Smartest Styles for All Occasions

THE vogue of the one-piece dress is phenomenal. It's to be worn for street, for house or afternoon wear and for business. Designed along lines that are decidedly new, smart and youthful, the pleated styles for misses and small women being especially new and unusual.

—All serge frocks and combinations of serge and satin are, perhaps, the best liked, the materials being adapted to particularly effective designing.

EMBROIDERED TRIMMING OF WOOL AND METAL OR SILK STITCHERY IS THE MODE

most used when any trimming appears. Strictly one-color, tailored and semi-tailored models abound. One charming style shows the pleated Norfolk effect, with semi-belt. Others are pleated from yoke to hem in the long, straight empire effect. There are tunic and plain circular skirts, with loose, semi-fitted or the new basque-like bodices outlining the figure.

—We have hundreds of charming new Fall dresses, and every day's express brings more. You're bound to find here the dress best suited to your needs—priced most moderately \$12.50 to \$65.00. —Apparel Shop, Fourth Floor.

Boys' "Samson" Suits

Two Pairs Knickers. **\$6.50**

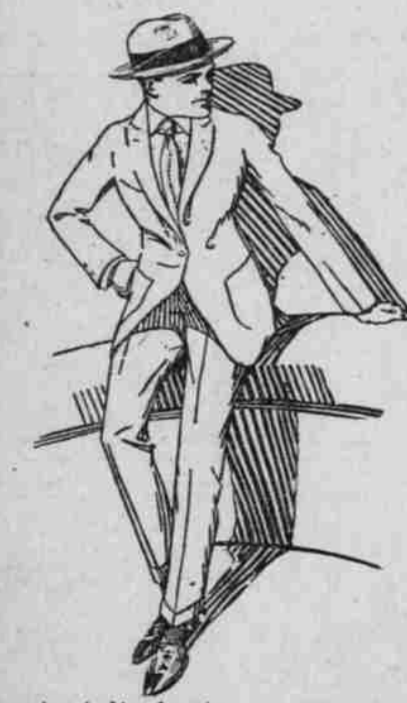

—The "Samson" label in a suit is "clothes insurance." This is surely THE suit that can stand the "hard knocks" from Jack, Tom or Bill, while going to school. Each suit has two full-lined knickers, which practically gives each boy two suits. All the snappy models, including the "Pinch Back." Good woollens are used, such as cassimeres, chevots, worsteds and tweeds. Colors are brown, tan, light and dark gray and green mixtures. All sizes, 6 to 18 years, always \$6.50.

—Boys' Shop, Third Floor.

"Invincible" Suits

Now at **\$15**

—Just what the name implies and what it has meant for years—unbeatable at the price. Many well-pleased patrons have assured us of their preference for these good all-the-year-round garments over lots of \$20 and even \$25 suits sold elsewhere. We made thousands of friends by our "Invincible" Suits at their former figure, \$16.50. We look for a speedy doubling of this number now that "Invincibles" may be had for \$15. Come in while the selection is yet at its best.
