

# AUTO DEALERS GO ON HIGHWAY TRIP

## Fifty-two Cars in Procession to Prove "Oregonians Motor All the Year."

### INSPIRING SCENERY VIEWED

#### Party Goes as Far as Multnomah Falls, Then Returns to Corbett, Where Evening Is Passed in Enlivening Merry-making.

In the face of a strong rain and sleet storm, which raged along the snow-capped Columbia River Highway yesterday, the members of the Dealers' Motor Car Association of Oregon, played true to their new slogan, "Oregonians Motor All the Year," by turning out for the first annual New Year's run in large numbers and with happy spirit.

Fifty-two cars were driven in procession from Portland through the sleet and deep snow on the highway, as far as Multnomah Falls, and later returned to Hecker's Hall at Corbett, where the evening was finished in dancing, interspersed with mock court proceedings.

To enliven the occasion a special squad, composed of C. Hofele, policeman; Jack Turner, sheriff; Melvin Urfer, plain bum, and C. C. Hurley, as Charlie Chaplin, took charge of an automobile police patrol and made several arrests. F. W. Vogler was "pinched" for wearing "unnecessary clothes" in the shape of a suit and broad straw hat; D. C. Warren was arrested for using low gear on a high-gear slope; Mrs. E. C. Habel was taken into custody for speeding, and Walter Miller and Mrs. Arnold Cohen were caught on trumped up offences.

"Patrol Wagon" Used. Each of the culprits was compelled to ride in the "patrol wagon" for several miles and were subsequently fined in "court" with A. S. Robinson on the "bench."

The motorists were invited to wear any costumes they might choose and the result was everything from hayseed outfits to a coat composed of the flags of all nations worn by M. O. Wilkins, president-manager of the association.

Before leaving for the highway the excursionists staged a parade from the point of formation, Park and Couch streets, to Sixteenth and Burnside streets, down Washington to Third street, down Third to Burnside, up Burnside to Broadway and out the Broadway bridge to the highway.

Despite the storm all of the 250 or more who made the trip did so with comfort, many of them being in enclosed cars. All machines bore the official label, "Oregonians Motor All the Year."

#### Ice Formations Attractive.

Those who drove as far as Horsetail Falls saw the most wonderful ice formations along the highway. All of the waterfalls are greatly swollen and the formation of icicles along the ridges and on the crags of both the Oregon and Washington shores drew exclamations of admiration from the motorists. The Columbia River was strewn with large cakes of ice.

The snow covering the highway fell during Sunday night, leaving a fresh crust to be detested by the holiday motorists. Near Oneonta Gorge the snow stood nearly to the running boards of the machines.

The pathfinding cars at the Rotary Club fountain in Benson Park met three Portland girls walking through the snow to Portland. The girls, Martha Gasch, Anne Nichell and Helen Herman, went on the train to Hood River Saturday night and started their hike Sunday morning. They camped Sunday night at Bonneville, and walked on yesterday to Troutdale, where they took the train to Portland. They said there was no snow at all along the highway between Hood River and Cascade Locks.

#### La Grande Chief Retires Today.

LA GRANDE, Or., Jan. 1.—(Special.)—J. C. Ardrey retires as chief of police tomorrow, and it is reported that Lou Rayburn, Northwest champion blue rock killer, will succeed him. Rayburn's home is here and he has been chief of police before, although he is now a policeman at Pendleton.

#### WHY HAIR FALLS OUT

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand and rub well into the scalp. After a few applications all dandruff disappears and the hair stops coming out.

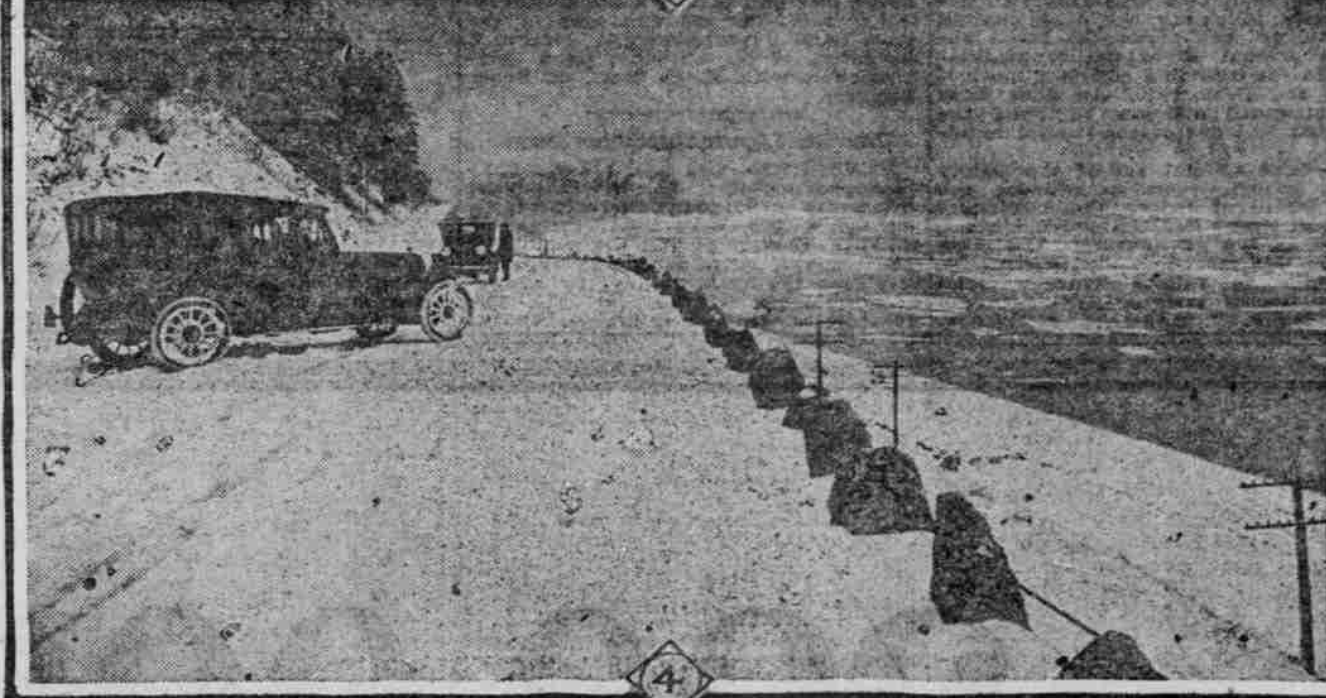

# EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

## Look at Tongue! If Feverish, Bilious, Constipated, Take No Chances.

### "California Syrup of Figs" Can't Harm Tender Stomach, Liver, Bowels.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet. Keep it handy, Mother! A little "Figs" today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.—Adv.
