OLD-TIME COLD CURE - DRINK TEA!

Get a small package of Hamburg Breast
Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy.
Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time. It is the most effective way to break a cold and cure grip, as it opens the pores, relieving congestion. Also loosens the bowels, thus breaking a cold at once.

It is inexpensive and entirely vegetable, therefore harmless,—Adv.
