

CROWDS SEE WILSON

Red Fire Burned in President's Honor on Way.

CAR AHEAD JUMPS TRACK

Demonstrations Arranged by Local Democrats in Ohio and Pennsylvania, but No Speeches Are Made—Day is Rainy.

HARRISBURG, Pa., Oct. 20.—President Wilson, returning to Long Branch today from Chicago, participated in campaign demonstrations arranged in his honor along the route by local Democrats in Ohio and Pennsylvania.

A large crowd was assembled here tonight in the square in front of the railroad station, where red lights were burned in honor of Mr. Wilson.

The President hastened back to his private car, but just as the train got under way the coach ahead of his car jumped the track, bringing the train to a stop with a bump.

At Greensburg the President left his car in a driving rain and walked outside the station with Colonel Richard Coulter, Jr., of the Tenth Pennsylvania Regiment, just returned from the Mexican border.

The President stood up in a flag-draped automobile, waved to the crowd, thanked them and then hastened back to the train.

Brief stops also were made at several towns where the President appeared on the rear platform of his car and shook hands with the people. It rained constantly.

WILSON GREETES BRYAN

PRESIDENT AND EX-SECRETARY SHAKE HANDS IN PITTSBURG.

Large Crowd Sees First Meeting of Men in Months and Automobile Tour is Delayed Five Minutes.

PITTSBURG, Oct. 20.—President Wilson and W. J. Bryan, ex-Secretary of State, met here today for the first time for months.

The President stopped in Pittsburgh for an hour and a half on his way from Chicago to Long Branch, N. J., and Mr. Bryan came here on the way to speak at Johnstown, Pa.

As soon as the President arrived at the station the ex-Secretary of State entered Mr. Wilson's private car and the two men shook hands.

A large crowd outside the car saw the greeting. The men spoke together only for a moment or two and then left the car.

The appearance of Mr. Bryan caused five minutes' delay in an automobile tour of Pittsburgh arranged for the President. Automobiles for the President's party were waiting outside the station, and President and Mrs. Wilson immediately entered one of them.

Mr. Bryan, after talking with the President, said he had become convinced that Mr. Wilson would be re-elected. He has been campaigning for the President and declared he expected the Democrats to gain several Senators in the mountain states.

"I want to put it as strongly as possible," said Mr. Bryan, "the people approve his Mexican policy and something the Administration has done appeals to every class of voters. He added that the women of the West are for the President."

'MILITANCY' IS DENIED

WOMAN'S PARTY CHAIRMAN SAYS METHODS ARE PEACEFUL

Attack on Suffragists by Chicago Mob Declared to Emphasize Necessity for Ballot.

RENO, Nev., Oct. 20.—In a statement issued here today, Miss Anne H. Martin, National chairman of the Woman's party, condemned the action of the crowd in roughly handling women at Chicago last night, while President Wilson was speaking.

"We are accused of being militant," said Miss Martin, "but our work for National political freedom has been carried on everywhere by peaceful, dignified and constitutional methods. The only 'militants' are the Democratic men who do not hesitate to malign; to attack us; to knock women down if need be and to destroy our property in their efforts to oppose justice to women and our purpose to hold the suffrage for women."

The recent attack upon Woman's party members in Chicago emphasizes the necessity of speedily placing all the women of the country under the protection of the National Constitution.

NAVAL BASE DATA ASKED

ADMIRAL HELM'S COMMISSION IS WITHOUT INFORMATION.

Copy of Portland Chamber's Correspondence With Admiral Dewey Is Requested in Letter.

OREGONIAN NEWS BUREAU, Washington, Oct. 20.—Admiral Helm's commission of five naval officers, appointed to study the navy-yard and navigation needs of the Pacific and other coasts, is concerned because it has not received statistics and information concerning the proposed Columbia River base and other Pacific Coast projects.

Absolutely no information has come to it from civilian sources in either Oregon or Washington.
