

NOTED WOMAN TO SPEAK FOR HUGHES

Miss Hester Hosford, Author and Lecturer, Addresses Eliot Rally Tonight.

WILSON WAS AIDED IN 1912

Writer and One-Time Democratic Campaigner Now Republican and Doing Effective Work—Mr. McBride Has Busy Day Ahead.

Miss Hester E. Hosford, of Cleveland, Ohio, well-known lecturer and author, will be the speaker at the final Hughes rally of the campaign, in the Eliot School, Rodney avenue and Knott street. She will speak on "Vital Issues of the Campaign."

The Eliot School is equidistant from Union avenue and Williams avenue, cars running either way to within one block of the school. Persons desiring to attend the rally should take Williams avenue, or St. Johns, or Williams avenue, or Alberta, Woodlawn or Union avenue cars on Union avenue, and get off at Knott street.

Harold Hurst, well-known member of the Apollo Club, will sing "My Own United States" and "America, I Love You."

Miss Hosford has been touring the West for the past several weeks under the auspices of the National Republican Committee. She is a graduate of Ann Arbor, has been a frequent contributor to leading magazines, and has spoken on the Chautauqua Circuit.

Four years ago she campaigned in California under the auspices of the Democratic State Central Committee for Woodrow Wilson. Last year, in common with so many Wilson supporters of 1912, she is working for the election of Charles E. Hughes.

Miss Hosford is the author, among other works, of "Woodrow Wilson, His Career, His Statesmanship and His Policies." She is a daughter of the American Revolution and a charter member of the Woman's National Democratic League.

In 1915 she was first assistant organizer of the International National Pan-American Exposition Peace Conference.

She occupied the same platform last Friday night in the Metropolitan Theater at Seattle with Senator Wesley L. Jones. Her address was widely quoted, and received many favorable comments for its vigor and keen logic.

The Seattle meeting was to have ended Miss Hosford's campaign tour, but she was escorted by James R. Garfield, of the Republican western headquarters, to include Portland in her series of engagements, and consented to do so.

The Alberta branch of the Hughes Alliance has cancelled its meeting set for tonight in the Vernon opera house that members of the alliance and their friends may hear Miss Hosford at the Eliot school.

Through a typographical error, the straw vote for Hughes, taken at the anniversary dinner Friday night of the Portland Lodge of Elks was published in Sunday's Oregonian as Hughes 253, Wilson 124. This was just 100 too few votes for Hughes. The correct figures for the vote were Hughes 353, Wilson 124, giving Hughes a lead of 229, or nearly 3 to 1 over Wilson.

George M. McBride will not close his campaign for County Judge until last night. He lost three days last week on account of an operation. Since then he has been crossing speaking dates, and other meetings to make up the lost time.

"Friends took him in tow yesterday about the county. Today will be his busiest. He will not stop, going until midnight.

The following telegram has been received by Dr. N. Moessosh, editor of the Jewish Tribune, from Oscar Straus, of New York, protesting against the un-American action of Henry Morgenthau in appealing to Jewish voters to form a "Ten Thousand Dollar Club" for Wilson in recognition of special favors.

"Dear sir:—I beg to acknowledge receipt of your letter of the 21st and a copy of the Jewish Tribune, and thank you for the same.

"I have endeavored all my life to keep religion out of politics and especially not to have the public misled that the vote of American citizens of Jewish faith has ever been or would ever be a group vote, unless American citizens of the Jewish faith would be discriminated against on account of their faith, which is unthinkable so long as America remains true to its basic principles and ideals.

"The appeal made by Mr. Morgenthau and others to Jewish voters, forming a 'Ten Thousand Dollar Club' for Wilson in recognition of special favors, was unjust, un-American, and an insult to our co-religionists—in insult because it is predicated upon the false assumption that any self-respecting Jew would barter his religious faith for citizenship, the individual right to cast his vote for the best interest of the country, because of any favor or supposed favor to him as a member of a particular sect.

"I think such an assumption is as unfair to the President as it is unjust to our co-religionists. Even in the midst of a heated political campaign, in which I am engaged, I do not charge President Wilson with any such motive and protest against the misguided methods and judgment of some of his campaign managers.

"I send you herewith copy of a statement upon this subject in case the one you refer to has coming from me which appeared in the press was not published in full.

"Very truly yours, OSCAR STRAUS."

500,000 BA THE INTERNALLY

The marvelous growth of Internal Baths since the advent of "J. B. L. Cascade" is a fact for not only the enthusiastic praise of its users to others, but also by physicians insisting more and more that the Lower Intestine must be kept free from waste to insure perfect health and efficiency.

Mary L. J. Walker, M. D., of Olean, N. Y., writes: "I must tell you of a case of Constipation lasting for years that was cured by your Cascade treatment. The physician in charge told the patient had a tumor lying between the stomach and intestines. The patient being 62 years old, he was no help could be given except the knife, but finding the intestines in a very bad state, I advised the 'J. B. L. Cascade,' which resulted in a complete recovery. When I took the case she was taking a laxative three times a day, and had been for three weeks; couldn't get along without it—now she never takes any laxative."

FLOCK IS REBUKED

Pastor of St. David's Church Scores Parishioners.

Church members who "prefer private interviews with God to family gatherings and fellowship with him" were rebuked by Rev. Thomas Jenkins, who after a year as pastor of St. David's Episcopal Church, took his congregation to task yesterday morning with charges of neglect, indifference and lack of faith.

Rev. Mr. Jenkins had just returned from the convention in St. Louis. His sermon was built on Genesis, in which he said, "The greatest fault of the church, he said, was neglect of the children's religious education, and the indifference of the church members."

Mr. Woodward declared that there was a moral obligation for this country to interfere and put a stop to the bloodshed in Mexico.

Mr. Woodward related conditions in Mexico to show the need of this country taking charge. He said that there are 40,000,000 people in Mexico, and that there is no record of the number of assassinations.

Replying to the objection raised that intervention in Mexico would make the other countries of the world mistrust us as a Nation, he declared that this country only had to point to its record in Cuba.

"Intervention in Mexico," he said.

There is no tonic for the stomach that is not a tonic for every other part of the body. But the stomach depends, as does every other organ, on the blood for its energy.

There can be no perfect digestion without rich, red blood. This is scientifically true. The way then to tone up the stomach is to enrich the blood.

If your digestion is off and your blood is thin there can be no question about it. You need Dr. Williams' Pink Pills to restore the condition of your blood, use care in the selection of your diet and the stomach trouble will take care of itself.

A SEARCHLIGHT ON Hughes and Wilson Strength

New York - Illinois - Indiana - Ohio - New Jersey

If we can catch the voters in the glare of the searchlight as they are shifting from one political camp to another, and count them, we can tell which camp will be found to have the heaviest battalions next Tuesday. So we have shot a ray of light at five big "doubtful" states where the paths from camp to camp are crowded with marchers, coming and going, and have made a count of those caught by its momentary gleam.

The Editors of THE LITERARY DIGEST wrote to 50,000 "Digest" subscribers in the States of New York, Illinois, Indiana, Ohio and New Jersey. They were asked to name the candidates they voted for in 1912 and for whom they would vote next Tuesday. More than 30,000 have responded.

In THE LITERARY DIGEST for November 4th the result of this canvass is shown. Several significant phases are apparent, and the article teems with interest.

There are many other articles of importance in this number, among which are:

VANCOUVER, Wash., Nov. 5.—(Special.)—Mrs. Julia Grams, 64, was injured today when she saved the life of her great grandson, Henry Wanke, in a runaway, while the family was on its way to the German Lutheran Church at Salmon Creek to have the child christened.

MEXICO DEBATE TOPIC

W. F. WOODWARD ADVOCATE OF AMERICAN INTERVENTION.

A. F. Fiegel, at Open Forum of Unitarian Church, Upholds Policy of Administration.

Intervention in Mexico by the United States was supported by W. F. Woodward at the open forum at the Unitarian Church, Yamhill street and Broadway, last night. Mr. Woodward was opposed by A. F. Fiegel, who supported the present policy of President Wilson of non-interference there.

Mr. Woodward declared that there was a moral obligation for this country to interfere and put a stop to the bloodshed in Mexico.

HUGHES MONEY OFFERED

Wilson Men Can Find \$15,000 to \$20,000 if Wanted.

There is still \$4600 Hughes money at the Benson Hotel ready to be taken. A local man placed \$4000 in the hotel manager's hands Saturday, and as yet only \$400 of it has been taken by Wilson supporters.

Wilson supporters insist on odds on the general results. At hand at the Benson, there is available between \$10,000 and \$15,000 to be placed on Hughes. Takers of Hughes money are scarce and it is doubtful if the entire amount will be placed.

Reports from the office of the County Clerk, Mrs. Fannie Crocker, show that after paying all expenses of the office, including necessary clerk hire and books purchased, a balance of fees collected amounting to \$1742 has been turned into the county treasury. The office is thus shown to be more than self-supporting.

Mrs. Crocker, the first woman to be elected County Clerk in the state of Washington, is the Republican nominee for the office.

Mrs. Wynne Tells How Lydia E. Pinkham's Vegetable Compound Helped Her During Change of Life.

Richmond, Va.—"After taking seven bottles of Lydia E. Pinkham's Vegetable Compound I feel like a new woman. Such warning symptoms are a sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness.

For these abnormal conditions do not fail to take Lydia E. Pinkham's Vegetable Compound.
