LOS ANGELES, Cal., Oct. 20.—(Special.)—By losing to the Beavers this afternoon the Angels failed to cinch the Pacific Coast League pennant today, as they would have done had they won, as the Tigers were also beaten. The final score was 3 to 1.

Rip Hagerman made his last appearance against the Angels, and did himself proud by holding the near-pennant winners to one score and but six scattered hits. His opponent was none other than the celebrated Jack Ryan, who gave way to a pinch hitter in the eighth frame.

The Beavers started after Ryan in the first and messed up the scorecard with three hits, but failed to bring home a tally. Therefore, they were forced to wait until the second frame, when one hit, sandwiched in with a couple of walks and a wild heave, scored Rodgers and Williams.

Portland slipped over their final run in the seventh, when Evans walked, went to third on a single by Vaughn, and home on Southworth's long sacrifice fly to Wolter. After the seventh George W. Zabel took up the task of stopping the Beavers, and held them scoreless, although two hits were registered off his delivery.

Rip Hagerman got himself into deep water in the fifth when he allowed a single and a double. Not being satisfied with that, he allowed Koerner to score and McLarry to go to third when he made a wild heave to the grandstand. After that the Angels never had a chance to score.

COOK WINS PISTOL MATCH

Winner of Grand Aggregate at Jacksonville Is G. W. Chesley.

JACKSONVILLE, Fla., Oct. 20.—The individual pistol match, the concluding event of the National Association's programme, was won here today by George E. Cook, of Washington, D. C., who scored 385 out of a possible 420 points. N. R. Wilcox, of the Nevada civilian team, with 379 points, was second, and W. H. Spencer, of St. Louis, third with the same score. There were 305 competitors.

George W. Chesley, of New Haven, Conn., was declared the winner of the grand aggregate match as he chalked up 809 out of a possible 855 points in the members' rapid fire, marine corps Leech cup, Wimbledon cup and President's matches.

Besides the pistol match there was no other record firing today. Monday the National matches under the auspices of the National Board for the promotion of rifle practice begin. Fifty-six teams are here, said to be the largest number ever gathered for a National match.

WINGED "M" BOXERS NAMED

Underwood and Louttit to Represent Club in Seattle Match.

Ralph Underwood, 115 pounds, and Tom Louttit, 175 pounds, will represent the Multnomah Amateur Athletic Club in the first inter-club tournament of the season to be held in the Seattle Athletic Club's gymnasium November 4. They will take care of the boxing end of the programme.

There also will be two wrestling events. One of the wrestling weights will be 158 pounds and the Winged "M" institution has left it to the Sound City institution to name the other weight. There will be a tryout soon at the club to see who will represent it at the middleweight poundage. As George McCarthy is in California, not to return until late in December, the honor seems to lie between George Clark, George Hansen and Roland Yerex.

Frank Harmar, chairman of the boxing and wrestling committee, with Eddie J. O'Connell, boxing and wrestling instructor, will accompany the Portland boys.

BIG college elevens desiring to obtain tidy practice games are requested to call on Tufts. Harvard and Princeton will furnish suitable recommendations.

* * *

To meet Harvard one Saturday and Princeton the next and to maintain all this time an uncrossed goal line, is glory enough for one campaign. Or for several campaigns.

The All-Star Back.

With the passing, in turn, of Thorpe, Brickley, Hardwick, Mahan and Barrett, the best all-round backfield star of the Eastern span this season looks to be Harry LeGore, of Yale.

Le Gore should reach great heights this season. He has not only fine speed and great power, but also most of the tricks of the backfield trade. Few can use the straight-arm with more telling effect and when this play isn't in order his side-stepping, dodging qualities will meet the occasion.

Le Gore has never had the team before to show anywhere near his top form. Mahan, on a weak eleven, would have been good, but hardly great. A back may be as fleet and swift as the Autumn wind, but if he is nailed before he starts his speed goes for nothing.

Le Gore has a far better team around him than he had two years ago; and before the year is over Le Gore's place in football will be written in the general vicinity of the top.

Why the High Brow Stuff.

Boston in the last four years has had:

First—Three world championship ball clubs.

Second—Three football championships.

Third—Amateur and open golf championship.

This sounds more like the original Cave Man city to us than any Citadel of Culture.

Her brow may be high, but most of it is covered with the laurel and the olive.

Yale vs. Harvard.

Harvard has undoubtedly slipped a bit from her high football estate of the last five years.

Yale has undoubtedly moved upward. Whether Yale has moved upward far enough to pass the Crimson descent is not to be announced just at this moment. But there is one guess that you can cash— there will be no 20-to-0, 36-to-0 or 41-to-0 jubilees with a Crimson tinge.

There will be a regular battle at hand for their next meeting and the winner will be thankful enough for a two-point margin.

A Call to Winter.

Blow, blow thou Wintry breeze!
Freeze up putting greens ad tees;
Drive me from the bunker's call,
Drive my mashie to the wall;
Drive me from the rolling glen,
Drive me back to work again.

Who am I to answer "Nay,"
When I have a chance to play?
Who am I to mutter "Nit"
When a golf ball's to be hit?
Blow, blow with chilling throb,
Blow while I still have a job.

It took Brooklyn 16 years to win a pennant and achieve all the glory thereof, but after the Red Sox series the average Brooklyn fan is beginning to wonder where all the glory went. Judging from the various testimonials offered, Brooklyn picked up greater glory the years she finished sixth. If not greater glory, at least far less of the other thing.

Habit is considerable institution. Cornell, after many years in the wilderness, entered the Promised Land last Fall. Having arrived, she shows no inclination to take her leave and unless Harvard, Michigan and Penn, are several strides better than they look to be the process of evicting Al Sharpe's pupils will be delayed indefinitely, if not longer.

We'd Rather You'd Say It.

Sir—If Yale gets a good trimming this season, you might say she was beaten Black and Blue.

PLATO PETE.

Duffy Lewis had an off year in the series this Fall. He batted only about .350.

MABEL TRASK WINS

Grand Circuit Favorite Takes Main Event at Atlanta.

GEERS' HORSE IS SECOND

St. Frisco Presses Winner in All Three Heats—Lee Axworthy, in Exhibition Trot, Lowers the Track Record to 1:59¾.

ATLANTA, Ga., Oct. 20.—Mabel Trask, owned and driven by Walter R. Cox, added to her victories over her harness rival, St. Frisco, when, in straight heats in the Grand Circuit races today, she won the Georgia Railway & Power Company cup and the big end of a $2500 purse.

The two favorites trotted consistently. St. Frisco, owned by Frank G. Jones, of Memphis, and driven by "Pop" Geers, finished each heat in second place, and in neither more than a neck behind. The race was for the 2:08 class trotting, with a field of five.

The Real Lady, driven by Murphy, and Mary Coburn, with White behind, were the only starters in the 2-year-old class trotting event, and Mary Coburn won.

The third event, 2:11 class pacing, was won by Little Frank D. in straight heats. Three heats of the 2:07 class trot were staged, but at least one more will be necessary to decide the event.

Lee Axworthy, the world's champion trotting stallion, came out between events with B. F. White at the reins, and started to lower the Georgia track record of 2:05. He reeled off the mile in 1:59¾.

Peter Mac also came out as a special event and gave an exhibition mile performance, piloted by M. McDevitt. He made his mile in 2:04½, thus himself beating the Georgia record as it stood before Lee Axworthy lowered it.

COAST FOOTBALL LIVELY

FOUR BIG GRIDIRON CLASHES TO BE PLAYED TODAY.

Oregon-California and Oregon Aggies-Nebraska Contests Are Affairs of Greatest Interest.

SOUTHERN AGENTS VISIT

TEXAS AND LOUISIANA PARTY TO SEE OREGON ATTRACTIONS.

Southern Pacific Arranges Trip for Employes, Believing Information Gathered Helps Road.

Six Southern Pacific passenger men from Texas and Louisiana are here to study the town. Their visit is a performance of the Southern Pacific's broad general policy of acquainting all its salesmen with all parts of the road. Passenger men from Texas are sent over the line through California and Oregon to Portland. From Portland they are sent east to Texas and New Orleans. It is found that this practice aids the men materially in selling tickets.

Those in the party that arrived yesterday are: J. E. Monroe, city passenger and ticket agent at El Paso; C. E. Compton, district passenger agent at Galveston; Henry Ball, city ticket agent at Waco; J. E. Bledsoem, city ticket agent at Fort Worth, and F. W. Schaub, city ticket agent at New Orleans.

John M. Scott, general passenger agent, and C. W. Stinger, city ticket agent in Portland, had them in charge yesterday. They made the trip over the electric loop to McMinnville and back in the morning, and went over the Columbia River Highway in the afternoon. They will visit Eugene, Albany, Corvallis, Salem and Woodburn today, and on Sunday will go to Medford, Grants Pass and other Southern Oregon points. They will return from Southern Oregon to California and East.

LANE OFFER IS REJECTED

State to Use Funds Only on Pacific and Columbia Highways.

EUGENE, Or., Oct. 20.—(Special.)—The advisory committee of the State Highway Commission today rejected the offer of Lane County to spend $4000 on the survey of a highway from Eugene to Coos Bay, provided the state would spend a similar amount, according to word received by members of the Lane County committee interested in the project.

The proposed survey from Eugene to Florence would have formed a part of the contemplated road from Klamath Falls to Florence. Lane County proposed to spend its portion of the money on the road between Eugene and the Douglas County line on the Coast.

The committee of the Highway Commission states that the only money available at this time will be used on the Pacific and Columbia Highways.

CLOTHIER IS ARRESTED

Morris Z. Brown Accused of Theft of $100 From Customer.

Morris Z. Brown, proprietor of a clothing store at 46 North Third street, was arrested late yesterday afternoon by City Detective Coleman on a grand larceny charge. It is alleged that Brown took $100 from the clothing of Edward Kellner, a customer. Bail was fixed by Deputy District Attorney Ryan at $500.

Kellner, whose home is at Bellingham, Wash., had saved the money during three months in the harvest fields. He came to Portland to work in the shipyards. Five $20 bills, he says, were in his vest pocket when he entered Brown's store to trade his suit of clothes for working garments. Brown denied the money was there.

MUTS PLAN FOR RELIEF

MR. STRANDBORG TO RETIRE AS HEAD OF ORDER.

Members Instructed to Take Survey of Candidates and Report Back to Meeting Two Weeks Hence.

Members of the executive committee of the Muts, the governing body of this unique order, held its preliminary meeting of the season yesterday and discussed plans for the coming Winter. Arrangements were also made for holding an election of officers to have charge of the future activities of the organization.

"Bill" Strandborg, founder of the order and "Big Mut" for the past two years, announced his intention of retiring as head of the order, and, at the election two weeks hence, the executive committee will choose his successor and other executive officers.

At yesterday's meeting it was decided that each member of the executive committee should make a personal study of general conditions in the city during the coming week and report back at another meeting to be held next Friday afternoon. From these reports the Muts will be able in a general way to determine what are the special needs for relief work, if any.

Plans were also announced for a big "celebration," in which all the Muts will take part and for which Manager W. T. Pangle donated the use of the Heilig Theater. The committee in charge of this entertainment consists of E. B. Duffy, C. G. Sutherland and Charles F. Berg.

ARMY INSPECTOR VISITOR

Colonel McDonald Says Enlistment in Portland Satisfactory.

Colonel John Bacon McDonald, United States Army, Inspector-General for the Western Department, left Portland Thursday night for Spokane, after making an inspection of the depot quartermaster's and recruiting departments here. Colonel McDonald is making a tour of inspection through the country.

Before leaving he declared the showing here to be satisfactory, as 54 recruits have been enlisted this month.

Colonel McDonald came directly from General J. F. Bell and his mission here was to a great extent confidential. He will visit Salt Lake City on his way East.

JUST ON THE BORDER!!

THOUSANDS OF PEOPLE ARE "JUST ON THE BORDER" of bad health, a crisis which, unless speedily and effectually averted will throw them into a long conflict with disease. Behind the largest per cent. of physical breakdowns, BAD BLOOD will be found ambushed. You can not reach and overcome this outlaw of your system with ordinary medicinal ammunition. You must hunt him down and fight him hand to hand with S.S.S., a POWERFUL CLEANSER OF THE BLOOD. Write for our FREE books on Blood and Skin Diseases, or to our Medical Advisory Department for advice.
