UNIVERSITY OF OREGON, Eugene, Oct. 11.—(Special.)—Miss Lucia Campbell, only daughter of President P. L. Campbell, became the bride this evening of Sydney E. Henderson, City Engineer of Astoria, Or.

DAUGHTER OF PRESIDENT OF UNIVERSITY OF OREGON, WEDDED LAST EVENING.

MRS. SYDNEY E. HENDERSON (LUCIA CAMPBELL).

The ceremony was performed at the St. Mary's Episcopal Church in Eugene, Rev. P. K. Hammond, of Medford, Or., officiating. Two hundred friends and guests were invited. Following the ceremony a formal reception was given at the Hotel Osburn, attended by 300.

The bride wore a beautiful gown of white satin, draped with white and iridescent lace, caught with orange blossoms. The bridesmaid wore yellow satin draped with silk net and silver lace.

The choir, composed of close friends of Miss Campbell, were dressed in white and wore pink and white hats. The wedding party included Miss Campbell, her bridesmaid, and several bridesmaids.

The bride received many very beautiful gifts from her many friends. The refreshment, sophomore, and junior classes of the university will have the faculty remembered her in honor of the service rendered by her father.

Hot Water for Sick Headaches Tells why everyone should drink hot water with phosphate in it before breakfast.

Headache of any kind is caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood, through the lymph ducts, excite the heart, which pumps the blood so fast that it congests in the smaller arteries and veins of the head, producing violent, throbbing pain and distress, called headache.

Results are quick and it is claimed that those who continue to flush out the stomach, liver and bowels every morning never have any headache or know a miserable moment.—Adv.

MARIAN MILLERS ANSWERS

A YOUNG woman who has more time and money than sense told me on Monday that she was tired of life. Portland was to her a drearily dull place, and there was nothing to see and nowhere to go.

But after a while she became blind suddenly and had never seen these things and never could. What you would really like to have is a wife. Open your eyes and look all about you, I advised.

Medford, Or., Oct. 6.—Dear Marian Miller: Two years ago I married a man and he was a very nice fellow. I was very happy. One day a woman showed up and said she was my wife.

Portland, Oct. 8.—Dear Marian Miller: My husband has been causing me considerable worry lately. I think he is in love with some other woman.

First, you must think of the children. If you do anything rash it may mean years of heartache for you and the children growing up without a father's love and protection.

PIANO SATISFACTION

lies not in the piano you may purchase because it seems cheap. The commercial piano is made cheap to sell cheap. Careful examination will reveal its defects in construction, its impurities of tone and its lack of durability.

The cheap commercial piano is an extravagance at any price. The tuner and the repair man soon collect more than you thought you were saving.

It is because we know pianos and know just how little you can afford to pay and be sure of your future satisfaction that the "cheap" piano finds no home in the households of our friends.

Low-priced pianos we have, and a careful comparison of them with the widely advertised "bargain pianos" will convince you that you really pay no more, but that in quality, service and satisfaction you have benefited greatly. Terms are no higher.

SEWER COST IN DISPUTE

TANNER CREEK PROJECT MISUNDERSTOOD, COUNCIL HEARS.

City Commissioner Says Cost for Lower Work Will Be Only \$6000; Attorney Is to Investigate.

City Commissioner Dieck told members of the City Council yesterday that it was through a misunderstanding on their part that they got the idea that the city would have to pay \$65,000 for general taxation for the rebuilding of the lower end of the Tanner Creek trunk sewer.

Mr. Dieck produced reports to prove his point and it was generally conceded that there was room for a dispute. To make sure, however, the proposition was referred in full to City Attorney LaRoche for investigation and report.

The Council had understood that the additional cost of the sewer to provide for drainage of area outside the city would be \$65,000, which would have to be paid from general taxation.

Commissioner Baker declared that reports on file indicate that the additional cost will be \$65,000 and that these records would be available in case of a lawsuit.
