It was not obtained the fairs at North Yakima, Salem and New Westminster will move back one week, if Vancouver finds it necessary to take the week of August 13 to join up with the Canadian Prairie Circuit. It will be permitted to do so. All of the fairs will be six-day ones with the exception of the Northwest Land Products Show, of Seattle.

E. E. Mackenzie, New Westminster; Wilfred G. Hannam, Spokane; A. C. Marsters, Salem; H. S. Rolston, Vancouver; H. T. Graves, S. K. Bowes and H. E. Somers, Portland, were present to compose the report of the dates committee.

Racing Committee Acts.

The following compose the racing committee: H. S. Rolston, chairman; Wilfred G. Hannam, secretary; A. C. Marsters, H. T. Graves, S. K. Bowes and H. E. Somers, members.

The racing committee decided that an effort would be made to have classes at the race meets of the association as uniform as possible. Entries will be made the following races at today's gathering: Trotting, 2:15, 2:20, 2:25 free-for-all; pacing, 2:15, 2:20, 2:25 free-for-all.

The committee suggests that all except the free-for-all races be under the every heat system. Any association which sees fit can put on extra events. The size of purses is optional with each association. Entries will close for all events on August 1. Entries will be 5 per cent and 5 per cent will be deducted from the money winners.

Chairman H. S. Rolston, of the racing committee, said that he thought this schedule would be adopted at the meeting today.

R. L. Schee, manager of the Crook County Fair, said that the circuit for the smaller fairs will start early in September and end early in October. Their meets will have parallel dates with the major circuit. The following towns will be in the smaller circuit: Goldendale, Wash.; Eastern, Ontario, Princeville, Bend and Pendleton.

Managers of these fairs will meet in The Dalles early after January 1, where definite plans will be decided upon.

It was manifest at yesterday's gathering that the managers of all of the fairs in the Northwest are anxious to see their names in newspaper advertising and in break away from the sound talks were made along this line.

Officers Make Reports.

Mrs. Edith Tozier Weathered, member of Oregon State Fair Board, delivered an address on "Effective and Economical Publicity of Annual Fairs." In her talk she declared that newspaper advertising is the best and should be over all other kinds.

Reports of officers were read shortly after the meeting took up yesterday morning. Appointments for 1917 were followed. H. S. Rolston, manager of Vancouver, B. C. Exhibition, talked on "Observations on Racing."

W. W. Miller, secretary of the Northwest Fair Association, reported on the theme of the speech of D. E. Mackenzie, manager Royal A. and I. Society, New Westminster, B. C.

Miss Anne Morgan and Miss Elizabeth Marbury Would Make Clash Benefit French Soldiers.

NEW YORK, Dec. 6.—The proposed 16-round, no-decision boxing bout between George Carpentier, heavyweight champion of Europe, and Jess Willard, the American champion, has among its sponsors Miss Anne Morgan and Miss Elizabeth Marbury, it was learned today.

Miss Morgan is treasurer of the American fund for the French wounded, under the auspices of which it is hoped to bring Carpentier here. Miss Marbury is actively interested in the French fund, said that her interest in the proposed bout was solely to help the fund.

"Miss Anne Morgan and I willingly consented several weeks ago, when approached on the subject, to see that the funds, whether amounting to this sum or more, were made available for the purpose intended," Miss Marbury is quoted as saying.

George Carpentier is badly needed at the moment, for his duties are such that his place would be hard to fill. It will take much effort if he is to be brought here.

"If he finally does come over and the bout is held, the public can be assured that the money contributed through the purchase of tickets will be used for the purpose stated. That I wish to repeat, is the only reason Mr. Morgan and I are interested at all in the proposition."

PARIS, Dec. 6.—The personal desire of Georges Carpentier, the French aviator, to remain with the French flying corps at the front, a desire he expressed in an address from the United States to arrange a bout for him has been given a furlough for a match with Jess Willard is at least premature.

From the reports received here, it appears that Carpentier, who is in the United States would contribute appreciably to the war relief funds, and his manager, Francois Des Camps, told the press today that Carpentier might go to America, provided he received permission. Thus far, however, no definite proposition for a bout between Carpentier and Willard has been received here.

Miss Elizabeth Marbury, who is prominently connected with the fight, said that she had been authorized, said Des Camps, to act for him in any negotiations in the United States.

M. Des Camps asserted that the representative of Carpentier is being sent before the end of the war depended on the French military authorities, and second, on the proposition that might be received.

No definite action was taken regarding inter-city games with Seattle or Vancouver, B. C., the directors deeming it wise to wait until the 1917-18 schedule of the Portland Amateur Ice Hockey Association was completed. President Spangler will call a special meeting of the directors soon in order to rush the drafting of the schedule.

GIBBONS BOYS NOT COMING

Far Western Trip of Boxers Called Off, Says Tour Manager.

SPOKANE, Wash., Dec. 6.—(Special.)—Ozdie K. Sams, manager of the tour of Mike and Tommy Gibbons, received a telegram here today from Mike Gibbons that something important had developed in St. Paul which has caused the two famous boxers to postpone their Far Western trip.

It is probable that they will tour the Pacific Coast next month. The boys had planned on showing in Spokane, Seattle, Tacoma, Portland, B. C., Portland, San Francisco, San Diego and Los Angeles.

It is more than likely that Mike and Tommy both have important matters coming up immediately. Tommy likely will fight Billy Miske, the recognized light heavyweight champion, while Mike will go to New Orleans for a round decision bout with Jack Dillon, of Indianapolis.

With word from Spokane that Mike and Tommy Gibbons will not reach the Far West on this trip, Portland fans will be disappointed. The boys were due here about December 15 and were scheduled to box before one of the local clubs or at a theater.

NEWSIES' ELEVEN SEEKS GAME

Team Suffers but One Defeat Out of Eight Games Played.

The Newsboys' Athletic Club football team, claimants of the 135-pound championship of Portland, is without a game for Sunday and Manager Brown would like to hear from any fast independent aggregation in the city or vicinity. Now that they have secured the services of Rolly Jones, the Newsboys are willing to challenge any team averaging between 130 and 135 pounds.

The team has played eight games with but one defeat. Last Sunday the newsies surprised everyone by winning from Richard Roscoe Sharp's much better team. The Athletic Club contingent by a 13-to-9 score. Manager Brown made a 30-yard sprint for one of the touchdowns credited to the newsies. For games write to Manager Brown, in care of A. G. BOXING CARD HAS CLASS

SOMMERS TO MEET JOE SWAIN AT ROSE CITY CLUB.

Manager Merrill Also Has Scheduled Bout Between Eddie Palmer and Valley Trambitas.

Al Sommers, 135, will meet Joe Swain at 135, 135, Billy Nelson, 135, 135, Knott, 135, 135, Al Sommers, 135, 135, Ed Olson, 135, 135.

Fred T. Merrill, manager of the Rose City Athletic Club, has arranged a fine card of boxing matches, which will be presented at the club's headquarters, East First and East Morrison streets, beginning at 8:30 o'clock tonight. Three bouts are on the program.

Al Sommers makes his first appearance here in several months, combating Joe Swain. This will mark the first time Swain has fought in a Portland ring in about a year and a half.

Eddie Palmer, a heavy welterweight, of New Orleans, will tangle with Valley Trambitas. Palmer is one of the best boys at his weight in the game. He came here from Salt Lake. The negro boy boxed main events in New Orleans and is a big card there.

The remainder of the programme is well balanced. Peter Mitchell will meet the first real good boy he has come in contact with. If he can get by Al Sommers he will be a big attraction in Portland.

Late last night Manager Merrill landed the match between Jack Allen and Walter Knowlton. The latter will have to beat the fireman, for if he can succeed he will be in line for matches with other good fighters. If this fellow Allen could learn a little about defense he would be a formidable mixer.

Tommy Burns will referee the three main events. Roy Kendall will handle the preliminaries. Jack Fahle will keep time and Leo (Frisco) Edwards will announce.

Overlooks Would Meet Columbia

Manager R. E. Sharp, of the Overlook Athletic Club team, is trying to obtain a game for his squad with the Columbia Park Juniors for Sunday on the Columbia Park field. Captain Larson, of the Overlook eleven, has obtained several new players. The following back field will start the game Sunday if it is arranged: Baratta, left half; Jack Allen, fullback; Jensen, right half, and Captain Larson, quarterback.

UNCLE SAMS HOPE

Septet Out to Retrieve Defeat Here Tomorrow Night.

STYLE OF GAME PLEAS

Manager Savage Declares That Not Until Last Five Minutes Did Team Weaken Allowing 4-to-3 Humiliation.

Pacific Coast Hockey Standings. Goals—Spokane 2, 0, 100, 11, 8; Vancouver 1, 1, 500, 30, 8; Seattle 1, 1, 500, 5, 9; Portland 2, 2, 500, 7, 9.

Undaunted by the 4-to-3 11-minute overtime defeat at the hands of the Seattle Metropolitans in the Seattle Ice arena Tuesday night, the Portland Uncle Sams returned home early yesterday with all eyes centered on tomorrow night, when the return contest will be staged in the Portland Ice Palace.

Manager E. H. Savage was highly pleased with the way his men went, despite the fact that they had been together but shortly more than a week. Unlike last Friday's match, when they weakened in the last period, the Uncle Sams braced Tuesday night against Seattle and it was not until the last five minutes of play that they grew weary of the pace. By tomorrow night Manager Savage is confident that his athletes will be just right to score their first victory of the 1916-17 season on the Pacific Coast Ice Hockey Association.

The surprise Tuesday night was the 6-to-4 trimming suffered by the Vancouver Minutemen by the Spokane Canaries on the Inland Empire Rink. Lester Patrick's men set a pace which was too much for the visitors. Uncle Sams netted the puck for the two goals which separated the two aggregations.

"Moose" Johnson received quite a bumping at Seattle Tuesday night, as did Clem Loughlin. Both defense men had their hands full staving off the Vancouver attack and reports from the Sound City are to the effect that Tommy Murray, at goal for Portland, played one of the best games ever seen on Seattle ice.

Both Johnson and Loughlin were under the care of Dr. Earl Smith, the club physician, yesterday, and while the bruises were painful, Dr. Smith reported that, although "Moose" was suffering with a broken rib, the two stars would be able to give a good account of themselves against Seattle tomorrow night in the Ice Palace.

All of the Portland counters were made by one Uncle Sam, "Smoky" Harris. The first goal was scored with the assistance of "Moose" Johnson in 15 minutes and 10 seconds, while Tobin sent the puck to Harris for the second counter. In the third period Tobin again shot to Harris, who converted.

As for penalties, "Moose" Johnson was nicked for three minutes, and Tommy Dundardale was put off in the overtime period for the rest of the game, as was Cully Wilson, of Seattle, who already had served six minutes on the penalty bench.

Tomorrow night's Seattle-Portland affair in the Portland Ice Palace will be the only one of the night, but on Saturday night the Canaries will be in Vancouver, B. C. Next Tuesday night will have the Uncle Sams on the Spokane ice and Vancouver at Seattle.

Plans have been made to start the game here tomorrow promptly at 8:30 o'clock in order that the Seattle representatives will be able to catch the train for home immediately after the match. Manager Pete Muldoon and his

Women Golfers Choose Shawnee

NEW YORK, Dec. 6.—The committee of women named by the United States Golf Association to select three courses suitable for the 1917 women's National championship met here today and decided upon the Shawnee Country Club, at "Shawnee on the Delaware," as their first choice.

Representatives, 35 to 15, and the second quintet winning from the Newsboys, 10 to 7. Captain Shenker, of the B. E. first squad, was the big star for winners, and Manager Eddie Cohn played a good game at guard, although this was his first attempt during the 1916-17 season.

Manager Cohn would like to schedule games with both in and out-of-town basketball teams, for both the first and second contingents. The B'nai Brith athletes are being coached daily by Irving Salm, physical instructor at B'nai Brith building, Thirteenth and Mill streets.

East Portland Five Wins.

The East Portland basketball team had little trouble last night in winning, 27 to 25, from the Y. M. C. A. Comets in the St. Francis Hall at East Eleventh street and East Oak street. The winners would like to secure games with quite a number of out-of-town. Call Manager Collins at East 5889 or write to him at 466 East Ankeny street, Portland. The team averages 130 pounds.

ST. ANDREW'S SEEKS CONTESTS

Out-of-Town Quints Invited to Meet 150-Pound Team.

The St. Andrews basketball team would like to obtain games for the 1917-18 season. The players have been working out for more than a week and now they are ready to start a strenuous campaign. Out-of-town quintets are requested to write to Manager J. E. Frison, 1071 North East Eleventh street, where Portland squad can call on Woodlawn 713 and ask for the manager.

The aggregation will average around 145 pounds to the man according to present plans, but it may be that additional material will be added to the squad to make the weight go one way or the other. Under no circumstances will the team average more than 150 pounds in fighting trim, according to Manager Frison.

GATES TO LEAD YALE ELEVEN

Clinton, Iowa, Man Elected Captain of Team for Next Year.

NEW HAVEN, Conn., Dec. 6.—Artemus L. Gates, of Clinton, Iowa, was tonight elected captain of the Yale football team for next season. He has been chosen after playing for two years as an end and tackle.

His work in the Princeton and Harvard games this fall was brilliant. Gates was chosen after Clinton R. Black, the retiring captain, had declined re-election. Black led on three informal ballots, but on each occasion he declined the honor. On the fourth ballot Gates was the unanimous choice. A Yale custom against re-electing captains was only one of the reasons for declining.
