Women, With First Presidential Vote, Give About the Same Ratio as Men.

Farmers Also Vote Against Wilson. Frank O. Lowden Defeats Democratic Incumbent for Governor by Big Lead.

CHICAGO, Nov. 7.—The vote for President in 3065 out of 5369 precincts, including 1703 in Chicago, gave Wilson 402,505, Hughes 587,135, a lead of 94,630 for Hughes.

CHICAGO, Nov. 7.—(Special.)—Illinois is back in the Republican column, and by a majority sufficient to dispose of any grounds for argument.

Although downtown Chicago was filled tonight with a cheering, horn-blowing crowd that blocked traffic and kept mounted policemen busy, the police department reported little trouble at the polls during the day.

Majority of Women for Hughes. Still another surprise was the big vote given Hughes by the women of the state.

Wilson made a poor showing downtown, especially in the heavy agricultural districts. On the returns now in only one precinct in the state gave him a majority.

Farmers Ignore Arguments. Farmers in this district, who have been getting a record in the stock and corn and wheat, appear to have been unmoved by the arguments that these prices were due to a Democratic Administration.

In 1912 Wilson carried Illinois with a vote of 405,048 to 336,473 for Roosevelt and 23,523 for Taft. Roosevelt in that year, carried Chicago by a plurality of approximately 35,000 over Wilson.

Many elements contributed to the defeat of Governor Dunne. When he went into office four years ago the state had a comfortable working bank account.

Two or three scandals at the State Capitol, one resulting in a suicide, did not help his administration. Dunne also angered the public by appointing to all offices men and women exclusively of one religion and nationality—a fact that probably caused more bitter resentment than the high tax.

When less than a fourth of the voting precincts in Illinois had reported, a

Reports from Every State. All Agree that Lydia E. Pinkham's Vegetable Compound Wonderfully Relieves Woman's Suffering. From all parts of this country the clearest evidence is constantly coming to the office of the Lydia E. Pinkham Medicine Co. of Lynn, Mass., proving the wonderful power shown by Lydia E. Pinkham's Vegetable Compound in controlling ills peculiar to women. Here are letters from Vermont, Arkansas and New Jersey:

It Cured Me! Roxbury, Vt.—"A year ago last December I was stricken with a female trouble and doctored for it but did not get any help until I took Lydia E. Pinkham's Vegetable Compound. My back troubled me a good deal and these troubles lasted so long that I grew terribly poor and I felt a great deal easier lying down. No one knows what I suffered. I did not dare consult another doctor I was so afraid he would say I had got to have an operation. I can truly say that Lydia E. Pinkham's Vegetable Compound was a god-send to me for after suffering about eight months this wonderful medicine cured me."—Mrs. NELLIE E. FRENCH.
