Holladay Addition Players Had 9-0 in Play With Arleta When Spectators Take Hand and Contest Comes to End.

A small riot which brought a patrol load of patrolmen from the Portland Police Bureau ended the Holladay Athletic Club-Arieta football game on the East Twelfth street and East Davis street grounds yesterday afternoon. It all came about because of the inability of the officials to handle the audience, which continually crowded on the playing field, making it difficult for either team to execute the various

The climax came soon after the final period started when one of the more boisterous spectators is said to have called one of the Holladay players an insulting name. The youngster stepped out of the game and proceeded to "clean" his antagonist, who is said to answer to the name of "Boozle." Another mixup started when another onlooker took sides in the quarrel, with disastrous results to himself at the hands of one of the larger Holladay players. The climax came soon after the final players.

By this time it was impossible to

proceed with the match and the lone patrolman who had been assigned to keep order was forced to send for re-inforcements. The game broke up with the Holladay aggregation in the lead, 9 to 0, and almost one-quarter left to play. As a result of the day's work Manager Dixon is now claiming the 130-pound independent championship of Portland.

of Portland.

Denny Williams made a place kick for the Holladay team from the 30-yard line in the third quarter and Dick Hastings scored a touchdown at the opening of the final period. Williams failed to convert the goal kick, Johnny Cuniff was refereding when the impromptu bouts took place.

The crowd scattered as the patrol wagon drove up and no arrests were made.

PENINSULA PARK FIVES WIN

Midgets Defeat Arleta, 22 to 13, and Vikings Take Their Game, 46-18.

Two victories are credited to Peninsula Park teams in the Peninsula Park gymnasium Saturday night. Coach Al Bartholemy and his first Peninsula Park quintet were without a game, because the Arleta first out a game, because the Arieta first five falled to put in an appearance when the time came to call the con-test.
