RETAIL GROCERS FEAST

Problems of Business Are Discussed Briefly and Fun Prevails.

Members of the Retail Grocers' Association of Portland departed last night at the Chamber of Commerce. It was the time of the regular monthly meeting but business had rather a short shrift and the meeting was resolved into a good fellowship session that was enjoyed fully by everyone present. A feast of good things was provided for the dealers in foodstuffs, who enjoyed the spread to the limit. Short talks on the line of good of the order were a feature and the evening was one of the most pleasant in the annals of the association.

Butter Makers Taxed.

SALEM, Or., Feb. 23.—(Special.)—Under provisions of a law passed by the Legislature it will be compulsory on all who desire to engage in the manufacture of butter and cheese to secure a license from the Dairy and Food Commissioner.
