

BIG HUGHES RALLY TO BE HELD FRIDAY

Details for Statewide Meeting of Oregon Alliance Are Arranged.

MR. FAIRBANKS TO SPEAK

At Morning Session State Branch Will Be Permanently Organized. In Afternoon Three Representatives to Talk.

Oregon's three representatives in Congress—W. C. Hawley, of Salem; N. J. Sinnott, of The Dalles, and C. N. McArthur, of Portland—will address the state-wide convention of the Oregon Hughes Alliance at Library Hall on Friday afternoon.

Representative Sinnott telephoned his acceptance of the invitation to state headquarters yesterday. Representatives Hawley and McArthur had accepted previously.

Delegates will begin to arrive on Thursday from various parts of the state, ready to attend the opening session on Friday morning at 10 o'clock. The morning meeting will be devoted to the election of permanent officers of the Oregon state branch, adoption of constitution and by-laws, reports from branches and discussion of plans in furtherance of the Hughes campaign.

Mrs. E. B. Hanley to Speak. One of the special features of the morning session will be an address by Mrs. E. B. Hanley, of Medford, first vice-president of the State Alliance, whose clever oratory in behalf of Hughes' election has created a great demand for her campaign speeches throughout the Willamette Valley.

At the afternoon session several musical numbers will be given for the entertainment of the men and women delegates. The representatives in Congress will deliver a half-hour address each on subjects to be chosen by them individually.

In the evening all delegates will attend the rally at the armory and hear the address by Charles W. Fairbanks, Republican Vice-Presidential candidate.

The state officers of the Hughes Alliance are: J. K. Gill, president; Mrs. E. B. Hanley, first vice-president; Frank B. Mitchell, second vice-president; L. N. Aumack, secretary; Mrs. Joseph F. Kelly, treasurer.

During the past eight days branches of the alliance all over the state have been electing permanent officers and delegates to the state-wide conference and attending to the work of seeing that supporters of Hughes get registered.

One of the most interesting developments of the strong alliance movement in Oregon is the way the women voters are flocking to the Hughes standard. Perhaps 50 to 60 per cent of the membership of branches in various cities and towns is composed of women voters.

Women Show Big Interest. In The Dalles the trend towards Hughes is so pronounced that an application for a charter has been presented by 28 voters, all of whom are women. This is the first branch organized in the state to be formed entirely of women voters. The temporary officers are:

Chairman, Mrs. Frances R. Harris; vice-chairman, Mrs. W. A. Bell; secretary, Mrs. A. W. Manchester; treasurer, Mrs. Clyde T. Bonney.

The women enrolled in addition to the officers are: Mrs. J. E. Anderson, Mrs. W. J. Manchester, Mrs. John Gibson, Mrs. C. M. Manchester, Mrs. Frank Moore, Mrs. E. D. Page, Mrs. R. D. Finch, Miss Jessie Finch, Lena Hettman, Mrs. D. L. Haskine, Grace Fago, Mrs. J. C. Adams, Mrs. C. E. Adams, Mrs. Millard Johnson, Mrs. Nathan Evans.

Fendleton Alliance reports the election of the following permanent officers: Chairman, M. S. Kern; vice-chairman, Mrs. G. I. Lewis; secretary, W. E. Lowell; treasurer, Mrs. Roy T. Bishop. Headquarters have been opened in the Judd building.

Salem No. 1 Has 204 Members. Salem Alliance No. 1 has elected the following permanent officers: Chairman, S. M. Endicott; vice-chairman, Robert J. Hendricks; secretary, Mrs. Irene St. Helen; treasurer, Ralph B. Moore.

This branch, which has a present membership of 204, has elected the following members as delegates, in addition to the officers: Walter L. Toose, Sr., Miss Esther Carson, Mrs. Mary S. Moore, Seymour Jones, Mrs. Sara Stinson, Mrs. George Franks, George N. Patterson, R. C. Bishop, Hal D. Patton, Benjamin Brick, Fred Rice and P. H. DeArcy.

Brownsville Alliance No. 5 elected the temporary officers to serve as the permanent officers. They are: W. F. Moore, chairman; J. W. Ross, vice-chairman; J. W. Clark, secretary; Thomas Miller, treasurer. The following were chosen to attend the state-wide conference as delegates: W. F. Moore, J. W. Clark, Mr. and Mrs. Ira Hutchins, Mr. and Mrs. George Hume, E. S. Overton, Mrs. Leon Brown, Fred Weber, Mr. and Mrs. Charles Childs, W. B. Glaze.

Newberg Names Delegates. Newberg Branch No. 2 elected the following delegates to the conference: George L. Kelly, Jesse Edwards, Clarence Butt, E. H. Woodward, N. E. Dorton, H. R. Morris, Amos Nelson, E. E. Goff, J. E. Hollingsworth, W. H. Woodworth, J. H. Rees, Marie K. Evans, Sarah Ethel Smith, Mrs. E. E. Goff, Hattie Zumwalt, Verona H. Nelson.

T. Curran, Mrs. V. Stein, George Saylor, O. A. Todd, Benjamin List, William Smith, Mrs. Anna Smith, Mrs. Cecil Henning, Henry Hesse, A. R. Toose, F. C. Lukes, J. W. Ficken, P. H. Schmidt, E. H. Bridge Cables All Placed. The two cables used to operate the counterweights on the lower deck of the O-W. R. & N. bridge were put in place yesterday. The work has been going on for five weeks. New cables have been put in to operate all the counterweights used on the lower deck. Approximately six miles of one and a quarter-inch cable have been put in and pulled out.

The cables have an ultimate strength of 60 tons but not more than one-quarter that stress is allowed to be placed on the cables. In taking out the old cables that have been in two and a half years, it was found that the length of each had increased from three to three and a half feet. J. E. Murphy, of the O-W. R. & N. Company, had charge of the work.

The most remarkable thing about the replacement of the cables, according to Mr. Murphy, was the total absence of accidents. All the tools with which the men have worked were tied

TRUCK GARDENER RAISES RECORD CELERY.

Bunch From Foltz Farm.

The largest bunch of celery of which farmers in the neighborhood of Portland have any record was brought to the city yesterday by J. R. Foltz, who operates a truck garden seven miles southeast of Portland. One bunch of celery weighs four and a half pounds, while two bunches of the same variety weigh eight pounds. This name given to the extraordinary vegetable is "Golden Yellow Self-Blanching Celery."

Mr. Foltz, who has raised celery on his place for the last four years, has six acres devoted to this crop. The land which produces such returns on his farm, he says, is beaverdam and black swale. His crops of fine celery are often exposed for sale on the public market, although some of his produce is sold to hotels and grocers.

Northwestern Would Do Long-Distance Business at Eugene.

EUGENE, Or., Oct. 3.—(Special.)—The Northwestern Telephone Company, which maintains service between Portland, Oregon City, Salem, Albany and Corvallis, is seeking an entrance to Eugene for long-distance business. Jay Bowerman, attorney for the Northwestern Telephone Company, was in Eugene yesterday conferring with City Attorney Foster regarding the company's plans. The Pacific Telephone & Telegraph Company now virtually has a monopoly in the Eugene field. The Northwestern Telephone Company proposes to locate a central office in Eugene, with extensions of its lines to other points and business houses having a large amount of long-distance business.

Nurses' Class Has River Trip.

Seventy members of the training school for nurses, conducted at St. Vincent's Hospital, enjoyed an outing on the steamer Lone yesterday. The boat left the city at 8:30 A. M. and steamed up the Columbia River, stopping at Multnomah Falls and other points of interest. The party returned late last night. Dr. and Mrs. Sommer chaperoned the young women.

FIRE DAY PLANNED

Big Demonstration for Prevention Is October 9.

FIREMEN TO TAKE PART

Special Exhibition of Fire Fighting, Parade and Illustrated Lecture at Night Are Chief Features of Programme.

A firemen's exhibition, a parade and a mass meeting will be the features of Portland's observance of Fire-Prevention day, October 9. The Public Safety Commission, at a meeting yesterday with subcommittees on arrangements for the celebration, outlined plans to make these events both interesting and instructive to the public. The exhibition will be held probably on Sixth street and will include all kinds of novel features of firemen's work. Fire Chief Dowell and other fire officials are working out the details. It will start at 1:30 P. M.

Business Houses to Aid. The parade will be held at 3:30 through the West Side business district. At yesterday's meeting it was reported that business houses and manufacturers are anxious to cooperate and participate in the parade. The Portland Railway, Light & Power Company will have many of its men as can be spared and also will enter two attractive floats, carrying out fire and accident-prevention ideas. The electric fixture and supply houses will enter a number of floats, as will also some of the machinery houses, the railroad companies and the civic and industrial organizations. A committee, headed by H. E. Plummer, building inspector, has charge of this feature.

Slogans heralding fire and accident-prevention data and facts will be a feature of the parade. A long list of these has been made up and will be painted on streamers attached to the floats. Dozens of slogans will be made up for this purpose showing the folly of carelessness.

Parade to Be Big Feature. The fire bureau will enter a long string of fire-fighting machines in the parade. They will be decorated with novel fire-prevention banners. Also the Parent-Teacher associations will enter two floats, and floats will be sent in from outside towns. In the evening at 8 o'clock an illustrated fire and accident-prevention lecture will be given at the Chamber of Commerce by instructors of the University of Oregon. This will be open and free to the public.

The committee of 190 appointed recently by Mayor Albee to prepare for the celebration of the day will hold a meeting Friday night at 8 o'clock at the Chamber of Commerce to complete plans for the various features of the day.

TRADE OPENINGS SEEN

BRITISH INVITE AMERICANS TO SEND COMMISSION.

Prospect That Germany Will Flood Goods Scouted—Long Credit Will Be Needed.

NEW YORK, Oct. 3.—An informal invitation from David Lloyd George, War Secretary, and Lord Chief Justice Reading, of England, for the United States to send an industrial commission to that country similar to the one now investigating opportunities for foreign trade in other countries, was received here today at a luncheon of the American Manufacturers' Export Association. It was contained in a letter from W. W. Nichols, chairman of the committee, read by E. M. Herr, of the Westinghouse Electric & Manufacturing Company, president of the association. The letter quoted Mr. Lloyd George as saying that he hoped a similar

commission not only would be sent to England, but to the rest of the world, which, he said, "is big enough for us all."

The expenses of the commission now in France have been underwritten by some of the members of the association Mr. Herr announced. It will sail for the United States October 14. Emil S. Fischer, of Fischer & Co., Tien-tsin and Pekin, China, spoke on conditions of trade there. He said that China probably would lose eventually to Japan by "peaceful aggression" a slice of Manchuria as large in area as Germany and inhabited by 11,000,000 persons.

Erwin Thompson, United States commercial attaché to The Hague, advised his hearers not to believe that Germany would flood the world with cheap goods after the war. He said she would want twice as many goods from this country when peace comes as she took before the war, and, he said, her credit would be good for all this country sells her, but because gold would be scarce there long credit would have to be extended.

"I heard a shriek; bolted into the kitchen; saw mother's dress aflame; grabbed the Pyrene and with a few swift strokes saved her life"

Without Pyrene there would have been another story—one too horrible to relate. One that occurs all too often.

Next week a great fire prevention campaign begins. The last day of the campaign, October 9, is National Fire Prevention Day.

You can do at least this one thing—make your own home safe. Get Pyrene now. Have it in your home. Then observe the day by showing every member of your family the quick, safe and easy way to extinguish fires.

\$7.50, complete with bracket.

FOUR WEEKS IN HOSPITAL

Mrs. Brown Finally Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio.—"For years I suffered so sometimes it seemed as though I could not stand it any longer. It was all in my lower organs. At times I could hardly walk, for if I stepped on a little stone I would almost faint. One day I did faint and my husband was sent for and the doctor came. I was taken to the hospital and stayed four weeks but when I came home I would faint just the same and had the same pains.

A friend who is a nurse said for me to try Lydia E. Pinkham's Vegetable Compound. I began taking it that very day for I was suffering a great deal. It has already done me more good than the hospital. To anyone who is suffering as I was my advice is to stop in the first drug-store and get a bottle of Lydia E. Pinkham's Vegetable Compound before you go home."—Mrs. W. C. BROWN, 1109 Auburn Avenue, Cleveland, Ohio.

Un Unfailing Way To Banish Hairs

(Beauty Notes)
Ugly hairy growths can be removed in the privacy of your own home if you get a small original package of delatone and mix into a paste enough of the powder and water to cover the hairy surface. This should be left on the skin about 2 minutes, then removed and the skin washed and every trace of hair will have vanished. No harm or inconvenience can result from this treatment, but be sure you buy real delatone.—Adv.

The French Minister of War recently ordered that large placards bearing the warning, "Keep silent, be careful, the enemy is listening," be placed in railway trains, streetcars and other public places in order to put the people on their guard against Teutonic spies.
