In keeping with the patriotic spirit of the times, a number of prominent women who are members of the D. A. R. will enter Red Cross work. A meeting will be held today in the Library at 4 o'clock, both the Willamette and Multnomah chapters to be addressed by John L. Clymer, director of the Pacific division of the American Red Cross Society. Red Cross sewing circles will be the order of the day for several weeks to come, as the American society is determined to be well equipped with bandages and comfort bags. Many society women already are deep in Red Cross work, and several will join the Red Cross Society to train for nurses.
