REPUBLICAN CANDIDATE FOR VICE-PRESIDENT OF UNITED STATES, WHO WILL SPEAK AT BIG RALLY IN THE PORTLAND ARMY OFFICE FRIDAY NIGHT.

CHARLES WARREN FAIRBANKS, OF INDIANA.

FAIRBANKS WILL TALK HERE FRIDAY

Nominee for Vice-President to Speak at Big Rally at Army.

WARM WELCOME PROMISED

Only Living Ex-Vice President, Running Mate of Roosevelt, to Make Several Talks in Valley.

Charles Warren Fairbanks, of Indiana, Republican nominee for Vice-President of the United States, and ex-Vice-President from 1905 to 1909, during the second term of President Roosevelt's Administration, will arrive in Portland late tomorrow.

Mr. Fairbanks is due to arrive in Portland from California at 5:30 o'clock. On his way through the Willamette Valley, he is scheduled to make speeches at Eugene, Albany and Salem and at each city arrangements have been made for a big meeting.

Mr. Fairbanks will be escorted from the Benson Hotel to the armory by the uniformed marching corps of the Multnomah Republican Club, led by De Caprio's band. Orders for the members of the club to assemble at headquarters, 333 Oak street, at 7 o'clock tomorrow night to form the escort of honor, were issued yesterday by General Charles P. Beebe, commanding the marchers.

Mr. Fairbanks is the only living ex-Vice-President of the United States. He was nominated as President Roosevelt's running mate for the campaign of 1904, by unanimous vote of the Republican National Convention.

Mr. Fairbanks first became a National public figure when, as temporary chairman of the Republican National Convention of 1898, he delivered the keynote speech in favor of protection and sound money, as against the free coinage of silver.

Mr. Fairbanks is a popular and successful public figure. He has been a member of the American-British high commission, which settled the fisheries question and took up the Alaskan boundary issue, two subjects which had been seriously threatening the continuance of friendly relations between this country and Canada.

SEARCHING FOR HUNTER

Investigators Unanimous for Patrolman's Reinstatement.

MAYOR ALBEE SAYS NEVER

Deadlocked Civil Service Board is Dismissed and Former Dismissal is Likely to Stand.

John H. Burgard, Phil Metzchan, Jr., and R. A. Stewart, a special committee appointed by the Municipal Civil Service Board to hear the appeal for reinstatement of C. F. Hunter, a traffic policeman, discharged by Mayor Albee May 25 for alleged complicity in a riotous midnight party in the Grand Oaks Apartments on the East Side, recommended unanimously yesterday the reinstatement of Mr. Hunter by the Civil Service Board.

Mayor Albee declared after the committee's decision that Hunter will never wear a police uniform as long as he is Mayor. The Civil Service Board has to adopt the committee's recommendation before it will have any effect. R. H. Thomas, one of the three Board members, declared last night that he will vote against the committee's recommendation. John F. Logan, a second member of the Board, probably will be in favor of the committee's recommendation.

Discharge Not in Good Faith. In an exhaustive report of the investigation the committee says the discharge by Mayor Albee "was not made in good faith for the purpose of improving the public service." The report says it is "for the benefit of the public service that C. F. Hunter should be reinstated to his position. We base our findings largely upon the fact that the investigation conducted by Chief of Police Clark and Mayor Albee was wholly ex-parte and without giving any opportunity to Hunter and that several reliable witnesses who were present to show that said Hunter was not guilty of any of said charges."

2 NORMALS WANTED

Monmouth President Tells Ad Men of State's Needs.

1000 PUPILS NECESSARY

Area of Service is Limited, Says Educator, and Town Too Small Cannot Provide Classes for Experience Teacher Requires.

Not only a normal school for Pendleton as soon as possible, but another normal school for some city in Southern Oregon later, was the recommendation of J. H. Ackerman, president of the Monmouth State Normal School, at the Ad Club yesterday.

Pupils Must Be Available. "When you come to locate these normal schools you should bear in mind three things. For a normal school to be most successful in its service to the public, it should be situated in a city where there can be guaranteed at least 1000 pupils in the public school for training purposes; it should be at a railway center where it can easily be reached from the territory it serves, and it should be in the center of a locality that has high schools enough developed to supply students to it."

Appeal for Poland Impresses. Ben Selling was the chairman of the day, and introduced as the guest of honor labor leader Hershey, of the Hebrew Sheltering and Immigration Aid Society of America, who described his recent trip to Poland to secure means of relief for the war sufferers in that country.

AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

Instant Relief From Sourness, Gas, Heartburn, Acidity, Dyspepsia.

"Pape's Diapepsin" Is Quickest and Surest Stomach Relief Known.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress. Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear. If your stomach doesn't take care of your liberal limit without rebellion; if your food is a danger instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin—which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary—Adv.

HORSE HEADLINES BILL

"SNOWFLAKE" DOES PRETTY POSING ACT AT STRAND.

Woman of 80 Years Delights Theater Patrons With Old-Time Tunes on Violin.

"Snowflake" and his lovely mistress, Mlle. Eva DeVerne, headline the Strand bill that opened yesterday with an act that is reminiscent of charges and princesses of fairy tales and of wonderful animal sculpture. "Snowflake" is a horse, white as his name and trained to perfection. He poses for his mistress in "The Horse's Prayer," "At the End of the Trail" and various other attitudes. The white he stands out from the black velvet background like a marvelous piece of sculpture. His mistress, Mlle. DeVerne, is an attractive, dark-eyed beauty, attired like the princess of fairy stories. Their act is as beautiful as it is unique.

"Grandma" Huxley, aged 80, whose talent has been hidden until she was recently discovered by Melvin Ogden, organist, and Manager Piercing, is an exceptional attraction. In spite of her years, she is an excellent violinist, and her selections, mingled with folk tunes, firs and reels, are delightful and refreshing.

A graphophone, a 'cello and Al Allen are all that is required for a popular novel musical act. Mr. Allen's numbers are bright and his impersonations clever. Brother and sister are the two Van Perry, Belgian peasants, who dance and sing in native style and play xylophone.

A stirring motion picture, starring Cleopatra, is "The Chalice of Sorrows," in which a woman sins for love and pays the price in sorrow. Melvin Ogden offers special pipe organ selections for the photoplay.

The bark of black oak, or "yellow oak," as it is often called, on account of the color of the inner bark, is now used for making.
