The majority may not be large, but it will be safe. How large it will be depends to great extent on Multnomah County, which is claimed by both the Republicans and Democrats,

### Swing to Hughes Pronounced.

eratic. But in these three weeks there Hughes. On the eve of election it does them stopping with the captain's comwith the probabilities either way. strongest that it will go Republican.

This will be disputed by strong Wilson partisans, but impartial straw tered in as a major and when mustered for the heavyweight championship of Herald, have shown it to be the trend, votes, such as the poll of the New York nevertheless. Wilson supporters are depending on a solid labor vote to carry the county, but no person or combination has ever yet been able to deliver the labor vote solidly, and there is no reason to believe that this year will prove an exception.

This fact stands out indisputably:

Electric Signals in Residences of Portland, Salem, Oregon City and Vancouver, Wash.

The Oregonian has arranged with the Portland Railway, Light & Power Company for a code of signals to announce the result of the Presidential election tonight in residences of its electric light patrons in Portland, Salem, Oregon City and Vancouver, Wash. The signal will be given by the turning out of the electric lights as soon as the result is known, according to the following code:

Two dashes (two successive five-second intervals of darkness) will indicate that Wilson

Three dashes (three successive five-second intervals of darkness) will indicate that Hughes

has won. Four dashes (four successive five-second intervals of darkness) will indicate that the re-

sult is still in doubt. The first signal will be given as soon as the result is known, If the returns are decisive, before 11 P. M., but at any rate a signal will be given promptly at 11 P. M., or as near 11 P. M. sharp as

### Bulletins at Sixth and Alder.

A complete oulletin service of election ret ms will be flashed by The Oregonian tonight on the Sixth-street front of the Wonder Millinery Store at Sixth and Alder streets. The count in the different states will be shown as rapidly as it is reported b- the Associated Press, which has un equaled facilities for assembling news. Because of the difference in time between Portland and the East, it is probable this service will begin by 6 P. M. or earlier. Reports of the count in Portland and Oregon, including contested offices in Multnomah County and initiative measures, will be fla hed at frequent intervals after 'he polls close at 8 P. M. The Oregonian has ade arrangements to cover every county in Oregon. The bulletins will be continued until midnight or later.

## ARBITRARY GUTS EQUALIZED

Mr. Daly Scheduled to Spring Surprise This Morning.

### MAYOR OPPOSED TO PRUNE

Employes to Be Dropped in Every Department and Will Include Approximately 15 Policemen and 12 Firemen.

Fifteen or 16 policemen and detectives, 12 or 13 firemen, part of the operate the city's incinerator, about 40 of the present arc lights on street corners, employes drawing about \$7000 In ment, about \$10,000 worth of the materials for public improvements and everal employes in the Park Bureau will be cut off December 1 under the 1917 budget arrangement definitely de-

cided on yesterday by the City Council. In spite of these cuts, which mean s big and important curtailment of the service in almost every line given by the city, and the cutting out of prac tically everything in the way of special appropriations for next year, the levy in its history.

### Levy Set at 9 Mills.

The Council definitely decided to fix the levy at 9 mills, which is .7 of a mill cipal streetcar, chased by its motor-man and the superintendent of the The increase will be necessary to make hill up a part of the deficit the Council for five blocks here today, injuring has created in the last two years by three persons slightly and spreading making annual tax levies aimed to look good to the taxpayer and voter, but conductor finally stoppedait by strug- insufficient to provide ample funds to keep the city's head above water fi-

The cuts in all lines were announced leaped from the careening car while at a meeting of the Council yesterday men passengers jussled with other at which each Commissioner presented trimmed out in accordance with the order of the Council majority at its meeting last Friday. Another meeting will be held this morning to check over the figures.

### Mr. Daly to Spring Something.

At the meeting this morning Commissioner Daly will attempt once more to gain the title of champion economist by trying to put through still more The title was grabbed from him Friday by Commissioner Dieck when the latter got advance information that Mr. Daly had an elaborate programme of economy which he intended pushing against departments other than his own, but lost out when Mr. Dieck beat him to it and proposed the general 5

"It makes no difference whether ] per cent cut all around. On leaving the Council chamber yesterday afternoon Mr. Daly unfolded his plan to a friend and said he purposely had the meeting of today arranged for this morning to favor an afternoon newspaper which is striving to pin the economy title, so essential in pre-election times, on Mr. Daly. Mr. Daly's attack this morning will be directed

### against Mr. Dieck. Segregation Is Made.

The 9-mill tax will raise a total next year of \$2,565,000. This will allow something like \$200,000 to apply to the fund for getting the city partly out of the hole financially. The rest will go Generally fair election weather is forecast to the payment of operating expenses for country today. Page 1. and interest and sinking fund as folterest on bonds, 1.2 mills; bonded in debtedness sinking fund, .4 of I mill Hughes betting favorite in Chicago, Page I.
Schater Works mays Wilson election would be calamity. Page 16.

1 mill. The 3-mill levy was adopted by vote of all the Commissioners but Mayor Albee, who voted no on the mocratic parade marches to final rally. ground that the crippling of the city service should not be tolerated.

The levy provided nothing at all for the O.-W. R. & N. grade crossing elimination work on the East Side. Plans are being considered for financing this in some other way. Commissioner Dieck said at yesterday's meeting that he thought possibly it might be done, but it is only passing the burden of payment to the next city administration; but the Council left all appropriations for this purpose out.

### Arbitrary Cut \$115,000.

The departmental cuts as reported esterday by each Commissioner under the 5 per cent pruning plan totaled \$115,000. Mayor Albee had \$55,000 to ut out of the fire, police and health bureaus. He says he has cut as deeply as possible into the item of supplies and materials in each bureau and left the rest to be trimmed off of the salary

Between four and six detectives will be put in their places as policemen, thus cutting down the number of detectives. Possibly a few more regu-Then policemen will be cut off in the order of juniority, the last men mployed being the first to go. The Mayor will go down the line on this basis, cutting out policemen and detectives as long as cutting is necessary. He estimates there will be 15 or 16 men dropped.

### Mayor Opposes Cuts. The same order leaves \$11,700 in

salaries for firemen to be dropped. This means 12 or 13 of them, and also means (Concluded on Page 15, Column 3.)
