QUALIFICATIONS DEMANDED BY PORTLAND GIRLS FOR "MAN WORTH WHILE."

He must have brains enough to make a living.

He must have a clean record. He need not be rich, but must

be a good provider.

He should be neither conceited nor selfish.
Provident but not stingy, should be his nature

He should be a match in pa-triotism and efficiency for the members of the Girls' National Honor Guard.

Honor Guard.

He must be self-respecting and then he will meet the requirements for a good husband, a good citizen and a man worth while, loyal to wife and to country.

He must love his home and encourage his wife to be his companion in making the home ideal.

He should look forward to a happy home instead of an early divorce.

Portland girls, interested in the Harard Round Table's qualifications set down for "the girl worth while" and tendants were convicted and sentenced to jail sentences, while other convictions resulted in fines aggregating \$403. Only three arrests were made of chauffeurs for driving while intoxicated.

The Regular monthly meeting of the and subtractions from the list of these and subtractions from the list of these qualifications, yesterday came back with a voice of their own and proposed to be present.—Adv. several Portland men's additions to stand, as an embyro lawyer I am stat-and subtractions from the list of these subtractions, yesterday came back personal impulse." posed for public consideration qualifi-

cations for "the man worth while." Further, Miss Ethel Mitchell, social cretary, librarian and swimming instructor of the Y. W. C. A., has "heard the girls talking it over, and yesterday said there was considerable sincerity among the girls at the Y. W. C. A. as to the qualifications that should be required of men. Miss Wanda Danforth, tion will be appropriately celebrated by Portland Democrats at the Library sister of Lucile Danforth, state chair-man of the Girls' Honor Guard, is another who has observed the comment among girls who read with interest of the arrival of Mr. Versteeg-that

Double Standard Disapproved.

"A man usually demands that the synchronously with the beginning of girl should have led a pure life," said another term by the Lemocratic Admiss Mitchell. "That is the only kind he will marry. Girls may not have dehe will marry. Girls may not have demanded so clean a record of the men in the past, but I think modern progress indicates that the girl of today quiet.

But Mr. Versteeg proposes to pass the day quietly with his family—that is, if his friends permit him to remain quiet. ress indicates that the girl of today wants the man she would marry to be fine morally. The average girl, of course, wants men to be good-hearted, honest and trustworthy. Money and thouse and trustworthy and trustworthy and trustworthy and trustworthy and trustworthy. Woney and the sould be sould be

ooks don't count hair, ho, a quarter to much as character."

Miss Mitchell greatly disapproves of two man marrying and keeping on work-that, he admitted, shyly, yesterday when approached on the subject. DR. O'DAY TO BE DINED.—Formal bases are asked to attend to be served in his brown and the permanent home. The dinner make his permanent home. The dinner make his permanent home. The dinner will be sent new the semi-morthly programme of and the semi-morthly programme of the se woman marrying and keeping on working. She thinks that the home should be made more important. "There is something morally wrong with a man who wants to marry a girl who is working, and make her keep the job. Women are naturally home-makers, and men should encourage them in

dence of their fellow men. I think, too, that a man should be clean enough to marry the best girl in the community."

Home, Not Divorce, Object. "bachelor maid" who wro Men Worth While Wanted for Husbands Nowadays.

Home, Not Divorce, Object.

A "bachelor maid" who wrote to The Oregonian commenting on the recently published views of what men demand as the girl worth while, expresses the opinion that no matter whether or not a man be a doctor, a lawyer, whether he has money or raises potatoes he should have brains enough to earn a living, make a home and have beauty of character. "We want a home, not a divorce," says this "bachelor maid."

Every bit as much in earnest as the girls are the young men who are considering the subject of qualifications for the one worth while.

A knowledge of human nature is the

A knowledge of human nature is the interesting ingredient that Henry Breske, senior law student, attached to the law offices of Snow & McCamant, would require "if a man's fancy were to be sought in fact,"

Good Looks Subordinated. "The girl worth while should have knowledge of human nature; know w to treat a fellow, sympathize with him and understand that a certain part of life is a serious proposition, and, act accordingly. If I might be allowed an observation from what I see among young married couples a girl needs to understand that stress of business now and then bessers a man especially to understand that stress of business now and then besets a man; especially a man struggling for a place in his business or profession.

"A 'girl worth while' does not need to be pretty; but she should be attractive and show a faculty for developing what personality she has. A college education is not essential. It

college education is not essential. It helps, but common sense, reasonably well trained, is often the equivalent. "I have read the letters to The Oregonian since the original news story, and I note the girl writers generally want to set down all mankind as lax

want to set down all mankind as lax morally; as requiring in a woman moral fiber which they themselves do not possess. Granted there are 'rakes' among men; all men are not 'rakes.' They have just met the wrong men, that's all. On that theory I think a 'girl worth while' would be one who could measure up morally 'fifty-fifty' with the man concerned. That puts the matter in the personal equation the matter in the personal equation.
"But the girl should like babies better than bulldogs and be, generally speaking, sincere. Flappers," I magine make fine friends; but they don't
