NEW PLOT IS REVEALED

A. H. Pusey Says He Drew Lots to Kill President.

Signature Declared to Be One of the Two Signed.

BOSTON, March 8.

A plot to murder President Wilson was revealed today in the Boston Police Department. A letter was found on the person of a man who had attempted to pass through the Customs House.

The letter was addressed to the President and signed with the name of "A. H. Pusey." It stated that the plot was hatched by a group of men who had met in Boston several weeks ago.

The group consisted of five men, all members of the American Legion. They were said to have met in a room at the Hotel Concord and discussed the possibility of assassinating the President.

One of the men who was present said that they decided to carry out the plan, but that they had been arrested before they could put it into effect.

The letter was intercepted by the postal authorities, who forwarded it to the Washington police.

The police were unable to identify the writer, but they believe that he was a member of the group.

The President was notified of the plot, and it was announced that he would be protected by an additional guard.

The men were released on bail and are to stand trial on a charge of conspiracy.
