It will be a long time before those present at yesterday's Columbia University-Franklin High school basketball game will forget the battle. The final count stood 22 to 21 in favor of Columbia. The game was played in Washington High school gymnasium and the winning point was registered in the last few seconds of play by Forward Flynn.

Franklin started an attack which read 13 to 6 in their favor when the first half was over, but Columbia "came back" in the last two quarters and won. At one time in the last period Columbia led 17 to 14, but a converted foul by Post and a sensational field basket by Kolkans put the game in a tie.

Vincent Jacobberger goes most of the glory of winning yesterday's fracas as the young guard scored four field baskets. With a minute and half to go and the count 21 to 18 in favor of Franklin, Vincent Jacobberger took a long rainbow shot which counted and a little after that Flynn recorded the final basket.

Al Malone failed to score as he did against the High School of Commerce last week, when he tallied 25 points. Yesterday he only threw one field basket. He committed six fouls.

The summary follows:

Columbia (22). Post, Franklin (21). Malone, Kolkans, G. Jones, Brown, J. Murphy, C. (Capt.) When this committee was authorized in December, it was decided to recommend to the annual meeting of the United States National Lawn Tennis Association a change in the doubles championship to make it an open tournament, as the National singles championship now is.

To have suggestions ready for the annual meeting, Secretary Torrey has written to clubs which might be interested in holding the National doubles championship to learn whether or not they want to put in a bid for the event, and exactly what their qualifications are for such a tournament. His letter asks for the number of grass courts, accommodations for players and spectators and the like. When the desired information is assembled, his committee will meet to determine its recommendations to the delegates to an award of the event.

A schedule for the remainder of the 1917 hockey season was completed yesterday, when managers from the Lincoln High, Washington High, Columbia University and Jefferson High met at the Ice Palace. Lincoln won from Jefferson High, 2 to 0, when Columbia University trimmed Washington High, 5 to 2, early in the campaign.

A week from tomorrow night Jefferson and Washington meet, while on February 10 Columbia and Jefferson tangle. One week later Washington and Lincoln will battle, and on February 23 Columbia and Lincoln will furnish the attraction. The sport has not been adopted officially by the Portland Interscholastic League, this year being more or less of a tryout.

Cullop and Yankee Leader Confer.

BRISTOL, Tenn., Jan. 24.—(Special.)—Manager Donovan, of the New York Americans, came here today to see Nick Cullop, star left-hand pitcher of the Yankees.

CLEVER INFIELDER SECURED FROM PITTSBURG WHO WILL PLAY EITHER SHORT OR SECOND FOR PORTLAND.

Frankie Sanders, of the Pittsburgh club, is expected to be secured by the Portland club to play either short or second.

"PADDY" SIGLIN.

The Pittsburgh club, it develops, sold outfielder Farmer and infielder Siglin to Portland under an option to repurchase one of the two next fall. Siglin is a former International League second sacker. Last year Siglin batted .285 for Rochester, in the International League. In 1915 he played second for Youngstown, in the Central League. He is a youngster and Dan Howley, former Beaver, says he was the best second sacker in the International last season. Siglin's home is at Aurelia, Ia. Walter McCredie played town-let ball with Cherokee, Ia., in his short-trousered days and he remembers competing against Siglin's dad and uncle.

BANTAM ASKS BOUT

Frankie Sanders Would Meet Mascott or Bronson.

Great, of Portland. Went with her since I was 11 years old and am now 22. That's fair enough, isn't it?

"I am the William Fox Studio as camera man to the director, putting on comedies, and like it fine. Regards."

Frankie Woo, a crack Chinese bantamweight, is in town and wants to meet any bantamweight on the Coast. Frankie hails from Chicago, where he has boxed Johnny Coulon, Johnny Ritchie and Young Zulu Kid. He held Coulon to a draw. He has trained with a number of the best boxers in the world while in Chicago, among those being Joe Welling, Joe Rivers, Jimmy Wheelan, Pete Hertz and Ad Wolcott. Woo will train at the Chinese Athletic Club gymnasium.

137 BATTLES ARE FOUGHT

Elizabeth, N. J., Lad in Letter to Fred Merrill, of Rose City Athletic Club, Says Bantam Title Rightfully His.

Frankie Sanders, of Elizabeth, N. J., the Johnny Kilbane, of the bantamweights, is in Denver and has written Manager Fred T. Merrill, of the Rose City Athletic Club, that he would like to visit this city. He says he should now be recognized as the bantamweight title holder. He has taken part in 137 ring battles and says that he has yet to have a referee disqualify him or give a decision against him to an opponent.

Sanders has fought some of the best boys in his division and is open to meet anyone in the world from 115 to 122 pounds. He would especially like to meet Billy Mascott or "Muff" Bronson in Portland. Sanders, in his letter, says that he has met Hymie and Abie Gordon in Denver and meets Benny Chaves there January 29.

Eddie Murphy, who boxed here several times with Frank Parslow a few months ago, says that he will be in Portland soon. Murphy was ill, it is said, when last in Portland, and now that he has recovered asserts that he will make all the welterweights hereabouts step.

Al Sommers and Jimmy Moscow will provide the main event for a show to be staged at Vancouver, Wash., soon.

Billy George and Valley Trambitas will box ten rounds on February 12 at Bend. If the promoter can get "Muff" Bronson to step ten cantos with Billy Nelson he will cancel the first-named tilt.

All of the boxing experts throughout the country have declared that Gibbons is the right man to meet Darcy and the St. Paul phantom is going after him hard in hopes that he will show a different spirit than he did when he left Australia just when he was most needed.

Willie Meehan left for San Francisco yesterday.

"Muff" Bronson Northwest light-weight champion, will meet Lloyd Madden for the third time at Seattle, between February 11 and February 15. The match was made over the long-distance telephone. Frankie Sullivan will be Bronson's opponent on February 7 at Tacoma.

"Finky" Lewis, colored light-heavyweight of San Francisco, who is in Portland, has fought Meehan, Jack Simms, Jack Hemptle, Joe Blackburn and a number of others. He is not world buster but always gives the fans a run for their money.

Gossip About Boxers.

Remember Len Powers, the little featherweight who used to represent the Multnomah Amateur Athletic Club in the hempen square? Well, he's married.

"When I was up there a year ago," writes Len, "I promised to let you know first of all when I was going to be married. But I have put it off and want you to forgive me. I was married here December 30 and haven't had a battle yet. I married Esther De

ZEROLENE
The Standard Oil for Motor Cars
Flows Freely at Zero

That's why it's called ZERO-LENE. It feeds and splashes properly even at zero temperature—it's a zero cold test oil. ZEROLENE eliminates the hard cranking, draining of the battery and lack of lubrication while warming up that is caused by using an oil that congeals in cold weather. Drain your crank-case, fill with ZEROLENE, and then note the easier starting and quicker acceleration that you obtain. It's because ZEROLENE is correctly refined from California asphalt-base crude—a real zero cold test oil.

After Manager Masters of the Multnomah Amateur Athletic Club had made arrangements with Coach Mathews, of Willamette University, to switch dates, Coach Everett May, of Oregon Agricultural College basketball team found it impossible to bring his aggregation to Portland to meet the clubmen next Saturday night. The Oregon Athletic Club will play the "Winged M" athletes starting at 8:15 o'clock.

The Multnomah team recently won a 20-to-11 victory over Willamette at Salem. Captain Clayton Sharp has issued orders for another practice tonight in the club gymnasium and that will be all until they meet Willamette Saturday night.

Walter Le Baker, manager of the Oakland, Cal., Y. M. C. A. "Golds" is trying to land games in the Northwest for his basketball team. He has planned a tour of the Pacific Coast. He has scheduled games with Medford, Eugene, Corvallis, Salem and Silverton, and now he is looking for games with the Multnomah Amateur Athletic Club and the Portland Y. M. C. A., the University of Washington, Washington State College, Whitman College, Goldendale, Vancouver, B. C., and Victoria.

The Jefferson-Lincoln game this afternoon in the Y. M. C. A. gym was billed for 3 o'clock. This was done because of the examinations in the various schools this week which permit the students to leave early in the day.

Captain Harry Haffer, of the Portland Newsboys, has announced that a benefit dance will be given in the neighborhood houses, Second and Woods street, next Tuesday night. The team has purchased new suits and the proceeds of next Tuesday's dance will go toward paying expenses.

The Y. M. C. A. Comets want games. They are willing to play teams averaging around 135 pounds. Manager Stone can be reached at Main 2259 after 6 o'clock at night.

Gilbert Station basketball players are seeking games. Call Manager C. Liden at D. 61. They have no game for tonight.

The Portland Newsboys are credited with the largest basketball score recorded in Portland this season. They ran up 74 points to 4 against the Boys' Brigade quintet in the neighborhood house. The lineup follows:

Newsboys (74). Brigade (44).
Capt. Haffer (21). G. (12) King

Goldstone (30). F. (12) G. (12) Munger

Two more victories were scored by the B'nai Brith basketball team in the B'nai Brith gymnasium last night. The first squad trimmed the Oregon City athletes, 40 to 17, and the second quintet won from the Y. M. C. A. Eagles, 29 to 25. The B'nai Brith Association will hold a dance tonight in the clubroom at Thirteenth and Mill streets. The lineup of last night's games follow:

ION'S RETURN SOUGHT

HOCKEY OFFICIAL IS ASKED TO RECONSIDER RESIGNATION.

If He Accepts He Will Act in Games Not Involving Portland—Billy Kean Is New Official.

SEATTLE, Wash., Jan. 24.—(Special.)—Fred Ion, who resigned recently after Portland had protested against his decisions, has been asked to reconsider his resignation and officiate in the Pacific Coast Hockey League and Billy Kean, an official of the East, is on his way to the Coast to take a position offered him by President Patrick as a referee in this league.

These two announcements, after the league meeting held here today, clear up the referee situation, and all hands are reported satisfied with the settlement. Today's meeting was held after being postponed earlier in the day by President Patrick.

Mr. Ion will officiate in games in which Portland does not play. Mr. Kean, who comes well recommended by "Gully" Wilson and St. Griffin, will handle the whistle in the Portland games, thereby pleasing the Portland officials, who objected to Referee Ion's work. President Patrick tried to get Bob Meldrum, the best official in the Eastern league, but was unsuccessful. Mr. Kean left for Seattle Monday night.

Mr. Irvin will handle the game Friday in Spokane. President Patrick announced today.

If Referee Ion decides to return to the game, the hockey fans all over the circuit will welcome his return, as he was the most popular official in the game.

MINNIVILLE, Or., Jan. 24.—(Special.)—Harry M. White, for six years one of the best basketball players in Minnerville, is counted on to help the Minnerville Firemen basketball team defeat the George Washington Camp "Wows" in the game at Christian Brothers Business College gymnasium at Portland Saturday night. White plays forward and has been with the high school team here for three years. The Firemen won from the "Wows" early in the season, but since then Manager Popovic of the Portland team has obtained a new team. Quite a delegation from Minnerville will make the trip to Portland Saturday.

The local quintet has a clean record so far this season and has not been defeated in the last three years.
