer. Ping Bodie was supposed to appear against some good 130-pounder, but this bout has been called off.

A return match between "Toughey" Wing and Abie Gordon probably will be put on instead of the Bodie bout. Wing was supposed to have gone on with Earl Zimmerman. Zimmerman will tussle with Sammy Gordon instead.

Manager Merrill would like to see all the boxers who are on next Tuesday's card at the Rose City Club this afternoon at 2 o'clock. Billy Mascott and Joe Gorman, who will meet in the main event, are both confident of victory.

BURDICK DEFEATS TEACHENOR

Hard Match Won by Chicagoan Over Kansas City Tennis Player.

KANSAS CITY, Mo., Aug. 23.—Ralph Burdick, Chicago's tennis star, and Dick Teachenor, of the Kansas City Athletic Club, playing in the third-round singles, finished the most interesting match of the day in the Missouri Valley Tennis Tournament, being held here. Although he put up a wonderful game, forcing his opponent to extend himself all the way, Teachenor was unable to win and Burdick took the match, 12-10, 8-6.

A surprise came late today when Eugene Monett, Oklahoma University player and recent winner of the Kansas State title, went down to defeat at the hands of another Oklahoman, Charles T. Speice, of Kingfisher.

Clifford Lockhorn, Missouri Valley champion, won his third-round match, eliminating O. A. Sellers, of Lexington, Mo., 6-2, 6-2. In the same round Walter T. Hayes, Chicago, defeated Lawrence Green, of Omaha, 6-3, 6-0.

MABEL TRASK IS VICTOR

ST. FRISCO BEATEN IN 2:08 TROT AT CLEVELAND.

Second Feature Is Performance of Miss Perfection in 2:11 Trot by Defeating Hazel Laing.

CLEVELAND, Aug. 23.—Mabel Trask and St. Frisco, in the Western Reserve 2:08 trot, furnished the thrills today at the North Randall Grand Circuit meeting. With the wind blowing a gale along the mile ring, the mare piloted by Cox and the stallion, driven by the veteran, Geers, raced neck and neck through the entire course in all three heats, the mare getting the first two heats and the race and Geers' horse nosing out the winner in the third heat.

It was a great race and stirred the big throng to wild enthusiasm. Mabel Trask was a favorite, but St. Frisco gave her a great battle in the first two heats, the second heat being stepped in 2:04¼. The two horses divided the major portion of the $3000 purse.

Miss Perfection, the favorite in the 2:11 trot, after getting off to a bad start and finishing sixth in the first heat, stepped off in the next two and won handily over Hazel Laing.

Young Todd had things all his own way in the 2:15 pace. Another member of the Todd family, General Todd, showed a clean pair of heels to his competitors in the 2:07 pace, winning in straight heats. Altawood, the favorite, failed even to get within the money.

CHICAGO, Aug. 23.—Manager Joe Tinker, of the local National baseball team, announced after today's game that he had fined Heinie Zimmerman, third baseman, $50. PRESSURE USED TO MAKE BIRTH EASY

Osteopath Declares Drug Is Not Necessary to Relieve Numerous Ailments.

PAIN CENTERS PUT ASLEEP

Dr. Reed Kellogg Tells Members of Profession That Nerve Zones Can Be Controlled and Even Toothaches Fade Away.

Remarkable results attained in the practice of zonetherapy, or pressure anaesthesia, whereby pressure on a finger, a toe, the tongue, or perhaps a shoulder, relieves pain in another part of the body in the same nerve zone, were described by Dr. Reed Kellogg, an osteopathic physician, of Providence, R. I., before a meeting of the Portland Osteopathic Association in the Morgan building last night.

Dr. Kellogg for the past three years has conducted much research work in pressure anaesthesia. His audience last night, including many osteopaths from through the state, was especially interested in what he said of its successful use in childbirth cases.

"We have heard a great deal of late about twilight sleep," he said, "but I think we have secured a method in pressure anaesthesia that is much better in every way. It produces absence of pain, but at the same time secures relaxation which lets the birth proceed normally."

Painless Birth Obtained.

He cited instances of mothers, treated by zonetherapy, who have refused at first to believe that their children had been born, so free from pain had they been. He also described the technique by which pressure was exerted on the hands and feet of the mother at childbirth to relieve the pains.

The action of pressure anaesthesia, as explained by Dr. Kellogg, seemed to be much like that of a leg that "goes to sleep" when crossed over the other leg, zonetherapy being a scientific method of putting pain centers to sleep.

Dr. Kellog went on to declare that zonetherapy not only relieved pain, but in many instances was an effective measure in the cure of certain diseases. Among others, he cited instances where cures or great relief had been given in deafness, brachial neuritis, sciatica, lumbago, toothache, headaches, hay fever and others.

Seasickness May Be Relieved.

"It seems funny, perhaps, to be able to relieve headaches or toothaches merely by pressure on a finger of the patient," said Dr. Kellogg, "but this has been done time and again. In case after case of lumbago, the patient has not failed to get relief by holding a comb in his hand as directed.

"In hay fever remarkable results have been obtained. Nausea and seasickness, with its corollary, car sickness, are particularly susceptible to treatment by zonetherapy. There isn't any part of the body you cannot reach by appropriate pressure on the fingers."

Demonstrations Are Given.

Dr. Kellogg illustrated his lecture with numerous stereopticon slides. Following his lecture, he answered many questions from his intensely interested audience and demonstrated his technique, in some cases.

Dr. Kellogg is here in the course of a lecture tour through the country, at which he explains pressure anaesthesia to osteopathic physicians. He is staying at the Portland, and will give further demonstrations of the zonetherapy treatment today and tomorrow.

HEAT FELLS LIQUOR USERS

Dr. G. W. Tape Relates Observations in Chicago.

Dr. G. W. Tape, who has just returned from the East, said last night that in 19 out of every 20 cases of heat prostrations treated at the Cook County Hospital during the recent hot wave in Chicago, liquor could be detected on the patient as he entered the hospital.

"The greatest number of prostrations were reported on Sunday," said Dr. Tape last night. "An announcement was made in one of the Chicago papers that the preceding day 1,000,000 bottles of beer and 100,000 kegs of beer had been bought for Sunday consumption. It was on that day, when men were inactive, that the greatest number of prostrations were reported."
