300 PRISONERS CAPTURED

Two Machine Guns and Mortar Aro Brought Back—Chagrin Felt Because Corps Commander Departed Day Previously.

WITH THE BRITISH ARMIES IN FRANCE, Jan. 17, via London, Jan. 18.—(From a staff correspondent of the Associated Press.)—In the gray half light of a mid-Winter day...

As a raid, today's attack established a record for the operations in the Somme sector in the last week, which netted 300 prisoners in what have been classified in the official communications as "minor operations."

This was the second daylight raid carried out north of Arras by the Canadians, the first resulting in the capture of 60 prisoners. It was marked by many of the same features that characterize all such daring and successful undertakings...

Artillery Gives Shelter. The British losses were exceedingly light and all the casualties were brought home. The prisoners were mostly Silesians and Poles...

British Loses Light. The British losses were exceedingly light and all the casualties were brought home. The prisoners were mostly Silesians and Poles...
