CARD OF THANKS.

Famous Russian Dancers Are to Appear Tomorrow.

SCENERY MOST ELABORATE

of Steers & Coman Friday.

For the tour of the Imperial Ballet Russe, which opens a brief engagenent at the Heilig tomorrow night under the direction of Steers & Coman, the full strength of the famous Serge de Diaghileff organization has been mobilized and more than two score performers and 50 musicians are making the trip. The complete set of Bakst scenery and decorations for the 11 dances is also carried and there

the 11 dances is also carried and there are stellar performers besides the ballet corps, which numbers 24.

Jointly at the head of the organization are Adolf Bolm and Waslav Nijinsky. The latter won especial fame in America because of his detention in Bohemia at the opening of the American tour, due to incidents of the great war and some weird character-writings found on his effects, supposed to be secret codes used by a say, but o be secret codes used by a spy which were written characterizations of dance movements. Bolm opened the tour in America, however, and won plaudits which were unexampled. In the cast of stars also is Lydia Lopokova, whose freshness and genious personality makes her doubly attractive because she has no supe-rlor in the actual translation of the
