Charley Schorr, San Francisco Semiprofessional Southpaw, Young Twirler to Report to Beavers at Stockton.

Only two real holdouts have appeared thus far—Billy Southworth and the new infielder, Siglin, of Pittsburgh. Judge McCredie received a letter from Siglin yesterday, in which the younger said he was opposed to the long training period made necessary by the voyage to Honolulu. "So far as Siglin is concerned, we will not attempt to coerce him at all," remarked the judge. "We will take his word for it and ask him to report at Stockton to Nick Williams as usual, or thereabouts. If he is not in condition when the team returns from Honolulu we will get another infielder."
