

TWO POST-SEASON GAMES SCHEDULED

Washington State to Play Multnomah Here December 9.

OLYMPICS COMING DEC. 16

Neither Contest Finally Ratified, but Action Is Expected in Few Days—Pullman First to Meet Oregon Here November 11.

BY EARL R. GOODWIN. Announcement was made yesterday by Manager James O. Conville, of the Multnomah Amateur Athletic Club, that contracts had been received from the Olympic Club, of San Francisco, and Washington State College at Pullman, Wash., for football games with the "Winged M" institution on Multnomah Field this season.

While the different boards of each institution have not acted on the matter, it is almost certain that the Washington State will be seen in action before a Portland audience against the clubmen on December 9, while on the following Saturday the Olympic Club athletes will be battling for fame on the same field.

Pullman to Play Here Twice. Washington State College and the University of Oregon will furnish the first treat on Saturday, November 11, but J. Frederick Bohler, director of athletics at the Pullman school, when he was here on his tour of duty at the University of Nebraska-Oregon Aggie affair last Saturday, told Manager Conville that he wanted to bring the States to Portland for a second meeting. This was granted yesterday, although final sanctions are not expected for a few days at least.

The Olympic Club boys have been having good luck so far during the 1916 campaign, and from all accounts they will be in line to give the Portlanders a run for their money from whistle to whistle on December 16. Both are post-season games ordinarily, but Manager Conville thinks that such high-class games will be sufficient to attract a big attendance in each case.

Clubmen Called to Practice. The Multnomah contingent has not been doing much of late—in fact, ever since the 23-0 trimming at the hands of the University of Oregon. Manager Conville has announced that all his candidates must be out for practice tonight on Multnomah Field under the arc lights.

The second team in the practice Sunday morning walked on the first team 9 to 0, mainly through the efforts of Manager Conville, who played with the second. Fifty minutes of straight football were done up in the morning, and all the boys knew that they had been through something when the signal was given to head for the showers. The proposed contest against the University of Utah is still hanging fire, although nothing definite has been done by either side. Just where the contest will be played is not known, but it is more than likely that the clubmen will be making the trip to Mt. Lake instead of the Utes coming here.

Club to Bolster Eleven. Plans are being made for a bolstering before the annual Thanksgiving day clash with the University of Oregon on Multnomah Field by the "Winged M" proteges. Several college additions are expected to turn out so that there will not be a repetition of the affair at Eugene a week ago last Saturday.

There are two or three places on the club line that need to be strengthened, and two niches in the backfield could receive attention without creating a weakness, and those in charge are looking around among the club members for the right material. Several scouts are on the trail.

The practice tonight has been called for at 7:45 o'clock, and none will be allowed to go in until 9 o'clock at least. The next session at night has been scheduled for Thursday night at the same time. Sunday morning again will find the first team battling the second squad on Multnomah Field soon after 10:30 o'clock.

Portland at San Francisco, Oakland at Salt Lake, Vernon at Los Angeles. SAN FRANCISCO, Oct. 23.—As the final week of play in the Pacific Coast Baseball League swings into existence it finds Los Angeles swinging along in the pennant race, and Portland making the race fly in the race for third place, and the inconsistent Oaks delivering many a stinging blow from their basement dugout, their hold on which is now thoroughly established.

The carriage was pulled to the campus by a long string of students. Arriving on the campus, students and townspeople assembled about the steps of Johnson Hall and in the program that followed President Campbell, Coach Hugo Bezdek, Trainer Bill Hayward and each member of the team gave a word or two to the fans.

Columbia Park's football team lost its first game of the 1916 season to the Broadway Athletic Club Saturday afternoon. The team, which was coached by Arthur C. Stubling, who for the last two years piloted the South Portland squad, 13 to 6, on the Columbia Park grounds Sunday.

Gossip of the Gridiron.

NOVEMBER 4 will be a big day at Eugene, Ore. That date has been designated "Homecoming day" to the alumni of the University of Oregon, and as a special attraction the Oregon football squad will battle the eight-time Northwest championship University of Washington aggregation on local fields of the Oregon campus.

Frank ("Hercules") Busch, all-star tackle in the Portland Interscholastic League in 1915, has been going great guns as a Whitman College representative. Coach Borleske expects big things of the Lincoln High alumnus.

The Oregon Aggies will be resting Saturday unless something is done the last minute. Everett May, graduate manager of the school, tried to line up a contest for that date, but so far he has been unsuccessful.

The University of Washington is actually "afraid" of Whitman College. There is more truth than poetry in that statement, for there seems to be some kind of a "Jinx" following Coach Doble when he sends his squad against

WHITMAN IN 1910 DOBIE RECEIVED HIS WORST SCARE WHEN THE SCORE STOOD 3 TO 0 AGAINST HIM AT THE END OF THE FIRST HALF, BUT HE MANAGED TO INSTILL ENOUGH "PEP" IN HIS ATHLETES TO MAKE THEM COME BACK WITH 13 POINTS AND THE SAME IN THE LAST HALF. ALL THE GAMES SINCE 1908 HAVE BEEN REAL BATTLES, ALTHOUGH DOBIE ALWAYS MANAGED TO COME OUT ON TOP BY GOOD SCORES. NEXT SATURDAY'S AFFAIR PROMISES TO BE NO EXCEPTION AT SEATTLE.

PRESTON HANSON, WHO NOW IS PLAYING END ON THE WHITMAN SQUAD, HAS BEEN WITH THE LINCOLN HIGH TEAM IN 1915.

DAN FOSTER, A WELL-KNOWN FORMER ALL-AROUND ATHLETE AT WASHINGTON HIGH SCHOOL, HAS BEEN PLAYING A GOOD GAME IN THE BACKFIELD FOR THE UNIVERSITY OF CALIFORNIA. THE UNIVERSITY OF OREGON WON FROM THE BEARS LAST SATURDAY 39 TO 14.

WHILE THE WASHINGTON STATE COLLEGE-UNIVERSITY OF OREGON GAME IS BEING RUN HERE IN PORTLAND ON MULTNOMAH FIELD NOVEMBER 11, THE OREGON AGGIES AND THE UNIVERSITY OF WASHINGTON WILL BE TANGLING ON UNIVERSITY FIELD IN SEATTLE.

FANS TO SEE NEW MEN

McCREDIE ANNOUNCES COMPLETE SHAKEUP NEXT YEAR.

Most of Players of Present Squad to Be Disposed of by Trades Before Training Period.

LOS ANGELES, Oct. 23.—(Special).—Announcement was made today by Manager Walter McCredie, of the Beavers, that a different team from the one which left Los Angeles tonight will represent Portland in the 1917 Coast League pennant chase.

"I've decided on a complete shakedown of my club for next season," said the Beaver leader. "I'm going to get rid of most of the players on the present squad as they failed to produce the goods."

"When the season opened I thought I had the best ball club in the league. We were handicapped by the bad weather in Portland for the first month, but the team looked mighty good. His retirement to us players would not keep in condition, even though I kept close watch on them. It was the failure to keep in shape that cost us the pennant."

"Next season I'm going to be more severe with my men and will have practically a new ball club when I come to Los Angeles next time."

"I expect several players from the Cleveland Indians this winter. I will have to wait until the Spring for my men and will have my ball club long before the training season opens."

"I will use the players I have now as trading material. I expect to pull off several trades with Coast League clubs this season."

The Beavers left tonight for San Francisco for a seven-game series with the Seals.

BOXER USES HEADGUARD

JOE GORMAN HAS DEVICE DESIGNED TO PROTECT EARS.

Athlete Training for Bout With Lee Johnson Wishes to Take No Chances in Practice.

Joe Gorman has started something among the boxers of Portland by wearing a headgear to protect his ears while working out with his sparring partners.

Sol Cohen, Gorman's manager, received the new guard from Sol Levinson, 41 San Francisco, last Saturday, and yesterday was the first day his protégé used the new gear. His ears have been protected for some time and he did not want to take any chances of entering the ring next Friday night!

In the headline bid of the Golden West Athletic League against Lee Johnson, with his ears in bad condition Joe Gorman, and George Moore, who is handling the affairs of Lee Johnson, have agreed on the third man in the ring, James H. Cassell, was named by both representatives and immediately accepted as referee.

KENWORTHY HAS LEAD OAK SLUGGER SEEMS TO HAVE SAFE HOLD ON BAT TITLE. Bodie Bids Fair to Be Runner-up in List of Regulars—Beavers Have Two Men in .300 Class. SAN FRANCISCO, Oct. 23.—Bill Kenworthy, of Oakland, hit the ball so hard last week that he seems to have the Pacific Coast League batting title all but slung into helplessness with a percentage of .316 out of 714 times at bat. Justin Fitzgerald, of San Francisco, has a percentage of .313, but he has been at bat only 295 times. "Ping" Bodie, another San Francisco slugger, looks like Kenworthy's runner-up, with a record of 754 times at bat and a percentage of .304. Another result of the week's stick work is the fact that Jacinto Calvo, also a Seal, banged his way into the .300 class, wherein only a total of 11 regular players have, three of them being Seals, four Beas, one an Oaklander.
