

NO, HORN EXPECTED AT EUGENE'S BIG GAME

Bezdek Cries Again and Again for Speed and Says His Team Has Chance.

VARNELL TO BE REFEREE

Number System to Be Used on Players Against Washington in the Great Gridiron Struggle of the Season Tomorrow.

UNIVERSITY OF OREGON, Eugene, Nov. 2.—(Special).—The sale of seats for the Oregon-Washington game Saturday is enormous, indicating a crowd of 10,000, rain or shine. Carpenters are hard at work rushing permanent roofing over most of the bleachers and other sections will be roofed temporarily with canvas. This is the protection that is being made in case of rain. A heavy rain is expected, but had ceased tonight and if the weather will clear tomorrow the field will be in excellent shape, as the rain today is the first of the season.

Officials for the game were announced tonight, with George Varnell, of Spokane, as referee, and Sam Dolan, head linesman. The timekeepers will be chosen later.

The Washington football lads will arrive in Eugene tomorrow.

Coach Bezdek sent the variety through the last strenuous practice this afternoon and tonight with a scrimmage.

The dictator's continual cry was for speed, speed, speed. The men were put through all the forms of defensive and offensive work, accustoming them to the muddy field. During one of the breathing spells the coach commented on the weather. "It's fine boys. We like it," and then called out his sharp, "Hurry, hurry, hurry," following this with, "We still have a fighting chance, even if Washington is heavier."

The number system for the players will be used to identify the men playing Saturday. In connection with this a new system of scoring has been worked out by Graduate Manager Tiffany and the coaches, and was installed this afternoon. This board gives the number of yards made on each down, the downs, yards to go, player carrying the ball and time to play. It is said to be one of the most modern scoreboards in the Northwest.

Special arrangements have been made for a reception of the Washington team at the depot Saturday morning with automobiles furnished by the Lane County Automobile Association.

AGGIES WILL SEE BIG GAME

Pipal to Take Entire Squall for Oregon-Washington Clash.

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 2.—(Special).—The coming football game between the University of Oregon and the University of Washington is the one of the most interesting on the Oregon Agricultural College campus, and a large delegation of fans from the college will journey over to Eugene Saturday afternoon.

A special train will be run over the Oregon Electric, leaving Corvallis at 12:45 in the afternoon, and will travel the entire Oregon Aggie football squad and the coaching staff. The Aggies will play the University of Washington at Seattle on November 11, and are scheduled to line up against Coach Bezdek's pupils November 25, so that they are doubly interested in Saturday's contest.

WOMEN TO NAME GOLF DATES

Committee of Fair Players to Fix Time for National Tourney.

NEW YORK, Nov. 2.—A committee of women will select the course and dates for their next "National golf" tournament. An announcement at headquarters of the United States Golf Association says the committee has been asked to choose three clubs and the date which they consider best for the women golfers, so that their selections can be voted upon at the next annual meeting of the National organization, which is to be held in New York next January.

This is said to be the first time in the history of the organization that the women have been permitted to select the course and the dates.

SPEEDWAY OFFICIALS UNITE

New Automobile Organization to Be Perfected November 15.

CHICAGO, Nov. 2.—Officials of automobile speedways from all parts of the United States will meet here November 15 to perfect organization, it was announced tonight.

The plans, although not fully completed, provide for an organization to be known as the American Speedway Association, which will handle all details of racing not specifically covered by the American Automobile Association. Among these is the standard of money, the compensation to drivers, the method of defraying shipping expenses and the allotment of championship dates.

UNCLE SAMS SEEK PLAYERS

Deal on for Irvin, Marples and Laughlin, All of Winnipeg.

VANCOUVER, B. C., Nov. 2.—(Special).—The opening of the skating season here tonight has caused the hockey bee to start buzzing again, and the fans are already debating on the winner of the coming hockey season.

According to a Winnipeg report received yesterday Manager E. H. Savage, of the Portland Uncle Sams, is after more Winnipeg players.

Savage has had considerable telegraphic communication with Dick Irvin, but it appears Dick is not going to turn professional except on his own terms. Irvin insists on suitable terms for his pal and side-kick, Stan Marples. Savage wants both of them and Clem Laughlin, as well, but the Winnipeg men want too high a price at present.

PULLMAN FANS ENTHUSIASTIC

Team Expected to Defeat Idaho in Saturday's Big Contest.

SAN FRANCISCO BOY MEETS SIMMS HERE NEXT FRIDAY.

Bob McAllister, former Olympic Club crack middleweight and once considered one of the best in the game, agreed last night to box Lowe Simms, of the Butler School of boxing, at the Rose City Athletic Club next Friday night. McAllister is now a light heavyweight. He and the Portland boxer, who conquered Frank Kendall will tip the beam at about the same figure.

McAllister should prove a wonderful drawing card here, for he has been winning from heavyweights in California of late and is boxing better than at any time in his career. President Mike Butler, of the Butler School, will back up his main event with a good card.

RED SOX SALE NOT RATIFIED

American League Clubs Must Vote on Franchise Transfer.

CHICAGO, Nov. 2.—Notice of the sale of the Boston American baseball club, announced last night at Boston, was sent today to club owners in the American League by President B. B. Johnson.

The club is not officially sold until the deal is ratified by the league as a whole," said Mr. Johnson, "and final action on the matter probably will not be taken for a couple of weeks."

DOBE HAS SNEAK OF NEW PROTESTS

Oregon Stars Other Than John Parsons to Be Charged With Professionalism.

WASHINGTON TEAM LEAVES

Fight to Keep ex-Captain Out of Game Extends to Other Members of Bezdek's Crack Team.

SEATTLE, Wash., Nov. 2.—(Special).—The University of Washington football squad, 22 men, accompanied by Coach Gilmour Dobie, Graduate Manager Younger and Dean Priest, Washington's representative on the Pacific Coast Conference eligibility committee, left tonight for Eugene, Or., where the annual game with the University of Oregon will be played tomorrow. Coach Dobie is serving his ninth season as coach at Washington, during which time he has not lost a game.

The team will put in last ticks before the crucial contest tomorrow on Oregon Field.

Eight practice was the rule today, the eleven being run through short signal drill on University Field before leaving for the south. Dobie expressed his usual hope for a decisive battle, but the men looked mighty fast from the side lines.

Squabble in Prospect.

Armed with several documents, which may force an eleventh-hour change in the personnel of the Oregon eleven, Manager Younger was accompanied by Dean Arthur Priest. The Seattle men have a few little things which they will request the southern college to straighten out before Johnnie Parsons and a couple of other Oregon dependables step into the game. Although it is not the purpose to stir up any more trouble than can be avoided, Younger believes he has something on the Eugene eleven which may yet mean the game will be played without one or more Oregon men in the lineup.

Charges of professionalism, levied under assumed name and of leaving school six weeks before the term ended are a few of the details the Oregon men will have to explain to the hotel at Eugene before the game Saturday.

Murphy Moves to Halfback.

Dobie's team is somewhat handicapped by the loss of Gardner at halfback, but Murphy who has been brought back from the tackle position is showing up well.

The team left this afternoon for Eugene to stop off in Portland tonight. The journey to Eugene will be resumed tomorrow morning and the team will arrive in Bezdek's camp at noon.

Dobie will put his men through a limbering-up exercise on the Emerald field Friday afternoon.

Five hundred University of Washington rooters will leave Seattle tomorrow night for Eugene. The students have chartered a special train for the trip, and among other novelties will be a special car equipped for dancing, and as the University Band of 22 pieces will be on hand, the trip promises to furnish no dull moments.

The Washington rooters special will arrive in Portland at 5:15 A. M. Saturday. The party will breakfast at the Hotel Multnomah in Portland, leaving there at 8 A. M. for Eugene, arriving there at noon Saturday.

WHITMAN MEN ARE BATTERED

Team Not in Good Shape for Game With Aggies Saturday.

WHITMAN COLLEGE, Walla Walla, Wash., Nov. 2.—(Special).—The Whitman football team, which is to meet the Oregon Aggies on Saturday morning, has been put through hard scrimmaging every day this week, and Coach Borleske declares that half the members of the squad are unfit to be out on account of injuries.

Biometist, who was out of the Washington game with a bruised foot, is back in the lineup, but he as good as the other backs are in far from good condition. Of the linemen, Johnson and Johnson are all more or less the worse for wear and though playing cannot do their best.

WAVERLEY TOURNEY BILLED

Qualifying Rounds for Captain's Cup Set for Tomorrow.

Qualifying rounds for the captain's cup put up by J. H. Davis, will be played at the Waverley Country Club links tomorrow. Thirty-six holes are necessary to qualify and the eight lowest net scores after handicaps have been deducted will begin match play immediately. The tournament must be concluded within one week.

Only players who have represented Waverley in interclub matches this year or entered from Waverley at the Northwest championships at Spokane will be eligible.

Gossip of the Gridiron

CONTRARY to the reports sent out of the score of the Chicago-Wisconsin game was 29 to 7 instead of 30 to 7. After the last down by Wisconsin the goal kick was not allowed because of starting several of his "invaders." Phillips, the husky fullback who was injured in the last Washington High game, will not be in a suit. He is still carrying his arm around in the sling. Charley Parsons, who is the biggest sensation seen in the Portland Inter-scholastic League since his famous brother, Johnny, now creating a stir at the University of Oregon, was out of practice several of his "invaders." Phillips will arrive in Portland this morning and will be at the game this afternoon with Coach Vincent Borleske, who formerly coached the Lincoln High eleven.

town. The freshmen will have charge of the bonfire, and they have promised that "it will be the biggest yet." It will be 45 feet high, and the platform has been built at the top of the head on which stunts will be "pulled" prior to the firing. Speeches and fireworks will be in order. Five carloads of planking, besides several cords of slabwood, 20 loads of boxes, papers, excelsior, barrels, trees and other material "done up in the doling." Over the entire heap 300 gallons of oil will be poured.

The University of Oregon College band "will be all dolled up" tomorrow at the big game. The executive committee appropriated \$500 to pay for uniforms for the whole outfit, and the suits arrived yesterday.

A six-page edition of the Emerald, the official organ of the University of Oregon activities, will be placed tomorrow morning, and will be placed on sale on all the special trains leading into Eugene. Photographs of the various star players, with the lineups, records and various other interesting material will be in the extra.

Practically no betting whatever has been made as to the outcome of the Washington-Oregon affair tomorrow. While the few small deposits that already have been made have been for money, one or two of the boys at first gave 10 to 8 or 15 to 12 on Washington. Even money predominates.

WASHINGTON PLAYERS ON WAX

Gilmour Dobie and Squad of 22 Stop En Route to Eugene.

Coach Gilmour Dobie and 22 of his University of Washington football squad arrived in Portland late last night. After passing the night at the Hotel Multnomah they will leave early this morning for the scene of the big battle at Eugene tomorrow afternoon. As for the latest protests filed against Oregon nothing will be given out or decided before the game. Eugene's Dean Roberts is accompanying the Northerners on their invasion and he does not feel at liberty to give out any of the inside dope.

The Washington team, as announced by Coach Dobie last night, will line up as follows: Center, Captain Seagraves; and Morrison; guards, Murphy and Grimm; tackles, Smith and Faulk; ends, Abel, quarter, Noble, right half, Johnson, left half, Hainsworth, fullback.

CHAVEZ KNOCKS OUT HAMANN

Pugilist Also Fells Referee With Accidental Swing in Clinch.

KANSAS CITY, Mo., Nov. 2.—Benny Chavez, of Trinidad, Colo., knocked out Freddy Hamann, of San Francisco, in the tenth round of a scheduled 12-round match here tonight. Both are featherweights.

Chavez scored another knockdown in the fight when he floored the referee with an accidental swing to the jaw as he was being commanded to ring the bell. The official was dazed, but continued in the ring.

Saylor, Fighting Duffy, Disqualified.

Of Toledo, O., Nov. 2.—Milburn Saylor, of Toledo, Ohio, was disqualified in the eighth round of his fight with Jimmy Duffy, of New York, here tonight for failure to obey commands of the referee to break clean in clinches. The exhibition was to have gone 12 rounds. Duffy was nine pounds heavier than his opponent.

OREGON CITY, Or., Nov. 2.—(Special).—The Milwaukee High School football team, defeated by a 5-0 score by the K. E. D. Club, of Oregon City, at Milwaukee Wednesday afternoon. The game was fast from start to finish, the score being made in the last half.

'HIP' ACROBATS AMAZE

RISKS ARE TAKEN AND FUN PRODUCED BY FLORENCE FAMILY.

Clever Skits and Beautiful Girls in Daring and Smart Gowns Are Some of Bill's Attractions.

A bright bill with many laughs and plenty of surprises is headlined by an act by the Florence family, of the Hippodrome. The Florence troupe is one of the best-known and most skilful of vaudeville acrobats, and comprises a family that is daring and clever. Much attention centers about the young girl of the troupe, who is very pretty. Her part in the act is as great as that of any of the four men or the other women. However, all of them are good and the act is a real treat.

Mack and Edwin are a happy pair, full of fun and laughter. They are really good comedians and the latter's voice is a fine lyric soprano. Her frecks, too, are dashing and smart.

"Working for the City" becomes a snare and a pitfall for a young man and Brockway, who provide no end of fun for the audience. A clever young policeman and a blackface comedian are in the act.

Magic illusions and comedy are presented by Johnson and Arthur, who is fun of make-believe mesmerism and jokes and stunts galore.

"Mike" might have been a "sucker," they teach him "the corn every minute," but he happened not to be, so he gets the best of a clever trickster and a beautiful woman who try to victimize him. That is the sum and substance of an act by Hazel Heston and company. Miss Heston appears in several darling gowns, by the way.

A whirlwind pianist, an attractive girl and a comedian are the Curtis Trio, who give a really act.

A movie feature is the fifth episode of the serial "Through Bitter Doors," showing this week at the Hippodrome.

Jack Hartford Finds Going Too Rough—Several Hundred Fans Attend Rose City Athletic Club's Boxing Show.

BEFORE several hundred boxing enthusiasts Weldon Wing and Danny Edwards boxed to a draw in the feature event of the Rose City Athletic Club's boxing show last night. Wing really shaded the little colored battler from Oakland, but Referee Roy Kendall's decision met with popular approval.

The Albina lad did not put his usual good engagement, but the kids warmed up in the last two cantos and saved the bout from being a disappointment entirely. Edwards substituted for Alex Trambatis at the eleventh hour. Alex was forbidden from going on by order of the Juvenile Court. He is not yet 16 years of age. Wing weighed about 120 pounds as against 115 for Edwards.

At 133 pounds Billy Nelson won the decision over Jack Lewis, of Oregon City. The boys were clinching most of the time with Nelson pounding Lewis in the middle of his back. The latter was plainly puzzled at Nelson's strategy.

Jack Hartford, lightweight, quit to Peter Mitchell in the fourth round when the protegee of Fred Merrill hit him in the back of the neck. The Tacoma man tried to quit in the third stanza when he fell to the floor just as the bell was scheduled to ring.

Although Walter Knowlton beat Frankie Sullivan from here to Nome, Alaska, the referee called the title a draw. Sullivan was a portion of the crowd seemed to think that he should have had the verdict. Knowlton hit him with every imaginable punch and should have had the decision. They are lightweights.

Mr. Bullock, who is a driver for Lang & Co., and lives at Hillsdale, Ore., was arrested and charged with reckless driving by Traffic Patrolmen Wells and Saul.

The police say the Chinaman stepped off the curb in front of the machine, which stopped with one wheel resting on the prostrate man's abdomen. The Chinaman may have broken ribs.
