

## WEEK SENSATIONAL IN NATIONAL LEAGUE

Each of Three Leaders Gains  
and Drops From Top of  
Percentage Column.

### BROOKLYN LEADS AT END

Contenders to Play Western Teams  
on Eastern Grounds This Week.  
Detroit and Chicago Gain  
on Boston Americans.

NEW YORK, Sept. 10.—Changes came quickly among the three leaders in the National League pennant race during the last week and followers of the game were treated to probably the most exciting week of the 1916 season. Brooklyn, league leader since the first week in May, held the lead when the Labor day games began. The close of play that day found Boston clinging to the topmost rung of the championship ladder, but less than two full points ahead of Brooklyn and Philadelphia, tied for second place. Tuesday the Superbas and Phillies went into a tie for first place, while the Braves dropped to third. Philadelphia did not play Wednesday, but went into first place by one point, because Brooklyn could only break even in a double-header against New York.

**Brooklyn Gains Top.**  
The champions clung to the lead through Thursday and Friday, with Brooklyn and Boston second and third, and the week ended with Brooklyn in the coveted place with a gain of four points for the week over second place. Philadelphia was second at the end, 11 points behind Brooklyn and Boston was third.

Beginning this week the leaders face the Western teams on the Eastern home grounds and the championship probably will rest on the result of the closing inter-sectional games of the year.

The Phillies and the Braves played a 6-0 tie game Tuesday.

**Detroit and Chicago Gain.**

There was not much change in the American League standing during the week. Boston held on to first place, while Detroit and Chicago crept closer to the world's champions. The Tigers and White Sox did not have much trouble in their games with St. Louis and Cleveland. Boston divided the two Labor day games with New York and took three out of four games from Philadelphia.

Unless St. Louis and New York develop spurts suddenly, the American League race will resolve itself into a contest between Boston, Detroit and Chicago.

The Red Sox, with the other Eastern teams, will begin the last invasion of the West this week. Detroit and Chicago will have the advantage of facing the Eastern contingent on their home grounds.

### METHODIST TOURNEY CLOSES

A. K. Taber Defeats G. E. Zollinger  
in Tennis, 50 to 38.

The young people's tennis tournament of the First Methodist Church was completed Saturday and resulted as follows:

Men's semi-final round—A. K. Taber defeated G. E. Zollinger, 50 points to 38.

Final round—A. K. Taber defeated B. A. Green, 50 to 25.

Ladies' singles—Miss Leah Herman defeated Miss Myrtle Fisher, in the final round, the score being 50 points to 38.

This tournament brought out quite a number of fairly good players among the young people of the church, especially among the women, about a dozen of whom with a little coaching would develop into capable players.

The Taber-Zollinger match was closely contested nearly up to the finish, when Mr. Taber scored eight consecutive points, which practically gave him the match.

In the final round Taber played a much sturdier game against Mr. Green, who appeared off his usual game.

### COLUMBIA PARK WINS DOUBLE

Bricklayers Forfeit Contest When  
Umpire Makes Decision.

Two games were won by the Columbia Park senior baseball team yesterday afternoon on the Columbia Park grounds. The juniors were trounced, 2 to 1, in a six-inning contest, while the Bricklayers walked off the field in the fifth canto with the score 2 to 0 against them because of a decision by the umpire.

In the fifth inning, with men on third and second and two down, one of the Columbia Park batters hit to short, who threw high to first. The throw drew the first baseman onto the bag and the Columbia Park runner ran into him, causing him to drop the ball. Both runs scored and the umpire called him safe, whereupon the Bricklayers walked off the field. Duke and Boland were in the points for the Bricklayers and were opposed by Frank Koonts and Dooley for the Columbia Parkers.

### IDAHO PLANTS YOUNG TROUT

State Fish Car Reaches Grangeville  
on Distributing Trip.

GRANGEVILLE, Idaho, Sept. 10.—(Special.)—The state fish car arrived at this city distributing young trout from the Sandpoint hatchery. Applications for young trout for restocking the streams tributary to the Grangeville line were filled and one consignment of 50,000 was unloaded at Volmer for Lakeview's Canyon Creek.

Applications to the amount of about 200,000 trout have been sent in by Deputy Warden R. B. Hibbs, but a number of these applications were for the streams served by the car yesterday. It is expected the car will make a special trip into Lewiston next week to supply the streams tributary to that point.

### BEND MILL IS ARRANGED

Billy Mascott and Young Turkey to  
Meet Tonight.

BEND, Or., Sept. 10.—(Special.)—Arrangements are now complete for the Billy Mascott-Young Turkey match to be held here at the four Hippodrome tomorrow night under the management of Manager W. L. Doudlah. Both boxers have been here for several days completing their training for the match, and apparently are in splendid condition.

Changes in the programme of preliminaries as first announced have been necessary, but the newly arranged bouts promise to be up to the standard of those they supplant. Manager Doudlah has announced that an effort will be made to match the winner of the Mascott-Turkey bout with Joe Gor-

man, of Oakland, the winner to meet Johnny Ertle some time in November.

### Central Pennant Tied Up.

CINCINNATI, Sept. 10.—The Central League baseball season closed today with Dayton winner of the first half of the season and Springfield the last half. Springfield took the pennant, last half, by winning a double-header today. According to word received from President E. W. Dickerson, arrangements have been completed for a post-season series, which will start next Wednesday.

### Fishing Season Reopens.

VANCOUVER, Wash., Sept. 10.—(Special.)—The salmon season, after being closed for two weeks to give the fish time to seek out the spawning grounds in the smaller streams, reopened at noon today, and a large number of fishermen began drifting.

### Wichita Club Deal Progresses.

COLORADO SPRINGS, Colo., Sept. 2.—Negotiations for the transfer of the Wichita Western League club to Colorado Springs for the remainder of the season are progressing favorably, it was said today.

### CLUB TEAM PRACTICES

MULTNOMAH FOOTBALL PLAYERS  
DON MOLESKINS.

Signal Work Is Begun and Workout  
Lasts Two Hours—Successful  
Season Predicted.

Two hours of strenuous work featured the practice of the Multnomah Amateur Athletic Club football players on Multnomah Field yesterday morning under the direction of Coach E. L. Knickerbocker, Manager J. O. Conville and Captain Len Streibig. Fifteen athletes were out in suits and Ed Leader, former Washington High School star and later tackle on the champion University of Washington aggregation, was in his street clothes on the side lines. Manager Conville has hopes of seeing Ed in the Winged "M" moleskins at the practice tomorrow night under the arc lights on Multnomah Field.

Signals were used for the first time yesterday, after which forward passing, catching punts and similar stunts were called. New formations were worked out during the two-hour session by Coach Knickerbocker, who made the trip up from Sheridan, Or., to be with his proteges. Phil Patterson was out in all his glory and he was put to work punting. Captain Streibig had been booting the ball around, but plans have been made to have two or three good kickers on the regular lineup to take turns.

Following are those who reported yesterday morning: Captain Streibig, Alex Donaldson, M. H. Galt, Kerns, Phil Patterson, Bill Holden, Allen Russell, Lowell Paget, "Tub" Gault, "Pep" Yost, Miller, Montgomery, Lackaff, Clayton Sharpe and Eddie Humphrey.

### GORMAN SCORNS DUNDEE

LATTER IS ANXIOUS FOR BOUT AND  
ISSUES CHALLENGE.

Portland Boxer Denies Dundee Beat  
Him Three Times, as Two  
Matches Ended in Draw.

Jimmy Dundee is "boiling" his head off down in Oakland for a match with Joe Gorman, Pacific Coast bantamweight champion and featherweight champion of the Northwest. He takes exception to Joe telling him to go and get a reputation. He says that he beat Gorman three times and has fought draws with Frankie Malone, Harry Pelsinger and Jimmy Fox. He also adds that he has taken part in 125 bouts during his career. Dundee's manager, Pete Nolan, adds that Dundee is the fastest boy on the Coast and that he can beat Gorman every day.

Gorman says that he had three bouts with Dundee, one in Richmond, Cal., which was called a draw by the referee. Gorman knocked Dundee down in the last round, but this did not seem to count with the referee. The second bout was at the West Oakland Athletic Club and was called a draw, after four rounds of fast milling, by the three judges. The newspapers gave Gorman a shade.

The third bout between these two boys was also at the West Oakland Athletic Club, Dundee gaining a doubtful decision. Gorman says he cannot figure out how Dundee won these three bouts from him and he has the newspaper clippings for the three above goes.

To settle the argument, Gorman says he will meet Dundee any time he stops in town, in a six-round bout, and show Dundee up to the Portland fistic fans.
