

GOVERNOR'S HELP IS GIVEN GREETERS

City and State Officials and Civic Organizations Are to Help Hotelmen.

GOVERNOR IS ENLISTED

Effort to Bring Tourists to State to Learn of Resources Will Be Made—Managers Also Among Those Who Pledge.

Co-operation of all local and state convention-getting agencies was pledged last night at the Portland Hotel to the Greeters' Association of Oregon in obtaining for this city the national 1917 convention.

The speeches were preceded by an elaborate dinner served in the ballroom that was tastefully decorated with a mass of red flowers and ferns.

Rex Lammman Gives Readings. The dinner was served at 8:30 o'clock and during the progress of it, musical numbers were interspersed and readings given by Rex Lammman.

More than 100 Greeters and their wives and sweethearts were present, and practically all of the hotel managers and all the clerks that could be off duty for a few hours attended.

Charles D. Schreier, president of the Oregon association, extended the welcome to the convention speakers representing the state and city governments and local civic and commercial organizations spoke and pledged their aid to the hotelmen.

The speaker was preceded by an elaborate dinner served in the ballroom that was tastefully decorated with a mass of red flowers and ferns.

Mayor H. R. Albee was unable to be present, but he was represented by his private secretary, Will H. Warren.

Mr. Warren, who was officially would always aid those organizations in getting what they wished if it would aid in the upbuilding of the city and add to its moral and material welfare.

Dr. E. H. Pence, late of Detroit, now pastor of the Westminster church, was an extemporaneous speaker who won his auditors with flashes of humor and a fluent use of the speaker's vernacular.

M. J. Slatky, manager of the North Pacific Hotel, reviewed the work of the Greeters in this state and told what they were contemplating in trying to get the convention here.

Mark Woodruff, secretary of the publicity and conventions bureau of the Chamber of Commerce, said that there was no other agency that so contributed to a city's growth as did the publicity derived from the entertainment of a mass of visitors, and asserted that the Chamber of Commerce would do its share.

Other speakers and the subjects assigned them were Eric W. Hauser, president of the Multnomah Hotel, "Co-operative Efforts of the Greeters," R. W. Childs, manager of the Portland, and president of the Oregon Hotel Men's Association, "Relation of the Greeter to the Greeter," and Phil Metzger, manager of the Imperial, "The North Pacific Coast Tourist Association."

R. E. Lattin, secretary of the Oregon Hotel, was the toastmaster.

Shriners coming here. 50 NOVICES TO CROSS DESERT AT NORTHWEST CEREMONIAL. Ritual Never Before Used Here is to Be Introduced, and Banquet is to Be Big Feature Later.

Shriners from all the Northwest will come into Portland January 27 to participate in the great Pacific Northwest ceremonial.

The Eleventh-street Theater will be the meeting place during the ceremonial, which will begin at 2 o'clock. The morning will be devoted to the reception of visiting Shrine delegates.

MOB ASSAILS JUDGE

Threat Made to Use Dynamite if Negro Isn't Produced.

DEPUTIES GUARD HOTEL

Kentuckians Demand That Black Be Sent For From Neighboring Jail That They May Lynch Him—Trial Set for Today.

MURRAY, Ky., Jan. 10.—An infuriated mob composed of hundreds of men, negroes as well as whites, at 10 o'clock tonight surrounded a hotel here and threatened to dynamite the building unless Circuit Judge Charles Bush and Commonwealth Attorney Dennis Smith agreed to send the Sheriff after Lube Martin, a negro who is charged with having murdered Guthrie Duidid, a policeman.

The men said they intended to lynch the negro. When refused admission by the managers of the hotel the mob threatened to break in the rear doors, but soon found that more than 100 deputies had been sworn in and were guarding the building were made.

Earlier in the day to prevent a lynching at the hands of a mob, Judge Bush and Attorney Smith agreed to try Martin tomorrow instead of at the next term of court.

Martin had been held at Hopkinsville, Ky., for safe keeping, and was brought to Murray last night. Because of a fear of mob violence he was held in the Courthouse all night, guarded by a large force of Deputy Sheriffs.

This morning when his case was called for trial counsel who had been appointed to defend him asked for a continuance because of the discovery of new evidence which there had not been opportunity to develop. This was granted.

When persons in the courtroom learned of the continuance granted Martin, a large mob gathered in the neighborhood of the courthouse and surrounded the judge and commonwealth's attorney, demanding the negro be brought back for trial immediately, threatening if this was not done, to lynch him. Attorneys on both sides then agreed to have the negro taken to Paducah in the morning and placed on trial.

\$500 FOOD CACHE FOUND

Boys Confess to Robberies of Several Grocery Stores.

More than \$500 worth of groceries and supplies, stolen within the past month, was recovered yesterday when Stephen J. Helm, 19 years old, and a companion, Walton, 15 years old, confessed to the robbery of several stores. The stolen goods, somewhat depleted in quantity, were discovered in the rooms of a thieves in the court of Circuit Judge Kavanaugh yesterday. The jury disagreed in a former trial last week.

BLAKE-M'FALL WIN SUIT

Paper Company Won't Have to Pay J. W. Fournier \$15,000.

Second trial of the \$15,000 damage suit brought against the Blake-M'Fall company by J. W. Fournier, growing out of an automobile collision at East Twenty-fourth and Burnside streets on July 16, 1914, resulted in a verdict for the defendant in the court of Circuit Judge Kavanaugh yesterday. The jury disagreed in a former trial last week.

PEACE NOT TO BRING FOOD

German Under Secretary Says Hunger Will Outlast War.

AMSTERDAM, via London, Jan. 10.—Dr. Michaelis, German Under Secretary of the Interior, contributed to the Volks Zeitung of Cologne an article warning Germany that peace will not bring an immediate solution of the food problem. He says: "We must expect for a considerable time, perhaps for many years, further limitation of consumption and rationing as regards the most important foodstuffs. Germany, in the coming years of peace, will have to procure almost exclusively to such foodstuffs as are produced within her own borders. Tonnage will be very scarce and deterioration of the rate of exchange also will oblige Germany to import as little as possible."

PROJECT GIVEN UP

Loss of Water Rights for Paisley Tract Is Blamed.

BOARD ASKED FOR RELIEF

Protection for Prospective Settlers Who Get Stock Instead of Land Will Be Considered Before \$50,000 Bond Is Canceled.

SALEM, Or., Jan. 10.—(Special.)—The Northwestern Townsite Company of Philadelphia and the Portland Irrigation Company desire to abandon development of the Paisley project of more than 12,000 acres in Central Oregon. They will ask to be relieved from carrying a \$50,000 surety bond now held over by the Land Board on an extension of time which was granted to September 11 of this year, according to word which has been received by Secretary McAllister, of the board.

The Northwestern Townsite Company notified the Portland Irrigation Company by telegram not to appeal from the decision of Judge Daily on the question of liquidation of water rights on the Chewaucan River, owing to the excessive cost of filing a transcript, which, it is said, would be more than \$1800, and it is understood that the project will be abandoned entirely.

The Desert Land Board has been asked to get a date at which a hearing will be held on the Paisley project. It was held in conjunction with the State Water Board, and a tentative date has been set for next Tuesday.

In the matter of the adjudication of the water rights an appeal was taken from the decision of the State Water Board, and in the Circuit Court it was held that the Chewaucan Cattle Company was entitled to all of the waters of the Chewaucan River. It was from this river that the Northwestern Townsite Company and the Portland Irrigation Company were to obtain the water supply for irrigation of the lands.

Another important phase of the situation will be the status of the prospective settlers who have purchased shares of stock in the Portland Irrigation Company. The associated companies were contesting for the rights to the waters of the Chewaucan, had developed no irrigated lands, but certain prospective settlers, this stock being sold in lieu of lands, such lands to be turned over for the stock at such time the project was irrigated.

It is probable that the Desert Land Board and State Water Board will ascertain positively what will be done to protect the purchasers of this stock before they decide to accede to a cancellation of the \$50,000 bond now held. The Paisley project was one coming under the provisions of the Carey act and has been hanging fire for some time pending settlement of the water-right question.

EUGENE BANKER RETIRES

T. G. HENDRICKS PRESIDENT OF FIRST NATIONAL 34 YEARS.

F. E. Snodgrass Is Promoted From Vice-Presidency—Other Officers Are Named by Directors.

EUGENE, Or., Jan. 10.—(Special.)—T. G. Hendricks, president of the First National Bank since its organization 34 years ago, retired as the head of the institution at a meeting of the board of directors last night, and P. E. Snodgrass, vice-president, was elected as his successor. Mr. Snodgrass had been vice-president of the bank since the death of S. B. Eakin, who with Mr. Hendricks founded the bank, which was the first in the city of Eugene.

Mr. Hendricks has served his time as head of the First National Bank of Eugene. Mr. Hendricks stated today, "I have been honored with the position since the bank was established in 1883. During that time I have watched the bank grow from a business of \$12,000 to more than \$2,250,000 at this time. The new board of directors of the bank is as follows: P. E. Snodgrass, F. E. MR. HOLMAN VOTES FOR VANCOUVER MAN

Action Results in Appointment of D. Campbell as Bridge Superintendent.

DISLOYALTY IS CHARGED

Co-Workers Hold That as Multnomah Foots Most of Cost of Interstate Span, Management Should Be Under Its Control.

When Rufus C. Holman, chairman of the Multnomah County Board of Commissioners and chairman of the Interstate Bridge Commission, cast his deciding vote yesterday in favor of a Clark County appointee for superintendent of the new bridge across the Columbia, aligning himself against Commissioner Holbrook and Muck of Multnomah, he started something.

Mr. Holman's vote accompanied the Oregon delegation to the meeting in Vancouver yesterday afternoon, nor did he return with them. Relations were too strained to permit of this.

Open Break Is Reached. What will happen at the next meeting of the Multnomah County Commissioners is not known, but the opinion of Mr. Holman as chairman apparently is contemplated. Mr. Holbrook probably would have been discharged as superintendent during the first meetings of Mr. Muck's stewardship. Mr. Muck nominated Mr. Holman for chairman.

Friction developed at later meetings came to an open break with the session at Vancouver yesterday. There is nothing in the law to prevent the naming of a new chairman, though the one appointed has served for a long time. The statutes provide that the commissioners of a county may select their own chairman, and that this chairman "may be removed at pleasure."

Mr. Holbrook last night spoke of the unexpected "toppling" of Mr. Holman as "a disgraceful" and "a disgraceful" selling out of Oregon interests. Denny Campbell, an employee of Porter Bros. who had the contract for the steel erection of the main river bridge, was the Vancouver man named superintendent. He was not known to the Multnomah County Board.

MURDER TRIAL BEGINS

WILLIAM DOYLE IS CHARGED WITH SLAYING TWO WOMEN.

Case Is Being Tried at Klamath Falls. Defendant Says Fatal Shot Was Fired in Struggle for Gun.

KLAMATH FALLS, Or., Jan. 10.—(Special.)—Taking of testimony in the trial of William Doyle was begun before Judge D. W. Kuykendall in Circuit Court here today. The jury was completed last night. Only three witnesses were examined today.

Judging from questions put to prospective jurors by counsel in the case, the state will rely on circumstantial evidence. He is accused of the murder of Mary Ann Hixon and her daughter, Maggie Jones, near the southeastern corner of Klamath County on February 8, 1916. Doyle has been in jail here ever since.

Doyle is the only living person who witnessed the tragedy. At the coroner's inquest, the day after the killing, Doyle declared that the women had killed themselves and that he was innocent. According to Doyle's story, given at the first of the inquests, he had planted the grain crop on the ranch the Fall of 1915, the agreement being that he was to farm the tract on shares. He said that the women had been trying to get him off the land for some time and had made threats against him.

On the morning of the shooting, said Doyle, there had been some quarreling about the situation. He alleges that the Jones woman had been in a room with a rifle and was starting to aim at him. He said that he grappled with her, and that after the weapon had been discharged in the air once he took it from her. Immediately after the sound of the shot, Doyle said, the Wilcox woman came running in, armed with a shotgun. All three grappled for this. While they were struggling, Doyle said, the gun was discharged, killing the two women with the charge.

District Attorney William M. Duncan is being assisted in the prosecution by the late Attorney General. The case and the court has appointed W. H. A. Renner to defend Doyle.

OLD COUNTY FARM CHOSEN

Commissioners Favor Site for Location of Training School.

Should there be no legal restrictions, the Board of County Commissioners favors the appropriation of a portion of the old county farm on the Canyon road for the location of a public school, such as will be asked from the Legislature in a bill fostered by the parent-teacher association council of Portland.

Though avoiding any definite pledge, the Commissioners went on record yesterday as desiring to work in harmony with Mrs. Anna Lee Stephens, chairman of the council. The proposed school is for dependent and delinquent children.

Mrs. E. H. Singleton, head of the County Farm, asked that the budget provision for an automobile for use in the Canyon road and from the farm be acted on. Accordingly advertisement for a 5-passenger automobile will be made at once. An appropriation of \$1000 for this purchase was provided in the budget.

Roseburg Elects Portland Woman.

ROSEBURG, Or., Jan. 10.—(Special.)—At the regular meeting of the Roseburg School Board held here Monday night Miss Emma Erb, of Portland, was elected as instructor in the commercial department of the local high school. Miss Erb has arrived in the city and will assume her new duties tomorrow.

You Need Not Suffer From Catarrh

But You Must Drive It Out of Your Blood to Get Rid of It Permanently.

You have probably been in the habit of applying external treatments, trying to cure your Catarrh. You have used sprays, washes and lotions and possibly been temporarily relieved. But after a short time you had another attack and wondered why. You must realize that catarrh is an infection of the blood and to get permanent relief the catarrh infection must be driven out of the blood. The quicker you come to understand this, the quicker you will get it out of your system. S. S. S., which has been in constant use for over 50 years, will drive the catarrh poisons out of your blood, purifying and strengthening it, so it will carry vigor and health to the mucous membranes on its journeys through your body and nature will soon restore you to health. You will be relieved of the droppings of mucus in your throat, sores in nostrils, bad breath, hawking and spitting. All reputable druggists carry S. S.
