C. Arnes, vice-president; and C. R. Smith, secretary-treasurer.

PENITENT WOMAN FREED

Mrs. Clara Tillman, 63, Who Drank Wine Bit Too Much, to Go to Church. Heavy over the motherly head of Mrs. Clara Tillman, 63 years of age, hung the probability of spending 30 dreary days in the City Jail. WILL CONTEST BEGINS

DAYTON RYMAN SEEKS TO BREAK TRUST LEFT BY MOTHER. Charge Is Made That Woman's Dislike of Son's Wife Caused Him to Be Virtually Cut Off.

Contest to break the will of the late Sarah A. Ryman, whose dislike of her daughter-in-law caused her virtually to disinherit her son, opened before County Judge Cleaton yesterday. It will continue probably all week. The estate, valued between \$20,000 and \$25,000, was left in a will executed in 1904 by Mrs. Ryman, to the Portland Trust Company in trust for her son, Dayton. He was to have a life interest in the income from the property, which at his death was to revert to Addie and Leroy Garfield, niece and nephew of the decedent, living in Michigan. One of the provisions was that none of the income of the estate should be spent in any manner by which Mrs. Dayton Ryman might benefit. The will also provided that in case Mrs. Ryman died or was divorced from Dayton Ryman, the son was to have immediate possession of the property.

A. H. Smith, the driver, remained at the wheel and was rescued from the water by the crew of the ferryboat. He was slightly bruised and dazed and was treated by the company's physician. Hopes Women Will Adopt This Habit As Well As Men

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nervy wrecks," "rundowns," "worn faces" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere. An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it, wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach. Those subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.—Adv.

You Need This For Lame Back

Foley Kidney Pills Simply Drives The Cause of It Out of Your System. Lame back, stiff, swollen, aching joints, and rheumatic pains are the result of weak, sluggish, inactive kidneys. In this condition, they cannot keep the blood that feeds your body free of the impurities that poison you and cause these painful symptoms. Foley Kidney Pills are so strongly advised and recommended for these troubles because of their direct and beneficial effect on the kidneys, bladder and urinary system; and acting through these important organs, on the health of the entire body. Foley Kidney Pills tone up weak and sluggish kidney action, ease a painful and irritable bladder, stop rising at night, remove the cause of backache, lame back, stiff joints and rheumatism, due to imperfect kidney and bladder action. Mr. and Mrs. Frank P. Wood of Morrell, Maine, Box 18, R.F.D. 2 were both cured from the effect of weak, sluggish, imperfect kidney and bladder action by the use of Foley Kidney Pills. Mrs. Wood writes: "Foley Kidney Pills helped me so much, I found relief as soon as I began taking them. My husband is also much benefited, and feels so much better since taking Foley Kidney Pills. He was so lame he could not stoop, had to get down on his knees to pick up anything, so lame he was in his back and hips. I remain always your well wisher." Mrs. Frank P. Wood. Foley Kidney Pills are sold everywhere in 50c and \$1.00 sizes. The \$1.00 size is the more economical buy, as it contains 2 1/2 times as many as the 50c size.
