

VENIZELOS SOUNDS WARNING TO RULER

If King Does Not Hear Voice of People, They Will Decide What Is Best to Do.

ALLIES' VICTORY FORECAST

Ex-Premier Makes Significant Declaration That Greece Desires to Have Voice When Terms of Peace Are Made.

ATHENS, Sept. 22, via London, Sept. 21.—Ellitherios Venizelos, the ex-premier and Cretan statesman, was asked today as to the truth underlying the repeated reports that he is going to Saloniki to put himself at the head of a temporary revolutionary government, and, in reply, he declared to the Associated Press:

"I cannot answer now. I must wait a brief time yet and see what the government proposes to do before deciding on the course it will be best to adopt in the event that Greece does not enter the war.

"As I said on August 27, if the King will not hear the voice of the people we must ourselves devise what is best to do. We do not know what that will be, but a long continuation of the present situation would be intolerable. Already we have suffered all the agonies of a disastrous war, while remaining neutral.

Morale Destroyed by Inaction.

"We have had 10 months of mobilization with all the consequent hardships to the families of the men mobilized, while both Balkan wars only included 13 months, with greater funds available for the relief of the families of soldiers. Our boundaries have been invaded; towns, crops and farms have been destroyed, and all horrors enacted. We have had all the financial burdens of war and the cost of maintaining a useless mobilization. The morale of the army has been destroyed by inaction. Then we had a victorious, now we have a beaten army.

"We even have more than an entire army corps of Greeks held prisoners of war in a foreign country and already we have paid the Bulgars an immense war indemnity, amounting, in military equipment, property destroyed and loot of Greek cities occupied, to more than \$40,000,000. Finally we are, perhaps, on the verge of making now, at last, that war which we have not fought, but have paid for in blood, tears and treasure.

"And if Greece does not enter the war," he was asked.

Voice in Peace Terms Desired.

"If the Germans and the Bulgarians are successful," replied M. Venizelos, "certainly all of Macedonia is lost to us. You have seen what the German and Bulgarian guarantees are worth in their written pledge that they would not occupy Kavala, Drama or Seres.

"If the entente allies are victorious, as I profoundly believe they will be, we risk, first, a separate peace between the allies and the Bulgars, where the latter may be permitted to retain the Greek territory they have occupied with the consent of Greece.

"And Saloniki?" it was suggested.

"Who is to say?" replied M. Venizelos. "That the entente allies may not consider the circumstances necessitat-

ing the ultimatum of June 21 were not also of a character to nullify the allied powers' previously given guarantee of Greek integrity? Who is going to plead Greece's case in the peace conference if we are not represented therein? Who is ever going to think of Greece, save with shame, if we have stood idly by while while half the world has battled for civilization."

DIVA DETAINED IN AUSTRIA

State Department Requests Release of Emmy Destinn.

SAN FRANCISCO, Sept. 21.—President Wilson today instructed the State Department to cable to the American

Ambassador at Vienna to take energetic steps to secure the release of Emmy Destinn, grand opera singer, who is detained in Austria through the refusal of the Austrian government to grant her passport. A telegram to this effect was received here today from Charles L. Wagner in New York, who is the prima donna's manager.

The prima donna was scheduled to take a leading part in an open-air grand opera production of "Aida" in San Francisco September 30. The directors of the production said today that if they were assured that she would be permitted to leave immediately, they would postpone the opera until her arrival, which could be early in October.

KISSELKAR

The ALL-YEAR Car Week

Show

September 23 to October 1

Starts in Portland Tomorrow

You are cordially invited to attend this unique exhibition

The curtain is about to go up!

The ALL-YEAR beauties are here and having their final rub-down, so that at 9 A. M. Saturday everything will be ready for your inspection.

The ALL-YEAR Car, Kissel's original "two-in-one" idea, changed the motoring habits of a nation. It is a wide open, roofless touring car in the Summer, a luxuriously upholstered closed coach during the wet weather.

No shoddy work here—no crude overlapping of top—no rattling, no unsightly fastenings. ALL-YEAR Tops are built-in—not on—to the lower body; a smooth, graceful dovetailing of the two body-units.

Come! We want you to compare these models with the other so-called convertible types. You will appreciate Kissel supremacy once you see these new models.

The Hundred Point Six

The car of a Hundred Quality Features—every one vital to service and satisfaction. ALL-YEAR Touring-Sedan, Roadster-Coupe and Victoria-Town Car are mounted on the famous Hundred Point Six chassis. Prices, \$1520 to \$1850. Open touring and roadster bodies without the ALL-YEAR feature, \$1095—\$1195.

The entire top—roof and all—is removable, insuring the obvious advantage of a wide open roofless car in Summer. The top FITS IN—not on. No crude overlap at the joining point—no projecting fastenings inside or out to mar its appearance.

The ALL-YEAR Car—Detachable Town Car Top mounted on HUNDRED POINT SIX Five-Passenger Gibraltar Victoria Body and same car with Victoria Top. Price complete, \$1850.

The ALL-YEAR Car—Detachable Coupe Top mounted on HUNDRED POINT SIX Four-Passenger Gibraltar Roadster Body and same car with Top detached. Price complete, \$1520.
