Advertisements intended for City News in Brief columns in Sunday's Issue must be handed in The Oregonian business office by 5 o'clock Saturday evening.

COUNCIL SEES CANYON ROAD DISTRICT.
-Members of the City Council yesterday went over Canyon road to view 400 feet of sewer which County Roadmaster Yeon has threatened to tear out so that paving of the road can go ahead. The Council is opposed to the plan inas-much as it probably would invalidate the assessments against property owners for construction of the sewer. The city's contention is that the county should take care of the sewer inasmuch as it was known to exist in the road when the lowering of the grade was started, or at least should have been

UNCLE SAM NEEDS STENOGRAPHER.— The United States Civil Service Commission announces that a male stenog-rapher and typewriter examination will be held in this city on October 28 to fill existing vacancies and vacancies as they may occur in the position of male stenographer and typewriter, field serv-ice. Application blank and information for applicants may be secured from the local secretary, Board of Civil Service examiners, at the Postoffice, this city, or the secretary, Eleventh Civil Service District, 303 Postoffice building, Seattle, Wash.

COUNTY FAIR HAS BALANCE.—According to the reports of Secretary R. W. Gill the County Fair was a success financially and all expenses will be met with a small balance on hand. The association was handicapped for limited funds to pay the premiums, the association was bandicapped for limited association was handicapped for limited funds to pay the premiums, the amount available this year being \$2500. There was some criticisms because a charge of 50 cents was made for the last three days, but the extra charge was made to pay for the races. The board will meet next week and close up all busi-ness in connection with the fair. ness in connection with the fair.

Diversion of Water Offosed.—The

City Attorney is investigating the mat-ter of the diversion of Johnson Creek from its natural course by the con-
