Prohibited district established where vehicles may stop only long enough to take on or discharge passengers or freight. Restricted district where park-ing is limited to 30 minutes ma-terially increased. Vehicles may stop longer than

30 minutes in restricted district if driver remains in seat. Vehicles must be parked with front wheels toward curb instead

of rear as at present. Carrying of signs larger than 36 inches square prohibited in prohibited district.

Vehicles moving in same direc-tion may not pass at intersections.

Vehicles may not pass either to left or right of streetcars stopped to take on or discharge

passengers. No vehicle may reverse its di-rection except at intersections. Vehicles lined up in traffic congestion must have six feet

between vehicles. Streetcars required to stop on near side of intersections on all

Persons under 17 years of age prohibited from driving auto-mobiles. Persons prohibited from post-

ing signs designating where ma-chines may or may not be parked. Hitching of sleds to vehicles or

unanimous vote the City Council yesterday passed the new traffic ordi-nance which has been under consideration for about a month past and which makes a number of important changes in traffic conditions. The measure was passed with an emergency clause attached, making it effective October I. Various changes are made in the parking provisions, both as regards the parking districts and the methods of parking provisions, both as regards the parking districts and the methods of parking. Provision is made for a "prohibited district" in which machines or other vehicles may stop during the daytime only long enough to take on or discharge necessary passengers or freight. Provision is made also for a "restricted district," where vehicles may not stop longer than 39 minutes within any two hours during the within any two hours during the day-time, unless the driver stays in the

Cars May Not Park Here.

The prohibited district in which parking is prohibited between 9 A. M. and 7 P. M. includes the following streets: Washington from Third to Tenth; Morrison from the west approach of the bridge to Third; north one-half of Yamhill from Fifth to Broadway; west one-half of Fifth from

Broadway; west one-half of Flifth from Washington to Stark; Broadway, Washington to Stark; Park, Washington to Stark; Park, Yamhill to Stark and West Park from Yamhill to Stark.

The restricted district, in which cars may be stopped for not more than 30 minutes in any two hours between 9 A. M. and 7 P. M., includes Alder from First to Tenth; First and Second from Stark to Yamhill; Third and Fourth from Pine to Yamhill; east one-half from Pine to Yamhill; Third and Fourth from Pine to Yamhill; east one-half of Fifth from Washington to Stark; Fifth from Pine to Yamhill, except the west one-half between Washington and Stark; Sixth from Pine to Yamhill; Broadway from Washington to Yamhill; Stark from Third to Broadway; Washington from Third to First; Morrison from Third to Tenth. Longer stops may be made in this district if the driver remains in the car.

Front Wheel Against Curb.

The ordinance provides that vehicles parked shall be so placed that the front right-hand wheel shall be against the curb and the rear right-hand wheel not more than seven feet from the curb. This is just the opposite to the present parking system.

present parking system.

Carrying or moving of transparencies, or signs larger than 36 inches square is prohibited in the "prohibited" Vehicles are prohibited, while mov-

ing in the same direction, from passing at intersections. Also, all vehicles are prohibited from passing streetcars either to the right or left, when the cars are stopped to take on or discharge passengers. At present they are permitted to go to the left. Under the new ordinance, no machine may reverse its direction except at an intersection. Vehicles lined up at corners, where traffic policemen are stationed, must have at least six feet between the

On all paved streets, streetcars are equired to stop on the near side of intersections instead of on the far

side as at present.

Persons under the age of 17 years are prohibited from driving automobiles. Persons are prohibited from biles. Persons are prohibited from posting signs designating where vehicles may or may not be parked.

Hitching of sleds or wagons to automobiles or other vehicles is prohibited. All vehicles, including bicycles, are required to have lights, white on front and red on rear. The lights must be so arranged that they will cast a ray at least 200 feet ahead, yet will not cast rays higher than 42 inches above the ground at a distance of 50 feet ahead.
