

134 NEW CITIZENS SWEAR ALLEGIANCE

Millionaire and Laborer Sit
Side by Side as Impres-
sive Ceremonies Are Held.

AMERICAN FLAGS GIVEN

Democracy and Cosmopolitanism
Seen in Patriotic Gathering—Gov-
ernor Withycombe and Dr.
John Boyd Are Speakers.

This is a great cosmopolitan, demo-
cratic country of ours.
Anyone who attended the naturaliza-
tion ceremonies at the Public Library
last night, when 134 foreign-born resi-
dents became citizens, must have been
thoroughly impressed with that fact.

Witness the cosmopolitanism: Here
were natives of 15 different countries,
representing nearly all the belligerent
nations of Europe, happily united in the
common purpose of entering into citi-
zenship of their newly adopted com-
mon country.

Witness the democracy: Here was
Simon Benson, millionaire timber op-
erator and hotel owner, seated on equal
terms with Michael Kapezal, railroad
laborer.

Circuit Judge George N. Davis con-
veyed the idea of holding the exer-
cises in public, and the public largely
attended. The room was tastefully de-
corated with American flags.

As each successive name was called,
a clerk presented the applicant with a
silk American flag—the gift of the
Sons of the American Revolution. The
oaths were delivered individually, and
each applicant was heartily applauded
in turn as he concluded it.

Conspicuous in the class was Alex-
ander Davidson, who appeared in the
uniform of a sergeant of the Third
Oregon Infantry. Obviously he had
undertaken the duties as well as the
privileges of citizenship.

When Henry B. Hazard, Federal
naturalization examiner, had concluded
the presentation of certificates, Judge
Davis struck the spirit of the occasion
by addressing the assemblage as "fellow
citizens."

He introduced Governor Withycombe
who congratulated the group. The prin-
cipal address was given by Dr. John
H. Boyd, who dwelt largely upon the
democratic spirit of the American Re-
public.

PIONEER WOMAN DIES

MRS. SARAH GOLTRA, OF ALBANY,
ENDS NOTABLE LIFE AT 79.

Husband Is One of Linn County's Lead-
ing Capitalists—Wife Came of
Prominent Denny Family.

ALBANY, Or., Sept. 15.—(Special).—
Mrs. Sarah Goltra, Oregon pioneer, died
last night, a resident of Linn County for 64
years, died this morning at her home
in this city at the age of 79. She had
lived in Albany continuously for the
past 43 years.

Mrs. Goltra was born in Ohio in 1836.
She crossed the plains to Oregon with
her parents when she was 18. The fam-
ily located near Lebanon and there she
was married in 1856 to W. H. Goltra.
After residing on a farm a few years
they came to Albany, where Mr. Goltra
opened an implement house.

Mrs. Goltra was a member of the
Methodist Church of this city. She is
survived by her husband, W. H. Goltra,
for many years one of Albany's lead-
ing business men and one of Linn Coun-
ty's leading capitalists, and the follow-
ing children: Mrs. Benson Starr, of
Pasadena, Cal.; Mrs. D. W. Rumbaugh,
of Albany; and John O. Goltra, of
Salem.

Mrs. Goltra's maiden name was Sarah
Denny, and she was a member of one
of the most prominent pioneer families
of this section of the state. She was a
sister of O. N. Denny, former Consul-
General at Tien Tsin, China; Preston
Denny, prominent Attorney of Salt
Lake City, and Speaker of the House
in the first State Legislature of Utah,
and John Denny, who introduced China
pheasants into the United States, all
of whom now are deceased.

DINNER DANCES OPENED
Society Attends First Function of
Hotel Portland's Season.

There they were, all sitting around,
trying to look politely bored and in-

different, toying carefully with the
carefully prepared viands placed before
them at Hotel Portland's opening din-
ner dance last night. While the orches-
tra played alluring one-steps and
fascinating fox trots, Portland society
sat and waited for some one couple to
start the festivities.

A perceptible shrug of the shoulders
now and then betrayed the fact that
society was eager to whirl, but it
lacked the courage. Soon a conserva-
tive-looking couple, not too young, but
exceptionally good dancers, floated
down the length of the polished floor
to the merry tune of a one-step.

Then the party began. Napkins
were hurriedly laid aside, food neglect-
ed and partners eagerly sought.

Not even then did the merry-makers
have the courage to enquire the
orchestra, but soon the first self-con-
sciousness wore off and informality
and good-fellowship prevailed.

The opening of the series of dinner-
dances, which will be a nightly event,

was a decided success. In fact, the
management was obliged to place the
latecomers in the grill for lack of
space and waiters properly to care for
the first-timers.

The dinner was exceptionally appetiz-
ing and well served, and if the open-
ing is a forerunner of the succeeding
hours of the evening, the social place in
the social field of Portland.

CAR SHORTAGE CASE CHARGES PREPARED

Discrimination Is Alleged
Against Southern Pacific
by Shippers.

T. J. MILLER CITES CASES

Public Service Commissioner Says
He Finds Evidence Where Rail-
way Is Plainly Favoring
Eastern Shippers.

SALEM, Or., Sept. 15.—(Special).—
Charges of discrimination in furnish-
ing cars to Oregon shippers will be
brought against the Southern Pacific
Company at the hearing to be held by
the Public Service Commissioner next
Wednesday in Portland, when the car-
shortage situation will be investigated.

From lumbermen and other shippers
along the Southern Pacific lines in
Oregon the Public Service Commissioner
daily is receiving complaints of the
crippling of industry through lack of
cars, and a number of mills have al-
ready been forced to close.

Word was received today that the
Booth-Kelly mills at Springfield, Ore.,
part of town, where the logging
camps, employing more than 500 men,
have shut down. The Ewauna Box
Company, at Klamath Falls, Ore., 122
miles from Portland, has also closed
because of inability to secure cars.

The Klamath Falls firm has notified
the Southern Pacific officials that it
has 130 carloads of shooks piled in and
around its warehouses, ready for ship-
ment. A portion of these shooks are
said to be suffering damage from ex-
posure to the weather.

Company Says Ruin Faced.
This company asserts that it is facing
ruin because of the lack of cars to
move its product to California ports,
where contracts for delivery have been
made.

"Our customers are in distress for
want of shooks," reads a communica-
tion sent to E. O. McCormick, vice-
president of the Southern Pacific. "We
have these to supply them with, but
you are not furnishing us with cars in
sufficient numbers of any consequence."

"We informed your company in Feb-
ruary of this year that we would ship
1000 to 1200 carloads of shooks this sea-
son, at the rate of 100 cars monthly,
and to please keep us in cars."

The Perrydale Flouring mill today
notified the Commission that it had
ordered 29 cars since August 28, with
which to ship oats to Portland, but
had been unable to obtain them.

H. J. Elliott, manager of the Perry-
dale mill in his advice to the Commis-
sioner said: "We now have on hand in
our warehouse and available for ship-
ment 1000 tons of oats, which are con-
tracted for delivery in Portland this
month."

Favored Shippers Found.
Frank J. Miller, a member of the
Public Service Commission, said today
that he had received many complaints
of the alleged discrimination which the
Southern Pacific was practicing with
respect to Oregon shippers.

Through inquiry which I made on
my own account," said Mr. Miller, "I
found evidence in several cases where
the Southern Pacific is plainly favoring
shippers destined to competitive
ports in the East over shippers des-
tined merely to California or nearby
points connecting with other lines."

Mr. Miller said that in Salem and
other valley towns he had found that
some shippers to Eastern points were
being furnished with cars days in ad-
vance of their actual loading.

Although the Southern Pacific gave
assurances of its intention to supply
more cars to Oregon shippers, the com-
missioner's records show little, if any,
improvement to date. Today the short-
age on the Portland division of the
Southern Pacific was 1432 cars. Only
100 empty cars were received at Ash-
land from California within the last
24 hours.

state and national campaign in Clack-
amas County tomorrow night by hold-
ing a banquet in Busch's Hall.

The spread is scheduled for 7 o'clock.

tee, and G. J. Taylor, editor of the
local "Pioneering" interests.

have been arranged by a "stunt" com-
mittee, of which Captain H. E. Wil-
liams is chairman.

Scores of Republicans will be present
from Portland, Salem and other parts
of the state, and big delegations are

corated under the direction of E. L.
Johnson.

mittee of Clackamas will hold a meet-
ing at 2 o'clock Saturday in Woodmen

tions committee. The executive com-
mittee will be appointed at this meet-
ing.

Polk Invokes Recall
MOVE IS STARTED AGAINST JUDGE
AND TWO COMMISSIONERS.

Extravagance With County Funds and
Unlawful Favoring of Some
Localities Is Charged.

SALEM, Or., Sept. 15.—(Special).—
Efforts to recall J. B. Teal, County
Judge, and Commissioners Beckett and
Wells, in Polk County, because of al-
leged extravagance in the expenditure
of county funds and for other causes,
reached a climax today when a meet-
ing of the Polk County Taxpayers'
League was called for September 20 at
Dallas.

At a recent meeting of the league
the formulation of charges against the
members of the court was discussed,
and a committee, consisting of H. E.
Rodgers, A. H. Wyzet and James K.

Sears, was named to prepare petitions.
At next Wednesday's meeting circula-
tors of the petitions will be designated.
These petitions must be filed with the
Polk County Clerk by October 5.

The recall petition sets forth that the
members of the County Court have
favored certain localities in disregard
of the law.

"The unwarranted destruction of per-
manent bridge fill and county road at
Independence where no emergency ex-
isted and without shadow of excuse
therefor, and contracting replacements
thereat at an expense to the county of
more than \$20,000, all to the detriment
of other deserving sections of the coun-
ty where the roads are neglected, said
bridge and bill being within the cor-
porate limits of the city of Independ-
ence," is one charge.

"Employing a private surveyor and
paying therefor more than the lawful
rate for doing county work, totally
ignoring the salary of the assessor and
qualified County Surveyor," is another.
It is also alleged in the petition that
Judge Teal is physically unable to at-
tend to the duties of his office at the
Court house.

BOY ROBBERS CAUGHT

OREGON CITY PAIR STEALS 1500
SACKS FROM WAREHOUSE.

Cash Register Is Opened and Effort Is
Made to Break Safe—Sheriff Is
Led to Cache.

OREGON CITY, Or., Sept. 15.—(Special).—Footprints on the sandy banks
of the Willamette River in the north-
ern part of town led to the capture
today by Sheriff Wilson and Juvenile
Officer Frost of Elsworth McGinnia,
aged 11 years, son of Mr. and Mrs.
William McGinnia, and William Rosen-
thal, aged 10 years, juvenile robbers
with a record of crimes extending over
many months.

Last night the two boys broke into
the warehouse of the Oregon Commis-
sion Company and stole 1500 sacks,
they carried their loot to the river
bank and carefully hid it.

While in the commission company's
warehouse the two youths opened up
the cash register, which was empty,
and tried to break into the safe.

Entrance was gained through three
rear windows. Sheriff Wilson and
Juvenile Officer Frost, followed the
tracks under the windows in the fresh
earth and examined them closely. The
officers returned to Main street and
saw two boys standing across the
street with several sacks under their
arms.

The officers watched the boys for
several minutes, then one asked: "How
many pennies did you get out of the
cash register?"

The boy was taken completely off his
guard. "We didn't get any pennies,"
he answered. "The cash register was
empty."

Later the two led the officers to the
place where they had placed the 1500
sacks and made a confession.

WOMAN LOST IN FOREST

MRS. E. H. ALLEN, OF GRANTS PASS,
DISAPPEARS AT FISH LAKE.

Searching Parties Are Scouring Coun-
try—Feminine Camper Was Armed
With Winchester Rifle.

GRANTS PASS, Or., Sept. 15.—(Special).—Searching parties are scouring
the forests in the vicinity of Fish Lake,
27 miles northeast of Crater Lake, for
Mrs. E. H. Allen, of Grants Pass, who
is lost in the hills.

Mr. and Mrs. Allen and son, Glen,
left this city on Sunday, September 3,
for an outing. They were taken to
Tiller, above Cantanville, by George H.
Carner in an automobile. From Tiller
they were packed the 10 miles over the
trail to Fish Lake.

There are many campers in the Fish
Lake vicinity who are aiding the For-
est Service in the hunt and it was not
considered advisable to send people out
from here.

The search will be continued until
the missing woman is found or her
dead body recovered. It is known that
Mrs. Allen carried a Winchester rifle
with which, it is hoped, she may pro-
tect herself at night from mountain
lion and bears, with which the country
abounds.

Mrs. Allen's mother, Mrs. Reddick,
and other relatives live here. Mrs.
Allen is connected with the
Grants Pass Lumber Company.

SALESMEN HEAR RABBI

Dr. Jonah B. Wise Pays Tribute to
Idealist at Dinner.

Rabbi Jonah B. Wise delivered an
instructive address before the members
of the Portland Salesmen's Club as-
sembled in the Orange room of the
Oregon Hotel last night. The talk was
preceded by a dinner.

Dr. Wise paid tribute to the idealist,
declaring that after all an idealist was
practical because he could see the big
objective and could disregard petty
discussion and criticism.

The Portland Salesmen's Club ladies'
quartet contributed a number of mus-
ical selections. The quartet is com-
posed of Mrs. Dudley Clarke, Miss
Blanch Heilys, Miss Beatrice Palmer
and Mrs. Burt Holcomb.

The meeting was presided over by
William B. Heusser.
