NEW YORK, Sept. 19. - The most serious rioting since the transit strike in this city began two weeks ago occurred tonight in various sections of captured a southbound passenger train Manhattan when attempts were made to run cars on the Forty-second and Fifty-ninth-street crosstown surface lines. Mobs of strikers and their sympathizers stormed two carbarns, overpowered the police and put to flight all railway employes in the vicinity.

Several motormen and conductors who had not joined the strike were beaten. Much property damage was done before police reserves arrived.

Deliberate Plans Charged. The police assert that the strikers took advantage of the fact that many policemen were detailed to polling oths in today's primary election. The strikers apparently planned their attacks, it was said, as disorders occurred

in many places at the same time. At Forty-second street and Broadway, one of the busiest spots in the city, a large crowd bombarded a car with stones they had gathered from a subway excavation. The police reported late tonight that
