House by the ways and means committee and after some sharp debate, it was passed. But tonight it was recalled and killed.

lt developed from the line of argument on the floor that about five years ago, C. B. McConnell, an Eastern Oregon land owner, came before the State Land Board and asked the state to join in a suit against the Pacific Livestock Company.

State Treasurer Kay in which Mr. Mc-Connell was quoted as saying that even if the state should win the suits, he (McConnell) would remain in possession of the water rights and that he would not dispose of them to the state except for a consideration.

The history of the Pacific Livestock

The history of the Pacific Livestock Company was referred to frequently, and in no kindly terms. The company is controlled by Miller & Lux, who own extensive holdings in California and Nevada. Mr. Miller died recently, leaving an estate of about \$30,000,000, and now his family is resisting the payment of an inheritance tax in California.

The situation in the case of this bill became complicated tonight when the Senate recalled House bill No. 395, by Gordon, which the Senate defeated a

HAIR COMING OUT?

Dandruff causes a feverish irritation of the scalp, the hair roots shrink, loosen and then the hair comes out fast. To stop falling hair at once and rid the scalp of every particle of dandruff, get a 25-cent bottle of Danderine at any drug store, pour a little in your hand at rub it into the scalp. After a few applications the hair stops coming out and you can't find any dandruff.

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentie, thorough cleansing at once.

When peevish, cross, liatless, pale, cresn't sleep, doesn't eat or act naturally, or is feverish, atomach sour, breat, bad; has stomach ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of l'igs," and in a few hours all the foul constipated waste, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them teel splendid.

Land Board and asked the state to join in a suit against the Pacific Livestock Company.

Mr. McConnell wanted to irrigate some dry land near the Silvies River. The Pacific Livestock Company owned the land on both sides of the stream, and refused to surrender their water rights. Mr. McConneil pleaded that the company had obtained their property by fraud. Governor West, it seems, instructed Mr. McConneil to start proceedings in the name of the state.

Before acting on the bill today the House heard presentations from State Treasurer Kay and I. H. Van Winkle, Assistant Attorney-General. Mr. Kay said the State Land Board had taken no action in the case. Mr. Van Winkle, Assistant Attorney-General. Flush the Kidneys How Uric Acid Causes Gout, Rheumatism, Lumbago

(BY L. H. SMITH, M. D.) It was not until the discovery by Sir Arthur Gerod, in 1848, that the blood of gouty patients contained uric acid in an excessively large amount, that much attention was paid to this subject. Later scientific men learned that in gout, also rheumatism, the kidneys do not work properly to throw off the uric acid poison. acid poison; consequently uric acid crystals are deposited in and about the joints,

the muscles, where an inflammation is set up in the nearby tissues.

Hague has said, that "gout is rheumatism, and rheumatism is gout."

If uric acid is formed in excess within If the body it is passed on to the kidneys, which act as a filter to pass off this poison. If the excess is not excreted by the kidneys, it is distributed thru the tissues. The choice sites for such storage are in the joints, muscle-sheaths, where the circulation is weakert and where the circulation is weakest, and where also the alkalinity of the blood is lowest. Consequently we must do everything to throw off this uric acid poison, and simple methods are best. Flush the kidneys by drinking 6 to 8 glasses of water between meals. A pint of hot water a half hour before meals. Take Anuric (double or triple

strength), three times a day for awhile. Invigorate and assist the kidneys to flush out the uric acid poisons. During winter months the circulation is apt to be sluggish and the blood stream retarded. If uric acid is pres-ent it is apt to clog the capillaries. This accounts for many acute condi-tions, such as headache, neuralgia, gastric disturbances, and dull mind. As the condition progresses, we often As the condition progresses, we often have lumbago, disease of the heart and arteries, breaking down of the kidneys, rheumatism and gouty symptoms. Eat less meat, drink more water, and 'take Anuaic (double or triple strangth) after made and at hed triple strength) after meals and at bec time for several weeks at a time, and you will be free from uric acid and the diseases that follow.
