

DR. WALLER CALLED TO WHITE TEMPLE

Asheville, N. C., Pastor Is Summoned by Unanimous Vote of Church.

SALARY PROBABLY \$4000

Portland Pleases Visitor and It Is Expected That Offer Will Be Accepted, Although Other Places Also Seek Him.

Rev. Calvin B. Waller, pastor of the First Baptist Church of Asheville, N. C., was last night selected as pastor of the First Baptist Church of this city to fill the vacancy which has existed since the resignation of Dr. W. B. Hinson, who preached his last sermon from the White Temple pulpit on New Year's day, 1916.

Dr. Waller is to be summoned to the pastorate by a unanimous vote of the White Temple congregation, a night letter being dispatched last night. His salary is to be definitely settled by the finance committee of the church, although the figure mentioned at last night's meeting was \$4000. It was pointed out that a larger salary has been offered Dr. Waller by another congregation, but it was hoped that the opportunity which he would appeal to him as exceptional.

On his recent visit here Dr. Waller became acquainted with conditions in the church and expressed himself as pleased with the surroundings. He spoke of the city of Portland enthusiastically and it is hoped that the attractions of the city and climate will favor his coming here.

Members of the congregation who heard him on his appearance here were favorably impressed with his ability, and the first vote taken last night showed the high regard in which he was held. Out of 120 votes cast, 105 were in favor of extending the call, the vote afterwards being made unanimous.

OSWEGO LINE ALLOWED

TROLLEY COMPANY GETS JITNEY GRANT FROM OREGON CITY.

M. W. Foster, Disappointed Applicant, Announces That Initiative at Special Election Is Proposed.

OREGON CITY, Or., Jan. 4.—(Special.)—The Portland Railway, Light & Power Company tonight announced that it had obtained a special 60-day permit to operate jitneys between Oregon City and Oswego, C. G. Fields, interurban superintendent, says the line will be operating by Saturday.

M. W. Foster, whose application for a jitney franchise from Oregon City to Portland was denied last night, announced today that initiative petitions presenting the entire jitney issue to the people would be put in circulation at once, and that a special election would be called because of the action of the Council.

Before the Portland Railway, Light & Power Company's special permit has expired it is expected that the franchise passed on its first reading will be granted for continued operation of the line to Oswego, as well as one between the business and residence districts of Oregon City.

McDANIEL BURIAL TODAY

PROMINENT METHODIST CLERGYMEN WILL HOLD SERVICES.

Expression of Sorrow Comes From Willamette University at Death of Board President.

The funeral services of T. S. McDaniel will be held today at 1:30 o'clock, in the First Methodist Church. Bishop Matt. S. Hughes will make an address. Other officiating clergymen will be Dr. A. N. Fisher, ex-editor of the Pacific Christian Advocate; Dr. Joshua Stansfield, pastor of the First Church; Dr. W. W. Youngson, district superintendent; Dr. Carl G. Doney, president of Willamette University; and Dr. H. J. Talbot, president of the Kimball College of Theology. The quartet of the First Church will sing. Active pallbearers will be George F. Johnson, Robert H. Hughes, George Suttle, B. Lee Paget, E. T. Johnson and A. F. Flegel.

Honorary pallbearers: Amadeo M. Smith, Robert A. Booth, Eugene E. Judge, W. D. Fenton, W. H. Beharrel, Samuel Connell, Harry W. Stone, J. P. Rasmussen and J. P. Newell.

All members of the official board of the Methodist Church and all Methodist ministers are requested to assemble in the Sunday school rooms at 1:15 P. M.

Dr. McDaniel died on Wednesday night in the Portland Medical Hospital, where he was taken several days ago. Mr. McDaniel was 52 years of age. He leaves a widow and three children, Margaret, 13; Wilson, 10; and Warren, 7. His father is a retired Methodist minister in Indiana.

As chairman of the board of trustees

STUBBORN COLDS

Cause Weak Lungs, Portland Druggist Suggests a Reliable Remedy.

We have a constitutional remedy for hard colds and weak lungs which we guarantee. Such letters as this prove its efficiency:

Wickatunk, N. J. "I suffered from weak lungs, pains in my chest and very short of breath. I am an agent for the C. B. R. of New Jersey. I had a very bad cough and lost fifteen pounds in weight and my trouble interfered with my occupation so that I had to stop work last July. I had doctored for some time without benefit, but when I learned of Vinol through a friend I decided to try it, and soon commenced to improve. My cough has gone, the soreness from my chest disappeared, I am working again and have regained the fifteen pounds in flesh which I lost."

Victor Walden, Wickatunk, N. J. The reason Vinol is superior to any other remedy is because it contains in deliciously palatable form the healing, body-building and strengthening elements of beef and cod liver peptones, iron and manganese peptones and glycerophosphates—the oldest and most famous tonics known to medicine. Try it on our guarantee.

The Owl Drug Co., Portland; also at the leading drugstore in all Oregon towns.

of Willamette University, as secretary of Kimball College, Salem, and as a prominent worker in the upbuilding of Methodism, he was well known in the West.

DEATH DEPRESSES CAMPUS

Willamette University Feels Loss of T. S. McDaniel.

WILLAMETTE UNIVERSITY, Salem, Or., Jan. 4.—(Special.)—A spirit of gloom and depression prevailed upon the campus today as the result of the news of the death of T. S. McDaniel, president of the board of trustees. Mr. McDaniel was popular among the students on account of his great interest in the student activities. Perhaps no chapel speaker ever was as welcome or as greatly appreciated as he. Willamette owes much to Mr. McDaniel, as he took an active part in increasing the endowment, and since he was elected president of the board of trustees the standards of the school have been raised in many ways, due a great deal to his influence.

Dean George H. Alden stated today that a fit memorial service would be held as soon as arrangements could be made.

CITY CLUBS PROPOSED

AMUSEMENT SURVEY SAYS PROPER ENTERTAINMENT IS LACKING.

Oregon City Committee Would Have Members of All Churches Enlist in Movement for Building.

OREGON CITY, Or., Jan. 4.—(Special.)—A survey of the amusements offered the young people of the town and the recommendation that a modern community clubhouse be built were made public tonight at a meeting of the members of the First Baptist Church by a committee composed of John W. Loder, D. C. Latourette, D. E. Frost, Mrs. C. A. Nash, F. W. King, Mrs. William Andersen and Mrs. E. B. Andrews. The project is not denominational, and the support of members of all churches, as well as non-church members, will be sought.

The committee finds that Oregon City has no places of amusement except "four poolhalls, two moving picture shows, the Commercial Club rooms, the Elks' and Moose clubrooms and the public library."

The investigators recommend that a three-story, 50 by 100-foot building be erected, with a concrete swimming pool, showers, lockers, dressing-rooms, furnace and storerooms in the first floor; gymnasium, office, reading-room and bowling alley on the second floor; and a gallery to accommodate about 400 on the third floor around the gymnasium. The committee estimates that the building would cost between \$3500 and \$4000.

COLLEGE WORK IS STUDIED

Professor C. I. Lewis, of Corvallis, Consults With Federal Chiefs.

OREGON AGRICULTURAL COLLEGE, Corvallis, Jan. 4.—(Special.)—Professor C. I. Lewis, head of the department of horticulture at the Oregon Agricultural College, returned yesterday from the East where he conferred with officials of the Federal Government concerning certain work which the college is carrying on in cooperation with the United States Department of Agriculture.

Professor Lewis also attended the meeting of the Association for the Advancement of Science and delivered an address before the horticultural section of that association on "The Use of Nitrogen in Apple Production." Lectures on methods in use in Western horticulture were also given at Massachusetts Agricultural College, Amherst, and the Agricultural College at Purdue, Indiana.

CARD-PLAYING IS ISSUE

Two Factions Develop in Controversy at Falls City.

DALLAS, Or., Jan. 4.—(Special.)—Proposal to install card tables in poolhalls at Falls City met such pronounced opposition that the City Council tabled a petition from the resort proprietors for permission to allow card playing in their places.

It developed, however, that there was no ordinance prohibiting card playing in public places, and it is said that the poolhall men will install equipment at once.

Opponents are expected to start a campaign to prohibit this form of recreation in the resorts.

STRIKE DANGER LESS

Calling of Conference in Chicago Is Hopeful Sign.

FREE DISCUSSION LIKELY

Brotherhood Officials at Seattle Believe If Break Were to Come Meeting Would Be Scheduled for National Capital.

SEATTLE, Wash., Jan. 4.—(Special.)—Because members of the various grievance committees were called to Chicago for a conference with the railway managers over the Adamson law instead of to Washington, local system committees of the four brotherhoods believe that there is to be no general strike, and members of this committee on each of the four transcontinental lines declared emphatically that the conference in the Western city was clearly in the end of peace.

The meeting is scheduled to be held at the Great Northern Hotel in Chicago, January 11.

Operating officials today said that the outlook was the most cheerful it has been at any time since last Summer. Brotherhood committees expressed the opinion that if a strike was under contemplation the meeting would be held in Washington.

Much depends upon the construction placed upon the Adamson law by the courts. If the law is declared constitutional, it is believed by operating officials here that the private contract with the men will be forcibly abrogated and the terms of the new law substituted, which has been construed by the legal departments of practically all lines as meaning an eight-hour day.

Private schedules which carry an alternative of 100 miles travel a day will, it is said, be automatically wiped out.

In that event trainmen who frequently make a run of more than 100 miles a day in eight hours or less and can draw two days' pay therefor under the contract with the managers will be deprived of this right, and must disregard the distance covered. This is one of the features of the private agreement to which operating officials have all along objected.

The Chicago meeting is for the primary purpose of a free discussion of the Adamson law and what construction will be placed upon it by the managers if it is held valid. The feeling on both sides today was that the chances of a general strike are lessening daily.

Vice-President H. B. Earling, of the Milwaukee and General Superintendent W. B. Foster, have been in Chicago several days and will be present at the conference of managers. Traffic Manager R. M. Calkins left today for the East.

COMMERCIAL CLUB ELECTS

A. C. Allen Is Again Chosen President by Camas Organization.

CAMAS, Wash., Jan. 4.—(Special.)—At last night's meeting of the Camas Commercial Club officers were elected as follows: President, A. C. Allen, re-elected; vice-president, S. C. Bradson; secretary, L. D. Henderson; treasurer,

O. F. Johnson, re-elected, and collector, F. W. Hayunga, re-elected. A new board of directors, including G. E. Corson, R. B. Richardson, H. S. Clark, J. W. Duval and H. MacMaster, was elected.

A musical programme and luncheon, arranged as a surprise by the entertainment committee, were enjoyed. A bulletin is being prepared by the publicity committee dealing with the history and growth of the club and enumerating public accomplishments.

Insanity Not on Increase.

SALEM, Or., Jan. 4.—(Special.)—There has been no net increase in the number of patients at the Eastern Oregon State Hospital at Pendleton during the year of 1916, according to a report filed today with the State Board of Control. This does not include, however, a transfer of over 100 patients from the Salem institution. This indicates that insanity is not on the increase in the eastern counties of the state, and, while not showing in the report here, is taken as possibly another indication of the effect of the prohibition law.

Mrs. Hopkins Asks Leave of Absence. SALEM, Or., Jan. 4.—(Special.)—Mrs. Esther M. Hopkins, superintendent of the Girls' Industrial School, has applied to the Board of Control for a leave of absence of three months, to

Men and Women of Portland: An Event! Rosenthal's January Sale of Shoes

WE HAVE several thousand pairs of men's and women's fine, new shoes which go on sale this morning at less than regular marked prices. We expect the sale to be of short duration, for the reductions are such that there cannot help but be an overwhelming response to our offer. We urge men and women to buy shoes now, both for present and future use, for the reason that in the face of a constantly rising market, present prices cannot be duplicated. Our stock is one of acknowledged superiority. It will pay you to buy three or four pairs from such a stock—you will save money.

We sell only welt shoes. These can be half-soled and the soles sewed on, thus giving you twice the length of service, plus the reduced price. Buy good shoes—it is true economy.

This sale is unprecedented in one respect. We offer new, stylish shoes for men and women at less than we can buy them for from the factories today. We must sell broken lines, however, and make room as well for additional complete stocks. We repeat—you surely will save money by buying freely now.

MEN'S AND WOMEN'S Fine Hanan SHOES

We are sole Portland agents for Hanan Men's and Women's Shoes, which are world-famed for their style and wearing qualities. We foresaw the rise and contracted early for our present stock. Our regular prices on these fine shoes are now from \$1 to \$2 per pair under the market prices. Buy at our prices and save money.
