VANDERBILT CUP IS CAPTURED BY RESTA

Italian for Second Time Wins Automobile Classic at Santa Monica.

WORLD RECORD IS BROKEN

Race Not Marred by Accidents as in Other Years—Cooper Second, Weightman Third and Roads Fourth in Long Drive.

SANTA MONICA, Cal., Nov. 16.—Dario Resta won today the Vanderbilt cup for the second successive time, broke the Vanderbilt automobile road race record by 11 miles an hour, with an average speed of 86.98 miles an hour for the 294.035 miles, set a new world's road race record and took the lead in the American Automobile Association's $13,500 contest for the title of "champion driver of America." Resta's time was 3:22:48 4-5. It was a race unmarred by injury or death to contestants.

The three leaders broke the previous world's road race record made on the same course by Teddy Tetzlaff in 1912, with an average of 78.72 miles an hour.

This was not, however, a Vanderbilt cup race. Ralph De Palma, who averaged 75.60 miles per hour over the Santa Monica course in 1914, held the Vanderbilt speed record up to today.

The three who finished next in order to Resta were:

Earl Cooper, second, 3:30:40.4.

William Weightman, third, 3:42:00.4.

Roads, fourth, 3:54:45.4.

Only Six Finish Race.

Vail and Patterson, the only other survivors of the terrific strain on cars, were flagged while running.

Nineteen drivers started the long grind over the triangular course at noon before an audience of thousands banked high on temporary bleachers facing the ocean on the straightaway and wove their way between two deep hedges of "standing-room" spectators that lined both sides of the course. One by one mechanical troubles forced out the cars. Boldon alone suffering from the dangerous turns. He skidded and was out on the 31st lap.

It was Resta's race soon after the start. He, Aitken and Cooper fought for honors from the starter's flag, while William Weightman, wealthy Virginia sportsman, little reckoned with by the public before the race, made himself respected and came home third.

Aitken Takes Early Lead.

Aitken took the lead in the first lap with Cooper and Resta pursuing and the field following. They fought it out with Resta steadily, consistently whirring nearer, overcoming the handicap of his later start and pushing to the front in the 14th lap with Aitken and Cooper trailing. Resta widened his lead lap after lap, and after the 20th round, when Aitken was forced to withdraw with a broken crank shaft, he maintained a steady pace, at no stage of the race being in danger of his position. The Italian driver was not spectacular. He never varied on his turns, taking them with the same confidence he displayed on the straight-ways. Several drivers brought the spectators to their feet as they rounded the grandstand stretch in a cloud of dust, following bad skids.

Eddie Pullen, the idol of the stands, was disqualified on his 30th lap for taking on gasoline near the Soldiers' Home. Pullen was in fourth place at the time of his disqualification. Boldon, who was forced out after a bad skid in the 31st lap, was the 13th man to quit.

Resta, in addition to acquiring additional laurels, added $4000 to his fortune. Cooper received $2000; Weightman $1000 and Roads $500.

AGGY SOCCER TEAM TRAINS

Eleven Selected for Game With University Saturday.

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 16.—(Special.)—The Oregon Agricultural College soccer team held its last hard practice this afternoon prior to departing Saturday morning for Eugene, where the University of Oregon eleven will be met in this afternoon.

Neal K. Ford is captain and coach of the Aggies and it is largely due to his efforts that the games have been arranged. A return contest will be played at Corvallis the following Saturday morning. Ford has announced the probable lineup as follows: Johnson, goal; Cole, left full; Their, right full; Ball, center half; Wilmot, right half; Perry, left half; Galbraith, center forward; H. P. Ford, inside right; Hansen, outside right; Blanchard, inside left; N. K. Ford (captain), outside left.

HILLSBORO TO STAGE SHOOT

Gun Club Issues Invitation to Portland Scattergun Users.

HILLSBORO, Or., Nov. 16.—(Special.)—J. Charles Porter, manager of the Hillsboro Gun Club, has sent invitations to the members of the Portland Gun Club and other similar organizations in Oregon to attend the turkey shoot to be given under the auspices of the local club Sunday.

Special arrangements have been made for the occasion. Several members of the local club will take in the Woodburn, Or., shoot tomorrow and while there invite the nimrods to Hillsboro Sunday. Turkeys, both dressed and alive, will go to the winners of the various classes. The class shoot has been placed on the programme so that the mediocre shot has as much chance to bring home a bird as the regular blue rock smasher.

HURLBURT IS MADE COACH

"Spec" Takes Reins at Mulanomah Gridiron.

"Spec" Hurlburt, ex-Multnomah Amateur Athletic Club football captain and later coach at Portland Academy, at present offical referee of the Portland Interscholastic League, has taken it upon himself to coach the winged "M" athletes for the remainder of the 1916 season. He began his new duties this week in preparing the boys for the annual game against the Whitman College contingent on Multnomah Field tomorrow afternoon.

Coach Vincent Borleske and his Missionaries are due in Portland some time this morning, and arrangements were made with Superintendent Dow Y. Walker to hold a practice this afternoon. The Franklin High-James John affair of the Portland Interscholastic League, scheduled for Multnomah Field, will be played on the new Franklin Bowl instead.

Manager James O. Convill, of the clubmen, has been unable to devote enough time to the practices of the cardinal and white wearers, and as a result he has accepted "Spec" Hurlburt's idea of bringing together a championship organization. The final workout has been scheduled for tonight between 7 o'clock and 9 o'clock.

Portland fans who have watched the Portlanders in action the early part of this season will hardly recognize the Multnomah team that faces Whitman. Multnomah lost to the Oregon Aggies freshmen last Saturday, but of the 11 players to start against the Corvallis rooks, but five or six of them will start tomorrow.

Clayton Sharp, the regular quarterback, has given Manager Convill and Coach Hurlburt to understand that he will be present when Referee Dolan's whistle starts the fray at 2:30 o'clock. At center will be found Nell Tyson, and either at his regular berth or in the backfield Captain Len Streibig will appear.

Captain Streibig has not been feeling well of late, and it was not until the first of this week that he has been himself. He announced last night that if the Whitman College team comes out victorious tomorrow it will be only after every Multnomah Club player has been used.

Alex Donaldson, who is considered one of the surest tacklers and best ends to be seen in a club uniform in several years, is ready for the plunges of Captain Hoover and his teammates. If Captain Streibig plays one end and Donaldson the other, the Missionaries will have to go some to gain on end plays.

Sam Dolan will be the referee, Homer Jamison will be the linesman, with the umpire to be selected as soon as word is received from Coach Borleske. The showing made by the clubmen tomorrow will give Manager Convill an idea how his squad will work in the annual match against the University of Oregon on Multnomah Field Thanksgiving day.

After practice tonight Dr. Leslie Clough, physical director of the Multnomah Amateur Athletic Club, will take the boys for a strenuous run in the club gymnasium. All candidates must be on hand as soon after 7 o'clock as possible. A workout was held last night.

YALE WORKS ON PASSES

DEFENSE AGAINST PRINCETON PLAYS PERFECTED.

Team Has No Scrimmage, but Practice in Secret for Time, and Then Before All Students.

NEW HAVEN, Conn., Nov. 16.—Contrary to expectations, Yale's varsity football team did not have scrimmage work today in the final hard drill for the Princeton game. Coach Jones, however, put the players through a lengthy dummy scrimmage and devoted considerable time to perfecting a defense against the forward pass.

The practice started with a half hour's signal drill in secret, after which the gates of the bowl were opened and the entire student body, led by a band, marched into the amphitheater and cheered the eleven.

In the dummy scrimmage the varsity lined up against the third team, which had been instructed in "Princeton forward passes." The varsity broke up all the attempted passes with one exception. The first-string men then practiced the pass with good success.

Vance C. McCormick, chairman of the Democratic National Committee, a former blue captain, witnessed the practice.

TIGERS TRY NEW FORMATIONS

Princeton to Uncover Full Power of Attack Against Yale.

PRINCETON, N. J., Nov. 16.—A great deal of the practice of the Princeton football eleven today was devoted to a scrimmage in which the coaches attempted to bolster up the defense of the team and to provide a defense to meet the attack of Yale on Saturday. Besides the repertoire of plays that Princeton used against Harvard last week, several new offensive formations will be uncovered Saturday, which should prove effective for ground gaining.

Ames was at halfback today and it looks as though he would start in this position against Yale.

BRONSON WINS LAURELS

SEATTLE PICKS PORTLAND BOY AS COMING CHAMPION.

Aggressive Boxer Scheduled to Appear in Sound Metropolis Soon Against Young Madden.

SEATTLE, Wash., Nov. 16.—(Special.)—They're calling "Muff" Bronson, the Portland boy, the coming champion in Seattle now. A couple of weeks ago Bronson invaded this city and took on Joe Harrahan, Northwest featherweight champion, who recently won his honors by beating Connors, of Tacoma. Harrahan lasted but one round with the aggressive Portlander.

Then along came Leo Houck, Seattle pride, with a challenge to Bronson. The fans thought it would be a swell bout, as Houck had held the Portland crack to three draws before. But what Bronson did not do to Houck last night isn't in the card.

Bronson landed on Houck's whisker piazza, and when Leo came to, they were counting the gate receipts in the box office. Now Houck admits Bronson is some goer.

Bronson, who will meet Lee Johnson for the Coast featherweight title in Portland soon, is coming back to Seattle to take on Madden, who recently won the Northwest lightweight honors.

AGGIES GETTING INTO SHAPE

Final Preparation Begun for Clash With Oregon, November 25.

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 16.—(Special.)—After a rest of one day the Oregon Aggie varsity football team has begun the final period of preparation for the annual clash with the University of Oregon, which will be held this year on the Corvallis gridiron on November 25.

The team as a whole is in fair condition. Newman again hurt his hip and has been unable to run. He will be in shape by a week from Saturday, however. Morgan was not used for long in the scrimmage against the freshmen tonight. He has a badly bruised arm. "Andy" Anderson, who was so ill with an attack of appendicitis that he could not be used last Saturday, again has appeared in a suit, but it is likely that he will not play Oregon. Brooke, the big tackle who proved a stonewall to the attacks of the Dobie players, is in fine condition.

PRISON SHOP IS SCORCHED

One Building at Penitentiary Narrowly Escapes Destruction.

SALEM, Or., Nov. 16.—(Special.)—The carpenter shop at the Oregon Penitentiary today narrowly escaped destruction by fire when a bucket of oil, placed on the stove by one of the convicts, became overheated and caught fire. The blaze occurred while the prisoners were at their noon meal.

Smoke, pouring from the shop, drew attention of prison officers, who soon extinguished the blaze. The damage was slight. Whether the fire was of incendiary origin is not known.

TEAMS MEET TODAY

New Franklin Bowl to Be Dedicated by Athletes.

JAMES JOHN IS OPPONENT

Game Promises to Be Hard-Fought, Both Teams Hoping by Victory to Finish Season in First Division of League.

Interscholastic Football Standings.

	W.	L.	Pct.		W.	L.	Pct.
Washington.	4	0	1000	Lincoln.....	1	3	.250
Jefferson...	4	0	1000	James John..	1	4	.200
Columbia...	3	1	.750	Commerce...	0	4	.000
Franklin....	1	2	.333				

The beautiful, brand new Franklin bowl will be dedicated this afternoon when the James John and the Franklin High football teams tangle for their game of the Portland Interscholastic League. The match originally was slated for the Multnomah Field, but Coach "Ad" Dewey, of the Quakers, and Coach Strong, of the St. Johns district, thought that this would be a good chance to show Portland fans what a wonderful athletic field is located beside the new Franklin High.

Both aggregations have been primed to put up a regular battle, and the James John athletes are going into the fray with the idea that they are going to emerge holding fourth place in the league standings. The game will be called at 3:15 o'clock this afternoon.

Captain Arthur Mackenzie, of the Quakers, will send his strongest lineup against the visitors, and Captain Wrinkle, of James John, has it all figured out that he won't find much trouble in smashing the Franklin line for the customary yardage. Cap Wrinkle will play fullback on offense and center on the defense, being quite adept at both carrying the pigskin and breaking through the line.

"Pudge" Brown will call the signals for Franklin, with "Hooty" Smith directing the play of James John. "Spec" Hurlburt, coach of the Multnomah Amateur Athletic Club football team, will be the referee. Martin Pratt will be on hand to umpire, while J. M. Coshow will be the linesman.

Coach Stanley Borleske and his Lincoln High footballers returned to Portland yesterday, after having spent a most disastrous time in Walla Walla, Wash., Wednesday. The high school of the Whitman College town had it in for the Railsplitters, and when the final whistle blew, Walla Walla was credited with 49 points, while Lincoln High had failed to dent the Walla Walla goal line.

Lincoln High will play the Jefferson High next week in a "crucial" game, for Jefferson High must come out on top to hold its own for a tie for leadership of the Portland Interscholastic League for the 1916 football season.

BASEBALL WAR LOOMS

NATIONAL COMMISSIONS SENDS WESTERN LEAGUE ULTIMATUM.

Order Is Given to Pay Players' Claim, but President of Class A Circuit Says He Will Ignore Demand.

CINCINNATI, O., Nov. 16.—The National baseball commission today not only dismissed the application of the Sioux City club, of the Western League, for a re-hearing in the Kane case, but served notice on the Western League as well as upon the Sioux City club that "if the award is not fully adjusted within five days after the promulgation of this finding, the National agreement privileges which the Sioux City club and the Western League have enjoyed will be no longer respected."

During last September the commission reversed a finding of the National board and allowed a claim by Player James Kane against the Sioux City club for salary from May 9 to July 17 at the rate of $225 a month, less a credit of $28.

The award against the Sioux City club was predicated on that club's refusal to permit the player to join the Wichita club unless under the terms of a gentlemen's agreement which barred players released by one of the clubs in the league from signing with another club in this league unless the releasing club was paid the league's waiver price of $400.

The commission in the finding today states that it is convinced that this gentlemen's agreement was in effect in the Western League, despite a notification from the Western League's president on October 3, that: "The owners (Western League) deny the existence of the so-called gentlemen's agreement and respectively refuse to pay the claim."

SIOUX CITY, Ia., Nov. 16.—President Hanlon, of the Sioux City Western League baseball club, when notified of the action of the National commission in the Kane case said:

"I will ignore the ultimatum issued me by the commission. I will not pay Jimmy Kane a cent unless I get a fair hearing. I have not had such a hearing. If the Western League is to suffer from a ruling which I know nothing about and which President Zehrung is purported to have said existed then let President Zehrung pay the claim and get the league out of the scrape. As far as I know there is no gentlemen's agreement in this league which forbids a player signing with another club in the league within 60 days after release from another club of the league."

DELEGATE NOT TO BE SENT

Northwest to Have No Representative at New York Meeting.

Word was received in Portland yesterday by T. Morris Dunne, secretary-treasurer of the Pacific Northwest Association, that Harry S. Burdick, ex-president of the organization, will not be able to represent the association at the annual meeting of the Amateur Athletic Union in the Hotel Astor at New York next Sunday and Monday.

At the meeting of the Pacific Northwest Association, held in the Multnomah Amateur Athletic Club directors' room last month, Mr. Burdick was named to take up the business of the Northwest before the Amateur Athletic Union. Mr. Burdick's decision that he could not leave his business came so late that it was impossible to send a representative to the East in time to be present at the New York affair.

A. D. KATZ STARS AT SQUASH

Measure of Ofttime Conqueror on Courts, J. F. Ewing, Is Taken.

Alma D. Katz, one of the originators of the squash game at the Multnomah Amateur Athletic Club, is of the opinion that he is the "champion of the world" at the game now. Yesterday he trimmed James F. Ewing, former president of the Portland Academy, so decisively in the big court at the Winged "M" institution that anyone who wants to challenge him must first produce credentials.

Mr. Ewing and Mr. Katz have been playing squash for several years, and Mr. Ewing always, until yesterday, has been able to show his superiority over his opponent. Superintendent Dow V. Walker, of the club, witnessed the battles yesterday, and his affidavit will be ready in the near future.

WHITMAN MEN ARE BIT STALE

Missionaries to Put Fast Backfield in Game Against Multnomah.

WHITMAN COLLEGE, Walla Walla, Wash., Nov. 16.—(Special.)—The Whitman College football team, which returned from Missoula pretty well bruised from the game on a frozen field, have not, on account of the continued cold weather, been able to get the kinks worked loose, and the team which will face Multnomah on Saturday will be a somewhat battered aggregation. Coach Borleske said last night that the men were also showing the effects of the hard schedule this year. The team has played a game every week since the contest with Idaho here October 20, and the men seem to be going stale. Whether the slump will wear off before Saturday is problematical, and upon that depends Whitman's showing against the heavy clubmen.

Botts, who has been out since the Washington game, and Cram, whose injuries at Corvallis kept him off the squad which went to Montana, are both back in the harness. The other backfield men, Captain Hoover, Gensel, Blomquist and Hopey, are in pretty good shape, and, if conditions are favorable, can give the big clubmen a run for their money.

MINORS ASK FOR VOICE

CLASS AA LEAGUES DESIRE EXEMPTION FROM DRAFT.

Ruling Adopted to Let All Circuits Fix Own Salary and Player Limits for Season.

NEW ORLEANS, Nov. 16.—Louisville, Ky., was selected today for the next annual convention of the National Association of Professional Baseball Leagues meeting here. There was no election of officers this year.

Much important business was disposed of during today's session, including the controversy regarding a position for minor league representation in the National Baseball Commission. After extended discussion a plan was adopted providing for creation of a board of five members to be entirely separate from the National commission to decide all matters on appeal from the minor league organizations and all matters in controversy between the major and minor leagues.

The membership of the new board would consist of the president and secretary of the minors' association; one member each from the National and American leagues, and a fifth member "who shall in no way be connected with baseball" to be elected by the four other members. The fifth or "neutral" member would act as chairman.

This plan was adopted after brief discussion and the chairman upon authority from the convention will appoint a committee to take up the matter with the National and American leagues at their annual meeting in December, with power to carry out the plan.

Upon petition from the Pacific Coast League, American Association and International League—members of class AA—the convention voted to request the National and American leagues to eliminate that part of the drafting rules in the National agreement affecting the drafting of players by major league clubs from the class AA teams.

On application by the Southern Association and others, the convention adopted a special dispensation to allow every minor league to fix its own salary and player limit, provided such individual action did not conflict with the National agreement in force between major and minor leagues.

The convention voted down a proposition to limit class B clubs and lower classes to 13 players, six of whom must never have played in clubs of higher classification.

The board of arbitration expected to continue sittings here probably until early next week to render decisions on about 138 disputed cases.

DARCY ON WAY TO CHILE

AUSTRALIAN BOXER EXPECTED SOON AT ANTOFAGASTA.

Sydney Authorities Unable to Find Missing Pugilist—George Chip Returning to America.

VANCOUVER, B. C., Nov. 16.—(Special.)—According to a cable from Sydney, Australia, Les Darcy has not been located but will be found at Antofagasta, Chile, when the vessel Hattie Luckenbach arrives. It is on this vessel that Darcy is believed to have sailed from Newcastle.

Sensational developments followed the arrival of the steamer Sierra at Sydney from San Francisco when letters addressed to Darcy relating to a series of proposed fights in America were discovered in a passenger's luggage. This passenger, acting as messenger to Darcy, has been placed under detention and subsequent proceedings by the military authorities will determine whether there has been any violations of the defense department's regulations, which require that His Majesty's mail shall be the carrier for all written communications.

George Chip left Australia today on the steamer Sierra for San Francisco, and as soon as he lands in America says he will head a search party for Darcy and claim the first fight with the Australian on American soil because of Darcy's running out on him in Melbourne on November 6.

AGGY REGULARS BEAT ROOKS

Freshmen Lose 7 to 2 to College Team With Conn Star for Babes.

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 16.—(Special.)—The Oregon Aggie football team lined up against the freshmen aggregation this evening in a real game, and won, 7 to 2. The yearlings could not stay the plugging of Bixby and the dashes of Captain Bissett and Low, and the college line outcharged their opponents continuously.

The poor light toward the last part of the scrimmage prevented a possible score by the freshmen. Lodell shot a long forward pass to Webster, but the latter, with a clear field ahead of him, missed it in the darkness. Conn continued his sensational playing and was good for several substantial gains.

PEACE IS DECLARED

Multnomah and Seattle Clubs Patch Up Differences.

FOUR ATHLETES GO NORTH

Healing of Breach Assures Boxing and Wrestling Fans of Inter-club Bouts Here on Night of November 29.

Peace has been declared between the Multnomah Amateur Athletic Club and the Seattle Athletic Club. The squabble which arose last Tuesday when Frank Harmar, chairman of the boxing and wrestling committee of the winged "M" institution, advised the northern layout that it would have to pay the expenses of the five representatives of the Portland organization who journeyed to the Sound City last week after the Seattle club had failed to officially notify the Multnomah Club that the show had been postponed to November 24 was settled yesterday when A. S. Goldsmith's club advised the local institution over the long-distance telephone that it would pay the $100, or thereabouts, spent on the "wild goose chase."

This was later verified by a telegram.

Consequently four Multnomah Amateur Athletic Club athletes, accompanied by Instructor Eddie J. O'Connell, left for Seattle last night.

The Multnomah Club was also notified that Amondson, Seattle 118-pound boxer, would meet Ralph Underwood instead of Jack Harper, who was originally scheduled to meet the little Portland Englishman.

Following is the complete programme which will be staged at Seattle tonight and which is the first inter-club meet of the season:

Boxing, 125 pounds, Al Davis, Vancouver, B. C., champion of British Columbia, vs. Earl Baird, Seattle, Pacific Coast champion; 118 pounds, Ralph Underwood, Multnomah, Far Western champion, vs. Amundsen, Seattle; 175 pounds, Tom Louttit, Multnomah, vs. Bill Pierce, Seattle; 135 pounds, Elmer Quinn, Seattle, vs. Lonnie McIntosh, Seattle.

There will be three other boxing bouts and two wrestling matches. Virgil Hamlin, 115 pounds, and George Hansen, 158 pounds, both of the Multnomah Club, Portland, will be featured against Seattle men in the wrestling contests.

The peace pact drawn up between the two clubs yesterday assures Portland of the big Seattle-Portland meet to be staged in the Multnomah Amateur Athletic Club's gymnasium on November 29.

Gossip of the Gridiron.

COACH HUGO BEZDEK is developing a star to take the place of Johnny Parsons in the annual University of Oregon-Oregon Agricultural College football game at Corvallis, Or., one week from tomorrow. While in Portland last Saturday Coach Bezdek made the remark that he was going to surprise the followers of football in the Northwest with his new sensation. He said he was not ready to divulge his name, but those on the inside are under the impression that Jensen will be the candidate called on to fill the sensational Johnny Parsons' shoes.

* * *

The members of the Whitman College football squad which meets the Multnomah Amateur Athletic Club contingent tomorrow afternoon on Multnomah Field may find time to take in the Franklin High-James John High affair of the Portland Interscholastic League this afternoon in the new Franklin bowl. The contest today will start at 3:15 o'clock, and if the Missionaries are able to get out, they will practice on Multnomah Field this morning.

* * *

To reach the new Franklin bowl take the Mount Scott car and get off at East Fiftieth and Division streets and walk two blocks east.

* * *

The University of Washington football party will work out today on the Berkeley, Cal., gridiron. The Washingtonians will have to be ready for the University of California eleven tomorrow afternoon on the Berkeley oval. A return contest will be played in Seattle Thanksgiving day.

* * *

The Tournament of Roses committee is still dickering for the big football game to be played at Pasadena, Cal., New Year's day. The University of Pennsylvania has been the Eastern selection, while the Western representatives will not be named until after November 18.

* * *

More interest locally has been centered in the freshman tilt between the University of Oregon and the Oregon Agricultural College at Eugene, Or., tomorrow than some of the big college games played in the Northwest. Several former Portland Interscholastic League stars are lined up with the aggregations.

* * *

George Varnell will referee the University of Oregon-Oregon Aggie championship battle at Corvallis a week from tomorrow.

MUFF BRONSON IS MATCHED

Portland Boxer to Defend New Laurels Against Lee Johnson.

"Muff" Bronson, the sensational Portland boy, is due home from Seattle today or tomorrow. He may decide to stay over in the Sound City to witness the inter-club meet between the Multnomah Amateur Athletic Club and the Seattle Athletic Club scheduled for that city tonight.

Bronson must be a big card in Seattle now. On Wednesday night he knocked out Leo Houck in 10 seconds, and two weeks before stopped Joe Harrahan in two rounds. He will box Lee Johnson, colored Oakland featherweight, for the Pacific Coast featherweight championship in the main event of the card to be presented by the Golden West Athletic League at the Rose City Athletic Club next Friday night.

MAKE USE OF YOUR CREDIT, SIR!

—and Buy Your New Suit or Overcoat at Once

Is it possible that you do not know that any responsible man may open a Credit Account at Cherry's up-to-date Clothing Shop and outfit himself for Winter on convenient Installment Payments?

Evidently, the number of men who prefer to buy their clothes on credit rather than by paying cash is increasing every day, because the men's department at Cherry's Shop has enjoyed a steadily increasing patronage from the day the store was opened. All you have to do is make a moderate first payment when you pick out your Suit or Overcoat. Then you arrange a schedule of installments, to be paid off by the week or by the month.

Another factor that has contributed largely to this store's immense success is the fact that it is always stocked with big assortments of the newest and best in Men's Wear. The fashion centers of the East are searched by the company's shrewd buyers, who, buying for the entire chain of eight stores, make good use of the advantages of buying in big quantities.

Instead of putting off any longer purchasing your new Winter clothes, why don't you step up to Cherry's Shop today and find the Suit or Overcoat you want?

Their store is at 388-91 Washington street—Pittock block. Store open till 10 P. M. Saturday evenings.—Adv.
