TOWERS EXPECT TO GET TITLE TONIGHT M'DONALD

Multnomah Hockey Sept to Defend Against Crack Vancouver, B. C., Team.

Northwest Amateur Championship to Be Decided in Tonight's Clash. Visitors Fear Only Norman Youmans' Guarding.

"You might say for us that Portland fans are in line to see the best ama-teur ice hockey contest they ever witnessed when we meet the championhessed when we meet the champion-ship Multnomah Amateur Athletic Club in the Ice Palace," said Captain Allen Fellowes, of the Towers septet, of Vancouver, B. C. The Towers are slated to meet the Winged "M" ath-letes tonight for the 1917 amateur hockey championship of the Pacific Coast

The Canadians were out for a hard workout yesterday morning and all were in great condition. They spent much of the time shooting at the net, for they realize they were up against a pretty stiff proposition if Norman Youmans plays his usual steady game for the Portlanders.

"We have been keyed up for this one game and it means a whole lot to us," continued the visiting captain last

continued the visiting captain last night, "and we mean to go out and grab the title at stake. Before watching the Seattle-Multnomah game, in which Mulinomah was the victor, 5 goals to I, we were under the impres-sion that we would win by a big score, but the work of that young goalkeeper was enough to open our eyes. However, we will give him all the work he can stand and at that I feel that we will be able to land the match

Several members of the Seattle Athletic Club team remained over to witness tonight's tilt. Providing the weather will permit, the Towers and the Seattle boys who are in Portland will be taken over the Columbia River

west Auto Hockey Club contingent.

The match tonight will start promptly at 8:15 o'clock, and the advance sale of tickets is such that those in charge are confident that the largest crowd will act as presiding officer. A viceever to witness an amateur game in
Portland will attend.

permits in the meantime Miss Danforth
will act as presiding officer. A vicepresident will be elected tomorrow at a
meeting at 2 o'clock in Eliers Hall,

The Towers players will be taken on a tour of inspection of the North Pacific Dental College today. There are several students at the college who are former Vancouverites and they are in charge of the party.

In all probability Clem Loughlin will be the referee tonight, with Charley Tobin as the judge of play. The vis-itors saw both work Wednesday night and were well pleased with the way the match was handled, and they asked that the same officials be in charge.

The lineups of the two teams as they appear on the ice the first time will be as follows:

GERMAN ISSUES SCARCE

Rate of Interest Attractive and Holders Also See Speculative Opportunity When Refunding Is Undertaken With Peace.

Since the beginning of the European war 31 months ago, residents of Port-land and vicinity have invested more than \$3,000,000 in securities of the vari-

ous belilgerent nations.

Most of this money has gone into British and Anglo-French war loans, as the German loans have been hard to get here, due to the allied blockade, which prevents their delivery in this country. Despite these heavy investments in foreign securities the demand for domestic bonds of various kinds—municipals and industrials—continues and country.

prices remain firm.
The attractive interest rates offered on some of the principal war bonds makes them preferred over the ordinary run of domestic securities and unless the credit of some of the warring powers is impaired by excessive prolongation of the war it is probable that all such issues will continue to sell readily.

It is estimated that more than \$1, 000,000 of local money has been invested in the British convertible 54 per cent bonds, which were sold here at a slight LONG-PARTED COUPLE RE-WED, discount, ranging from 99.07 on the two-year series to 99.52 on the one-year

Mere Preaching Will Not Bring

Peace, Says Sociologist. War can never be done away with merely by preaching by pacifists, said William F. Ogburn, professor of sociology at Reed College, in an open forum of students and faculty last night. International commerce and finance are too entangled to allow the abolition of armed conflict between na-

tions at present, he said. "War for selfish reasons is not wholly unjustifiable." said Dr. Ogburn.
"There was a time when invasion of territory by a hostile nation was conterritory by a hostile nation was considered a sufficiently good selfish reason for going to war. When the Danes invaded England the English were justified in fighting against them, because they were menacing their personal property. Now that the economic basis of the nations has become a commercial as well as property basis, we have just as much justification for going to war to protect our commerce. going to war to protect our commerce. It is not necessary to wait till a foe invades our country."
