

DRIFT OF SENTIMENT IS GIVEN ANALYSIS

New York Hughes Alliance Figures as Given Out Make Good Showing.

"LABOR VOTE" WILL DIVIDE

New York Expected to Give Republican Nominee Majority of 100,000—Membership Largely Men Not Republicans in 1912.

NEW YORK, Nov. 4.—(Special)—Philip J. McCook, president of the New York Hughes Alliance, made the following statement today:

"Ninety per cent of the Progressives of 1912 will vote for Hughes. ... The drift of the Taft vote of 1912 to Wilson is inconsiderable. ... The labor vote will be as usual be divided, and of it Mr. Hughes will receive at least the usual share which goes to Republican candidates."

ISSUE MIXED IN CALIFORNIA

Prohibition and Senatorship Share in Political Interest.

SAN FRANCISCO, Nov. 5.—The last shots in the 1916 political campaign have been fired in California, and the champions of the various men and measures rested tonight with full confidence of their success at the polls Tuesday. An unusually heavy registration, even for Presidential years, has added to the interest and uncertainty of the election.

Prohibition and the race between Governor Johnson, Republican, and George S. Patton, Democrat, for United States Senator, were the issue in California that most overshadowed interest in the Presidential contest. While old-line Republicans and Governor Johnson and his aides have advocated his election and predicted that Hughes would carry the state, President Wilson has received stalwart support from his own party, and his election has been urged by prominent Progressives, notably Eudora Wood, president of the First National Bank here, and Representative Kent.

COLORADO ESTIMATES DIFFER

Confident Predictions Are Made by Both Headquarters.

DENVER, Nov. 5.—Confident predictions of victory for the state and National tickets were made at both Democratic and Republican headquarters here tonight. President Wilson, it was declared at Democratic headquarters, would carry Colorado by 40,000, and a plurality for Julius C. Gunter, nominee for Governor, of 20,000 was predicted. This, it was added, would include a 15,000 lead in Denver. At Republican headquarters a 30,000 plurality for Mr. Hughes was claimed, while Governor Carlson was expected to lead his ticket with a plurality of at least 25,000.

NEBRASKA HAS LIQUOR FIGHT

W. J. Bryan Has Made Vigorous Fight for Dry Amendment.

OMAHA, Nov. 5.—With both Democrats and Republicans claiming victory in next Tuesday's election, the prediction freely made that the prohibition amendment will carry, Nebraska settled down to await the results of the election. Besides interest in the National and state tickets, a heavy war has been waged on both sides of the liquor question. William J. Bryan has campaigned throughout the state in favor of the amendment, addressing the voters and supporting only those legislative candidates who would enforce the amendment. The prohibition amendment was defeated in Nebraska in 1890 by a majority of 29,583.

BOTH SIDES CLAIM MONTANA

Democrats Put Plurality at 25,000; Republicans at 20,000.

HELENA, Mont., Nov. 5.—Wilson will carry Montana by at least 25,000, according to a forecast made today by Bruce Kremer, Democratic National committeeman. O. M. Harvey, chairman of the Republican State Committee, claims the state for Hughes by 15,000. Both parties are claiming victory for the state tickets. Hugh Wells, chairman Democratic State Committee, says Governor Stewart is certain of re-election. The prohibition question is one of the big issues of the election and both the wets and dries are claiming victory by varying pluralities.

Senatorship Dominates in Nevada.

RENO, Nev., Nov. 5.—Interest in the three-cornered Senatorial fight in Nevada almost has overshadowed the Presidential contest. Senator K. Pittman, Democrat, is opposed by Samuel Platt, Republican, and A. Grant Miller, Socialist. Opposition to the Pittman land bill has been the chief topic of the campaign.

HUGHES CAMPAIGN IS CLOSED

Nominee Confident, but Has No Statement to Make.

NEW YORK, Nov. 5.—Both Democrats and Republicans profess entire confidence in the outcome of the voting Tuesday. Final orders have gone out from the headquarters here of the National committees to the chiefs in other states, but instructions will be transmitted tomorrow to sub-chiefs and lieutenants all the way down to the precinct managers. Charles E. Hughes, the Republican Presidential candidate, who will remain here until after election, announced tonight that he considers his campaign closed and that he has no further statement to make. He told the few callers here, however, that he felt sure of victory. The Republican nominee will vote Tuesday morning from the hotel here, which is his legal residence. The polling place will be an Eighth-avenue laundry.

Neither Vance C. McCormick, the Democratic national chairman, nor William R. Willcox, the Republican chairman, had statements to make today.

President Wilson's final message to state and county chairmen, telegraphed from Long Branch, was made public at Democratic headquarters, without comment. It was said to speak for itself. Frederick C. Tanner, chairman of the New York Republican state committee, predicted that 24 Congressional candidates in this state would be elected by the Republicans and 11 by the Democrats. In the two remaining districts, he said, the chances favor the Republicans. He repeated his earlier prophesies of the success of the national ticket.

"The latest canvasses received by the Republican state committee confirm my statement of last Monday that Mr. Hughes will carry the state by more than 100,000," Mr. Tanner said, "and that Governor Whitman, William M. Calder and the entire Republican ticket will be elected by substantially the same pluralities." State Chairman Harris, of the Democrats, added nothing to the prediction he previously had made that President Wilson and the state ticket will carry New York by a large plurality. It was reported that Tammany Hall estimates indicate President Wilson will carry the city by at least 85,000. The Democrats contend this will be more than enough to offset the Republican plurality upstate.

FIGHT FOR GOVERNOR CLOSE

State Ticket Situation in Iowa Over-shadowed National Issue.

DES MOINES, Nov. 5.—Following the close last night of the most strenuous campaign in the history of the state, Democratic and Republican leaders were coming to Des Moines from all sections of the state to await here the verdict of the voters, to be returned at the general election Tuesday. The fight between E. T. Meredith, Democratic candidate for governor, and W. L. Haring, the Republican aspirant, overshadowed even the national campaign. Both sides tonight predicted victory. South Dakota Votes on Amendment. SIOUX FALLS, S. D., Nov. 5.—Peter Norbeck and Orville Hinehart, Republican and Democratic candidates for Governor, both express confidence. Prohibition and woman suffrage are chief among nine constitutional amendments to be voted upon. The people will pass on five initiated and referred laws. Sheets of paper pass for money in Corfu; one sheet buys a quart of rice, and 29 sheets a piece of hemp cloth.

GARRANZA FORCES ABANDON PARRAL

Nothing Can Be Learned of Fate of Americans There, Say Refugees.

BANDITS OCCUPY JIMINEZ

Dr. Fisher, Said to Have Been Slain, Is Described as Elderly Man in Feeble Health—Chihuahua City Reported Quiet.

EL PASO, Tex., Nov. 5.—Parral has been abandoned by the Carranza garrison under command of General Luis Herrera, according to passengers arriving in Juarez tonight by train from Chihuahua City. Nothing could be learned, however, of the Americans there, they said. The report that Dr. Fisher, an American, had been killed at Santa Rosalia by Villa bandits could not be confirmed officially in Chihuahua, according to the passengers, who said the news was brought to Chihuahua by a German. It was said that the bandits there killed some Chinese and Arabs, Assyrians and other traders from the Near East. Dr. Fisher was described as an elderly man in feeble health, who had married a Mexican woman and owned one of the finest houses in Santa Rosalia. General Herrera was ordered to proceed to Escalon, a station on the Mexican Central Railway some distance below Jiminez, and the bandits still occupy Jiminez, according to the passengers. Conditions were reported quiet in Chihuahua City. Four Americans arrived at Juarez from Chihuahua City, but could add nothing definite to the reports current in Chihuahua. The garrison at Chihuahua City was estimated at 8000 men. It was said that the placing of artillery on a train there as a movable battery gave rise to a rumor, which was officially denied, that the city was to be abandoned by the Carranza forces. General Gonzales, in Juarez, said today he had ordered the execution at Madera of the Villa bandits captured at San Geronimo.

4 GIRL SLAVES RESCUED

Young Chinese Girls Found by Police Who Batter Down Doors.

SAN FRANCISCO, Nov. 5.—Four Chinese girls, aged from nine to 15 years, two of them alleged to have been held as slaves in a house in the Chinese quarter, were rescued today by a posse of police who battered their way into the place. As a result of the raid Lee Sze Chung and Lee Sze were taken into custody charged with keeping a disreputable house. The rescued girls told the police that they had been brought to the United States recently and had passed the immigration test on the representation that they were the daughters of merchants. On their arrival they were sold and had been held prisoners, they said, in the house where the police found them. The other girls were daughters of the keeper of the house.

HUGHES PICTURE POPULAR

Magazine Section Cover of Oregonian Displayed in Many Homes.

The big picture of Charles Evans Hughes that adorned the front cover of the magazine section of The Oregonian yesterday was in big demand by householders throughout the city and innumerable copies of the picture blossomed forth in the windows of homes in various suburbs. Comment was general that the picture is a striking likeness of the Republican standard bearer and it was considered an attractive and artistic decoration for the front window. In Irvington, Ross City Park, Ladd Addition and other sections of Portland, many of these pictures were noticed yesterday.

Iowa Professor Dead

IOWA CITY, Ia., Nov. 5.—Professor A. G. Smith, head of the department of mathematics and astronomy in the University of Iowa, died early today. He was for 15 years the university's representative on the Western Intercollegiate Conference Board and during that period twice served as its chairman.
